The Abyss Marguerite Yourcenar 1981-08 The story of the fate of two cousins in sixteenth century northern France. The younger, sixteen-year-old Henry Maximilian, has set out to become a soldier and a poet. The elder, twenty-two-year-old Zeno, has left the seminary to make himself an alchemist-philosopher.

Yoga Mala Sri K. Pattabhi Jois 2010-07-06 "One of the great yoga figures of our time, Sri K. Pattabhi Jois brought Ashtanga yoga to the West more than thirty years ago. Based on flowing, energetic movement coordinated with the breath, Ashtanga and the many forms of vinyasa yoga that grow directly out of it have become the most widespread and influential styles practiced today. Yoga Mala --a garland of yoga --is Jois's authoritative guide to Ashtanga. In it, he outlines the ethical principles and philosophy underlying the discipline, explains important terms and concepts, and guides the reader through Ashtanga's Sun Salutations and the subsequent primary sequence of forty-two asanas, or poses, precisely describing how to execute each position and what benefits each provides. It is a foundational work on yoga by a true master"--Publisher's description.

The Golden Thread Louis De Wohl 2002 As in his other popular novels, Louis de Wohl, with humility and deep religious conviction, takes us into the mind and heart of a saint, giving at the same time an enthralling picture of the era in which he lived. Here is a skillful weaving of the story of St. Ignatius Loyola's conversion and pilgrimage with the colorful and dangerous history of Spain and Italy in the early sixteenth century. The life of the very human, very great Basque nobleman who founded the Jesuit Order, makes for one of de Wohl's finest novels. Seriously wounded at the siege of Pamplona in 1521, Don Inigo de Loyola learned that to be a Knight of God was an infinitely greater honor (and infinitely more dangerous) than to be a Knight in the forces of the Emperor. Uli von der Flue, humorous, intelligent and courageous Swiss mercenary, was responsible for the canon shot which incapacitated the worldly and ambitious young nobleman, and Uli became deeply involved in Loyola's life. With Juanita, disguised as the boy Juan, Uli followed Loyola on a pilgrimage to the Holy Land to protect him, but it was the saint who protected Uli and Juan. Through Uli's eyes we see the surge and violence of the turbulent period in Jerusalem, Spain and Rome. Louis de Wohl has again created an exciting and spiritually inspiring novel for all readers of historical fiction.

Jesuit Kaddish James Bernauer, S.J. 2020-03-30 While much has been written about the Catholic Church and the Holocaust, little has been published about the hostile role of priests, in particular Jesuits, toward Jews and Judaism. Jesuit Kaddish is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the

Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree *Nostra aetate*. James Bernauer undertakes a self-examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation. Jesuit Kaddish demonstrates the way Jesuit hostility operated, examining Jesuit moral theology's dualistic approach to sexuality and, in the case of Nazi Germany, the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture. Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of *Nostra aetate*. This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as "Righteous Among the Nations" by Israel's Yad Vashem Holocaust Center. Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism, Catholic-Jewish relations, Jesuit history, and the history of anti-Semitism in Europe.

Old Testament Wisdom James L. Crenshaw 1998-01-01 When *Old Testament Wisdom* appeared in 1981, new perspectives on biblical theology, an increasing awareness of ancient Near Eastern texts resembling biblical wisdom, and an emerging interest in ethnic proverbs were mere intimations of what was to become a dramatic outpouring of scholarship on wisdom literature. In this expanded edition, James Crenshaw takes stock of the wealth of new material produced by contemporary interpreters. Liberation and feminists critics, scholars in comparative religion, specialists in devotional theology, and researchers exploring educational systems in the ancient Near East all have enriched our understanding of wisdom literature in recent years, and all receive insightful treatment in this new volume. Now as before, Crenshaw's *Old Testament Wisdom* is an invaluable asset for anyone wishing to understand the rich and complex legacy of wisdom literature.

