The Rule of Saint Benedict Saint Benedict 1921
Jesuit Kaddish James Bernauer, S.J. 2020-03-30
While much has been written about the Catholic Church and the Holocaust, little has been published about the hostile role of priests, in particular Jesuits, toward Jews and Judaism. Jesuit Kaddish is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree *Nostra aetate*. James Bernauer undertakes a self-examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation. Jesuit Kaddish demonstrates the way Jesuit hostility operated, examining Jesuit moral theology's

dualistic approach to sexuality and, in the case of Nazi Germany, the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture. Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of *Nostra aetate*. This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as "Righteous Among the Nations" by Israel's Yad Vashem Holocaust Center. Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism, Catholic-Jewish relations, Jesuit history, and the history of anti-Semitism in Europe.

Arturo's Island Elsa Morante 1988

Semiotics and the Philosophy of Language

Umberto Eco 1986-07-22 "Eco wittily and enchantingly develops themes often touched on in his previous works, but he delves deeper into their complex nature . . . this collection can be read with pleasure by those unversed in semiotic theory." —Times Literary Supplement

The Italian Renaissance State Andrea Gamberini 2012-03-29 This magisterial study proposes a revised and innovative view of the political history of Renaissance Italy. Drawing on comparative examples from across the peninsula and the kingdoms of Sicily, Sardinia and Corsica, an international team of leading scholars highlights the complexity and variety of the Italian world from the fourteenth to early sixteenth centuries, surveying the mosaic of kingdoms, principalities, signorie and republics against a backdrop of wider political themes common to all types of state in the period. The authors address the contentious problem of the apparent weakness of the Italian Renaissance

political system. By repositioning the Renaissance as a political, rather than simply an artistic and cultural phenomenon, they identify the period as a pivotal moment in the history of the state, in which political languages, practices and tools, together with political and governmental institutions, became vital to the evolution of a modern European political identity. Marcovaldo Italo Calvino 2012-10-26 A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he

chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).

Da capo Antonio Morena 2010-01-01 This Seventh Edition of the best-selling intermediate Italian text, DA CAPO, reviews and expands upon all aspects of Italian grammar while providing authentic learning experiences (including new song and video activities) that provide students with engaging ways to connect with Italians and Italian culture. Following the guidelines established by the National Standards for Foreign Language Learning, DA CAPO develops Italian language proficiency through varied features that

accommodate a variety of teaching styles and goals. The Seventh Edition emphasizes a well-rounded approach to intermediate Italian, focusing on balanced acquisition of the four language skills within an updated cultural framework. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Selections from the Prison Notebooks of Antonio Gramsci Antonio Gramsci 1971 "...[I]n the autumn of 1926, on the pretext of an alleged attempt on his life, Mussolini decided to make an end of even the semblance of bourgeois democracy that still survived. All remaining opposition organisations and their publications were banned, and a new, massive series of arrests was launched throughout the country. Among those arrested was Antonio Gramsci. Gramsci was a member of parliament -- but the régime was no longer interested in niceties about parliamentary immunity. He had also, since

August 1924, been the general secretary of the Communist Party -- though of course under such political conditions the identity of party officials was kept secret. He was 35 years old. At his trial in 1928, the official prosecutor ended his peroration with the famous demand to the judge: "We must stop this brain working for twenty years!" But, although Gramsci was to be dead long before those twenty years were up, released, his health broken, only in time to die under guard in a clinic rather than in prison, yet for as long as his physique held out his jailers did not succeed in stopping his brain from working. The product of those years of slow death in prison were the 2,848 pages of handwritten notes which he left to be smuggled out of the clinic and out of Italy after his death, and of which this volume is a selection." -- Pages xvii-xviii of Introduction.

The City of Ebla Erica Scarpa 2017 The ancient city of Ebla (modern Tell Mardikh) is rightfully considered one of the most important urban

centers in upper Syro-Mesopotamia during the III and the first half of the II millennium BCE: best known for the discovery of the Royal Archives, its archaeological and epigraphic evidence provides information on cultural, historical, economic, and political aspects of early Syrian history. This book aims to provide an updated, comprehensive bibliography of books, articles, and digital resources concerning Ebla: it includes references to philological, archaeological, and historical studies published to date.

