For courses in First-Year Composition - Rhetoric. This package includes MyWritingLab(tm). Puts inquiry at the heart of good writing We write to learn as much as we do to express what we already know. In his remarkably personal and engaging voice, Bruce Ballenger makes that powerful concept central to The Curious Writer. The Curious Writer doesn't read like a textbook or provide a formula for composing essays. Instead, it encourages students to suspend judgment, to ask questions, and to seek answers much like academics do. Yet it covers a wide range of genres beyond the academic essay-narrative, profile, review, ethnography, argument, and more-all with a distinctive approach and "personality" that is lacking in other texts. It also reinforces the assumption that genres are malleable with a new chapter on repurposing or "re-genre-ing." Students love that this book helps them learn to write by pursuing their own curiosity. Teachers

The Curious Writer, Brief Edition. The Curious Writer, Brief Edition doesn't read like a textbook or provide a formula for composing essays. Instead, it encourages students to suspend judgment, to ask questions, and to seek answers much like academics do. Yet it covers a wide range of genres beyond the academic essay--narrative, profile, review, ethnography, argument, and more--all with a distinctive approach and "personality" that is lacking in other texts. It also reinforces the assumption that genres are malleable with a new chapter on repurposing or "re-genre-ing." Students love that this book helps them learn to write by pursuing their own curiosity. Teachers appreciate that Ballenger provides ample opportunities for students to develop the habits of mind necessary to become critical thinkers and curious writers. The Curious Writer Bruce P. Ballenger 2016-01-05
For courses in First-Year Composition - Rhetoric.
Puts inquiry at the heart of good writing We write to learn as much as we do to express what we already know. In his remarkably personal and engaging voice, Bruce Ballenger makes that powerful concept central to The Curious Writer. The Curious Writer doesn't read like a textbook or provide a formula for composing essays. Instead, it encourages students to suspend judgment, to ask questions, and to seek answers much like academics do. Yet it covers a wide range of genres beyond the academic essay--narrative, profile, review, ethnography, argument, and more--all with a distinctive approach and "personality" that is lacking in other texts. It also reinforces the assumption that genres are malleable with a new chapter on repurposing or "re-genre-ing." Students love that this book helps them learn to write by pursuing

The Writer's Options Max Morenberg 2008 The Writer's Options encourages students to investigate their writing "options" through sentence-combining and rearrangement to create more sophisticated, more effective compositions. This classic rhetoric has taught thousands of students to write clearer, more eloquent prose. Teeming with exercises, The Writer's Options affords students ample practice with arranging and rearranging sentences, paragraphs, and essays as a means of strengthening writing. The authors first introduce the writing process, they then move to style and revising sentences, and they culminate with rearrangement and revising whole documents.