Sadhana Anthony De Mello 1984-09-01 Christian Exercises in Eastern Form Truly a one-of-a-kind, how-to-do-it book, this small volume responds to a very real hunger for self-awareness and holistic living. It consists of a series of spiritual exercises for entering the contemplative state -- blending psychology, spiritual therapy, and practices from both Eastern and Western traditions. Anthony de Mello offers here an unparalleled approach to inner peace that brings the whole person to prayer -- body and soul, heart and mind, memory and imagination. In forty-seven exercises that teach things such as awareness of physical sensations, stillness, healing of hurtful memories, and consciousness of self and world, de Mello succeeds in helping all who have ever experienced prayer as difficult, dull, or frustrating. The essential key, he notes, is to journey beyond mere thought-forms and discover satisfying new depths in prayer from the heart. This allows for a greater sense of awareness amid silence, and disposes the one who prays to untold riches, spiritual fulfillment, and ultimately, a mystical experience of God-centeredness. Drawing on Scripture, as well as insights from Eastern and Western spiritual masters, the author has a unique appeal that transcends time, culture, and religious background. For many years a bestseller in the English language, *Sadhana* has now been translated into more than two dozen foreign languages. Readers the world over have eagerly received this sincere spiritual leader, who has led many toward the wealth of insight and spirit that dwells within them.

Dogma and Preaching Pope Benedict XVI 2011-01-01 Presents philosophies for preaching as drawn from Church dogmas, and stresses the three main principles of sound preaching -- dogma, scripture, and an understanding of the Church's contemporary situation.

The Formation of Christendom Christopher Dawson 2008 The renowned historian Christopher Dawson devoted his long and brilliant career to precisely the kind of historical research of which theologians and churchmen stand in great need, particularly if they are to meet the authentic demands of the ecumenical e

The Book of Proverbs R. N. Whybray 1972-09-28 This volume is part of The Cambridge Bible Commentary.

Shepherds and Fishermen Raniero Cantalamessa, OFM Cap 2020-11-15 Fr. Raniero Cantalamessa, OFM Cap, preacher to the papal household for over forty years, graciously accepted Pope Francis's invitation to lead a six-day retreat for the bishops of the United States in January 2019. Shepherds and Fishermen contains the reflections and meditations that guided this gathering, presented in an accessible format for groups and individuals seeking spiritual and ministerial inspiration. Shepherds and Fishermen lifts up the words of Mark 3:14: "He appointed twelve . . . that they might be with him and he might send them forth to preach." Reflections and meditations offered in lectio divina, homilies, and liturgies focus on what it means to "be with Jesus" while also "going forth to preach." Retreatants will reflect upon the ways their ministry is dependent upon both personal sanctification and pastoral activity. The twenty-six scripturally based and culturally relevant meditations make Shepherds and Fishermen an ideal companion for a self-directed retreat or a prolonged spiritual exercise. As Jesus's call to be shepherds of sheep and fishers of men is addressed to every baptized person, the wisdom shared in this book will be treasured by bishops, priests, deacons, religious, candidates, and seminarians, as well as laity who wish to deepen their spiritual lives.

The Three Ages of the Interior Life Reginald Garrigou-Lagrangé 2013-09-21 Volume One of the spiritual classic by the man who taught John Paul II theology at the Angelicum in Rome *Studies on the Second Part of the Book of Isaiah* Harry M. The Acts of the Apostles P.D. James 1999-01-01 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Sensus Fidei 2014

CLIO 1991

The Presentation in the Temple García Serrano Andrés 2012 Just as Luke 1U+20132 is an overture introducing the main topics of the composition, the distinctive features of Lk 2:22-39 are like a musical key indicating the correct interpretation of the different staves. JesusU+2019 disciples are presented in the light of JesusU+2019 presentation in order to fulfill a universal salvation which sometimes involves rejection. The presentation passage proves the narrative coherence of Luke-Acts and the unity between Jesus and his disciples. It has both christological and ecclesiological implications: the universal offer of salvation, which implies a rejection, affects not only Jesus but also his followers, the reader included, who is invited to configure himself with JesusU+2019 disciples in Luke-Acts and, ultimately, through them with Jesus Christ"--Ponfificium Institutum Biblicum web site.