Gerald's Party Robert Coover 1997 Probes the personalities assembled at a party when the murder of a guest named Ros transforms an ordinary evening.

The Swallows of Monte Cassino Helena Janeczek 2013-10 This novel hinges on the battle of Monte Cassino, Italy, in World War II, covering the international contingents and their contribution to that victory. The four month long battle at Monte Cassino in southern Italy was one of the bloodiest in World War II. In this highly original

novel, Janeczek retells that 1944 battle from the point of view of the Maori, Gurkha, Polish, North African, small-town American and other Allied foot soldiers who fought and died under German fire near that 6th century Benedictine abbey. Twined through the battle is another story, a memory of the drowned and the saved in Janeczek's own family in wartime Eastern Europe, where Jews who did not go to Nazi death camps went to Soviet gulag camps, and sometimes survived, and even went on to fight at Monte Cassino. A powerful reflection on all the ways that rights can be taken from us. "Helena Janeczek's novel is this: a tattoo etched on the skin, and not painlessly. A vast design that brings together threads from all the various lives that converged in that legendary battle. The beauty of her tale lies in its structure, the way opposites converge: the chaos of battle and the silence of the defeated, ordinariness and the heroism of the powerless, carefully guarded memory and impetuous youth, the past perpetually

intertwined with the present." Roberto Saviano, author of Gomorrah

Apostles of Empire Bronwen McShea 2022
Apostles of Empire contributes to ongoing research on the Jesuits, New France, and Atlantic World encounters, as well as on early modern French society, print culture, Catholicism, and imperialism.

The Book of Disquiet: The Complete Edition
Fernando Pessoa 2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa's greatest literary achievement. An "autobiography" or "diary" containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book

of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa's death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa's entire writing life.

Woman Like Me Curzio Malaparte 2007

Employing a short story format which finds an autobiographical thread, this book links together disparate times and loves in the author's life, a reassertion and reassembly of his identity in literary format. It presents an account of the author's memories, dreams and desires.

Speculum. L'altra donna Luce Irigaray 2010

The Museum of Non-Objective Painting

Tracey R. Bashkoff 2009 Considering in depth the origins of the Solomon R. Guggenheim Museum when it was first known as the Museum of Non-Objective Painting, this volume reveals for the first time the museum's complex and sometimes twisted architectural history and the ambitious

exhibition programme organized by Hilla Rebay, the museum's founding Director and Curator from 1939 to 1952. Through the extensive correspondence between Rebay and Rudolf Bauer the artist whose work Guggenheim collected exhaustively Karol Vail reveals the important role Bauer played in envisioning the collection and the museum. Fully illustrated throughout, and featuring extensive previously unpublished archival materials, this book provides essential reading and a rich reference of the Guggenheims' multifaceted and fascinating history.

Venice and the Veneto during the Renaissance: the Legacy of Benjamin Kohl Knapp, Michael 2014 Benjamin G. Kohl (1938-2010) taught at Vassar College from 1966 till his retirement as Andrew W. Mellon Professor of the Humanities in 2001. His doctoral research at The Johns Hopkins University was directed by Frederic C. Lane, and his principal historical interests focused on northern Italy during the Renaissance, especially

on Padua and Venice. His scholarly production includes the volumes *Padua under the Carrara, 1318-1405* (1998), and *Culture and Politics in Early Renaissance Padua* (2001), and the online database *The Rulers of Venice, 1332-1524* (2009). The database is eloquent testimony of his priority attention to historical sources and to their accessibility, and also of his enthusiasm for collaboration and sharing among scholars.