Ethics in Ancient Israel John Barton 2014 Ethics in Ancient Israel is a study of ethical thinking in ancient Israel from around the eighth to the second century BC. The evidence for this consists primarily of the Old Testament/Hebrew Bible and Apocrypha, but also other ancient Jewish writings such as the Dead Sea Scrolls and various anonymous and pseudonymous texts from shortly before the New Testament period. Professor John Barton argues that there were several

models for thinking about ethics, including a 'divine command' theory, something approximating to natural law, a virtue ethic, and a belief in human custom and convention. Moreover, he examines ideas of reward and punishment, purity and impurity, the status of moral agents and patients, imitation of God, and the image of God in humanity. Barton maintains that ethical thinking can be found not only in laws but also in the wisdom literature, in the Psalms, and in narrative texts. There is much interaction with recent scholarship in both English and German. The book features discussion of comparative material from other ancient Near Eastern cultures and a chapter on short summaries of moral teaching, such as the Ten Commandments. This innovative work should be of interest to those concerned with the interpretation of the Old Testament but also to students of ethics.

Psychology and Religion Carl Gustav Jung 1960-09-10 Dr. Carl Gustav Jung, author of some of the most provocative hypotheses in modern psychology, describes what he regards as an authentic religious function in the unconscious mind. Using a wealth of material from ancient and medieval Gnostic, alchemistic, and occultistic literature, he discusses the religious symbolism of unconscious processes and the possible continuity of religious forms that have appeared and reappeared through the centuries. "These compact vigorous essays constitute Dr. Jung's most sustained interpretation of the religious function in individual experience."-Journal of Social Philosophy

Julian the Apostate Gaetano Negri 1905 Julian the Apostate by Perry Gaetano Negri, first published in 1905, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

On First Principles Origen 2013-12-09 Origen's On First Principles is a foundational work in the development of Christian thought and doctrine: it is the first attempt in history at a systematic Christian theology. For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. On First Principles is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth's trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: "Origen is the stone on which all of us were sharpened."

The Art of Purifying the Heart Tomás Spidlík 2010-05 We live in a technical society and we are used to thinking that everything that happens has an external cause, every movement an impetus from another force. The positivist psychologists have taught us that a child's soul is a tabula rasa, in which we will find only what other people will write there. Therefore society tries to indoctrinate us, in the good and bad senses of the word. Therefore, the human person is used to listening only to others, no longer pays attention to the inspirations of the heart, which come from the Spirit. It is a privilege of artists to have inspirations, but not exclusively. In the spiritual life everyone must be an artist and construct their own life under the guidance of the supreme Artist. As Saint Ignatius of Loyola said: It is not the richness of science which satisfies the soul, but feeling and tasting things from within. This Book deals with Prayer and Spiritual life, with the experience of Grace and Goodness, through discernment of evil and human passions in everyday experience. It is a beautiful and simple proposal to construct our spiritual life through Discernment and Prayer of the Heart

Theology Today International Theological Commission 2012 Since the Second Vatican Council, an exciting array of new theological voices, themes, and venues for reflection has emerged. This addresses the vital question of what exactly is Catholic theology. It considers basic perspectives and principles that characterise Catholic theology and offers criteria by which diverse theologies may be recognised as authentically Catholic.

The Way of Love Livio Melina 2006-01-01 In response to Benedict XVI's first encyclical, the Pontifical John Paul II Institute for Studies and Marriage and Family reflects, together with the Holy Father, on love. From the very beginning, the fundamental work of the Institute has been pursuing a deeper understanding of God's plan for marriage and family. In these twenty-five years various generations of students and professors, following the legacy of John Paul II, have been able to discover and communicate the beauty of the vocation for which all men have been created: the call to love. Twenty-six professors from the Institute's various sessions express what in their understanding are the main themes of the document, approaching the topics raised by the Holy Father with different theological and philosophical perspectives; by so doing they have highlighted the significance and fecundity of the lines of thought suggested by the Pope. This book is offered as a path towards a fuller understanding of the profundity and richness of the love with which God fills us and wants us to communicate in our turn.

Enciclopedia italiana di scienze, lettere ed arti: A-Z Istituto della Enciclopedia italiana 1933

Jesus, Symbol of God Roger Haight Already hailed as a landmark in contemporary Catholic theology, Jesus Symbol of God surveys scriptural data, the key moments in the development of doctrine, and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time. The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community, the decisive mediation of God's salvation -- or, in other words, the symbol of God.