Asylums Erving Goffman 2017-09-08 A total institution is defined by Goffman as a place of residence and work where a large number of like-situated, individuals, cut off from the wider society for an appreciable period of time, together lead an enclosed, formally administered round of life. Prisons serve as a clear example, providing we appreciate that what is prison-like about prisons is found in institutions whose members have broken no laws. This volume deals with total institutions in general and, mental hospitals, in particular. The main focus is, on the world of the inmate, not the world of the

staff. A chief concern is to develop a sociological version of the structure of the self. Each of the essays in this book were intended to focus on the same issue--the inmate's situation in an institutional context. Each chapter approaches the central issue from a different vantage point, each introduction drawing upon a different source in sociology and having little direct relation to the other chapters. This method of presenting material may be irksome, but it allows the reader to pursue the main theme of each paper analytically and comparatively past the point that would be allowable in chapters of an integrated book. If sociological concepts are to be treated with affection, each must be traced back to where it best applies, followed from there wherever it seems to lead, and pressed to disclose the rest of its family.

Italians Luigi Barzini 1996-07-03 Examines the character and history of the Italian people.

Economy of the Unlost Anne Carson
2009-04-11 The ancient Greek lyric poet

Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted? and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. Economy of the Unlost begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself,

writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences--Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.

The Era of the Witness Annette Wieviorka 2006
What is the role of the survivor testimony in Holocaust remembrance? In this book, a concise, rigorously argued, and provocative work of cultural and intellectual history, the author seeks to answer this surpassingly complex question.

The Scourge of the Swastika Edward Frederick Langley Russell Baron Russell of Liverpool 2002
An examination of the crimes committed by the Third Reich during World War II, based on documentary evidence submitted at the Nuremberg Trials.

Diplomacy Henry Kissinger 2012-10-01
'Kissinger's absorbing book tackles head-on some of the toughest questions of our time . . . Its pages sparkle with insight' Simon Schama in the NEW YORKER
Spanning more than three centuries, from Cardinal Richelieu to the fragility of the 'New World Order', DIPLOMACY is the now-classic history of international relations by the former Secretary of State and winner of the Nobel Peace Prize. Kissinger's intimate portraits

of world leaders, many from personal experience, provide the reader with a unique insight into what really goes on -- and why -- behind the closed doors of the corridors of power. 'Budding diplomats and politicians should read it as avidly as their predecessors read Machiavelli' Douglas Hurd in the DAILY TELEGRAPH
'If you want to pay someone a compliment, give them Henry Kissinger's DIPLOMACY ... It is certainly one of the best, and most enjoyable [books] on international relations past and present ... DIPLOMACY should be read for the sheer historical sweep, the characterisations, the story-telling, the ability to look at large parts of the world as a whole'
Malcolm Rutherford in the FINANCIAL TIMES

Da Capo Graziana Lazzarino 1995-10
Da capo is designed to help intermediate Italian students expand their comprehension of grammar through coordinated readings that illustrate grammar in action.

Betrothed Alessandro Manzoni 1909

The Name of the Rose Umberto Eco 1994 In

1327, finding his sensitive mission at an Italian abbey further complicated by seven bizarre deaths, Brother William of Baskerville turns detective.

The Legend of the Lotus Emanuel G. Frank
1924

State Martyr Baldassare Scolari 2019-06 Der Politiker Aldo Moro wurde 1978 von der terroristischen Organisation "Rote Brigaden" entführt und getötet. Im Verlauf der Ereignisse stilisierten die Medien Moro zum "Staatsmartyrer". Der Band geht der hochaktuellen Frage nach, welche Rolle das ursprünglich christliche Konzept des Martyrers in der Spannung zwischen demokratischem Staat und Terrorismus spielt. Was leistet dieser Begriff aus der christlichen Antike im modernen gesellschaftspolitischen Diskurs? Welche Veränderungen hat der Terminus "Martyrer" in der Europäischen Religions- und Kulturgeschichte durchgemacht? Anhand von medialen Quellen zum Fall Moro wird eine wesentliche Phase der

nachkriegszeitlichen Politik in Italien rekonstruiert. Die Studie eröffnet einen interdisziplinär angelegten theoretischen Horizont, um die Rolle religiöser Motive im gesellschaftspolitischen Kontext zu verstehen. Sie bringt eine zentrale neue Dimension in die Sakularisierungsdebatte ein, bei der Sakularisierung als neue Konfiguration von Politik und Religion verstanden wird.

The Silent Duchess Dacia Maraini 2000-01-01 The stunning English translation of the International Man Booker Prize Finalist novel hailed as "a story of grace and endurance, not mere survival" (The New York Times Book Review). Winner of the Premio Campiello, short-listed for the Independent Foreign Fiction Award, and published to critical acclaim in fourteen languages, this "spellbinding" historical novel by one of Italy's premier authors is now available in this luminous new translation (Booklist). In early 18th century Sicily, noblewoman Marianna Ucria is trapped in a world of silence after a terrible

childhood trauma left her deaf and mute. Married off to a lecherous uncle, she struggles to educate and elevate herself against all convention—and find her true place in a world that sees her as little more than property. In language that conveys the keen vision and deep human insight possessed by her protagonist, Dacia Maraini captures the splendor and the corruption of Marianna's world, as well as the strength of her unbreakable spirit, in "one of those rare, rich, deep, strange novels that create a world so fantastic and so real you want to start reading it again as soon as you come to the last page" (Newsday).

On Tyranny Leo Strauss 1991 *On Tyranny* is Leo Strauss's classic reading of Xenophon's dialogue, *Hiero or Tyrannicus*, in which the tyrant Hiero and the poet Simonides discuss the advantages and disadvantages of exercising tyranny. This edition includes a translation of the dialogue, a critique of the commentary by the French philosopher Alexandre Kojève, Strauss's

restatement of his position in light of Kojève's comments, and finally, the complete Strauss-Kojève correspondence. "Through [Strauss's] interpretation Xenophon appears to us as no longer the somewhat dull and flat author we know, but as a brilliant and subtle writer, an original and profound thinker. What is more, in interpreting this forgotten dialogue, Strauss lays bare great moral and political problems that are still ours." —Alexandre Kojève, Critique "On Tyranny is a complex and stimulating book with its 'parallel dialogue' made all the more striking since both participants take such unusual, highly provocative positions, and so force readers to face substantial problems in what are often wholly unfamiliar, even shocking ways." —Robert Pippin, *History and Theory* "Every political scientist who tries to disentangle himself from the contemporary confusion over the problems of tyranny will be much indebted to this study and inevitably use it as a starting point."—Eric Voegelin, *The Review of Politics* Leo Strauss

(1899-1973) was the Robert Maynard Hutchins Distinguished Service Professor of Political Science at the University of Chicago.

Of Crimes and Punishments Cesare Bonesana
2006

Separate Rooms Pier Vittorio Tondelli 2004 Leo is an Italian writer in his thirties. Thomas, his German lover, is dead. On a plane to Munich, Thomas's home town, Leo slips into a reverie of their meeting and life in Paris, nights in Thomas's flat in Montmartre and a desperate, drug-induced flight through the forests of northern France that spells the end for Leo and Thomas' languid, erotic life together. Leo travels to find anonymity. Structured in three musical movements, *Separate Rooms* is a story of ideal love, broken by absence and separation. When Thomas was alive, he and Leo had separate rooms in order to preserve the urgency of their passion. Now, Leo faces solitude, the impossible striving of memory to recreate life and the hostility of a prejudiced world. *Separate Rooms*,

Tondelli's last book, is a powerful novel of the strength of love and the trauma of death. *Shotgun Lovesongs* Nickolas Butler 2014-03-11 NATIONAL BESTSELLER "Impressively original." —The New York Times "Sparkles in every way. A love letter to the open lonely American heartland...A must-read." —People "The kind of book that restores your faith in humanity." —Toronto Star Welcome to Little Wing. It's a place like hundreds of others, nothing special, really. But for four friends—all born and raised in this small Wisconsin town—it is home. And now they are men, coming into their own or struggling to do so. One of them never left, still working the family farm that has been tilled for generations. But others felt the need to move on, with varying degrees of success. One trades commodities, another took to the rodeo circuit, and one of them even hit it big as a rock star. And then there's Beth, a woman who has meant something special in each of their lives. Now all four are brought together for a wedding. *Little Wing*

seems even smaller than before. While lifelong bonds are still strong, there are stresses—among the friends, between husbands and wives. There will be heartbreak, but there will also be hope, healing, even heroism as these memorable people learn the true meaning of adult friendship and love. Seldom has the American heartland been so richly and accurately portrayed. Though the town may have changed, the one thing that hasn't is the beauty of the Wisconsin farmland, the lure of which, in Nickolas Butler's hands, emerges as a vibrant character in the story. Shotgun Lovesongs is that rare work of fiction that evokes a specific time and place yet movingly describes the universal human condition. It is, in short, a truly remarkable book—a novel that once read will never be forgotten.

The Risorgimento Revisited S. Patriarca
2011-12-16 Bringing together the work of a ground-breaking group of scholars working on the Italian Risorgimento to consider how modern

Il Prigioniero Universale Economica Pdf
upload Jason a Boyle

Italian national identity was first conceived and constructed politically, the book makes a timely contribution to current discussions about the role of patriotism and the nature of nationalism in present-day Italy.

The Baron in the Trees Italo Calvino 2017
"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The baron in the trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.

The Connectives Lloyd Humberstone 2011 In *The Connectives*, Lloyd Humberstone examines the

semantics and pragmatics of natural language sentence connectives (and, or, if, not), giving special attention to their formal behavior according to proposed logical systems and the degree to which such treatments capture their intuitive meanings. It will be an essential resource for philosophers, mathematicians, computer scientists, linguists, or any scholar who finds connectives, and the conceptual issues surrounding them, to be a source of interest.

La Secchia Rapita Alessandro Tassoni 1827

The Crowd Gustave Le Bon 1897

Noun+Noun Compounds in Italian Radimský

Jan 2015-12-28 This book investigates one concrete compounding pattern in present-day Italian within a larger overview of Italian compounding. Various accounts and classifications of Noun + Noun combinations in Italian are reviewed, with special focus on the status of the lexical integrity hypothesis. The author sets out to propose an integrated approach to the Noun + Noun compounding

Il Prigioniero Universale Economica Pdf
upload Jason a Boyle

pattern, rigorously based on large representative data sets that were extracted from the Italian web corpus ItWaC as both automatically and manually post-processed frequency lists. On the basis of such data, it is aimed to show the behaviour of various subtypes of Noun + Noun compounds. Starting out with the Bisetto-Scalise classification, the author carefully examines the status of coordinate compounds, ATAP compounds (i.e., the group comprising attributive and appositive structures) and subordinate compounds (comprising verbal-nexus and grounding compounds), discussing both theoretical and empirical implications of this classification scheme. Moreover, the original Bisetto-Scalise model is supplemented with further classification levels in order to capture specific compounding types such as relational (i.e. inherently trinominal) compounds. A major merit of the present study lies in the quantitative dimension of the data it deals with. In light of this data, the author emphasizes the gradient nature

of the traditional dichotomy between syntax and compounding. The book will thus appeal not only to the linguists interested specifically in Italian word-formation, but also to a larger community of scholars who seek a more general view of the word-formation phenomena.

Garibaldi Lucy Riall 2008-10-20 Giuseppe Garibaldi, the Italian revolutionary leader and popular hero, was among the best-known figures of the nineteenth century. This book seeks to examine his life and the making of his cult, to assess its impact, and understand its surprising success. For thirty years Garibaldi was involved in every combative event in Italy. His greatest moment came in 1860, when he defended a revolution in Sicily and provoked the collapse of the Bourbon monarchy, the overthrow of papal power in central Italy, and the creation of the Italian nation state. It made him a global icon,

representing strength, bravery, manliness, saintliness, and a spirit of adventure. Handsome, flamboyant, and sexually attractive, he was worshiped in life and became a cult figure after his death in 1882. Lucy Riall shows that the emerging cult of Garibaldi was initially conceived by revolutionaries intent on overthrowing the status quo, that it was also the result of a collaborative effort involving writers, artists, actors, and publishers, and that it became genuinely and enduringly popular among a broad public. The book demonstrates that Garibaldi played an integral part in fashioning and promoting himself as a new kind of “charismatic” political hero. It analyzes the way the Garibaldi myth has been harnessed both to legitimize and to challenge national political structures. And it identifies elements of Garibaldi’s political style appropriated by political leaders around the world, including Mussolini and Che Guevara.
