La Guerre Politique Raymond Marcellin 1985

Amatka Karin Tidbeck 2017-06-27 A LOCUS AWARD FINALIST ONE OF THE GUARDIAN'S BEST SCIENCE FICTION AND FANTASY BOOKS OF 2017 A surreal debut novel set in a world shaped by language in the tradition of Margaret Atwood and Ursula K. Le Guin. Vanja, an information assistant, is sent from her home city of Essre to the austere, wintry colony of Amatka with an assignment to collect intelligence for the government. Immediately she feels that something strange is going on: people act oddly in Amatka, and citizens are monitored for signs of subversion. Intending to stay just a short while, Vanja falls in love with her housemate, Nina, and prolongs her visit. But when she stumbles on evidence of a growing threat to the colony, and a cover-up by its administration, she embarks on an investigation that puts her at tremendous risk. In Karin Tidbeck's world, everyone is suspect, no one is safe, and nothing—not even language, nor the very fabric of reality—can be taken for granted. *Amatka* is a beguiling and wholly original novel about freedom, love, and artistic creation by a

captivating new voice.

Oathbringer Part 2 Brandon Sanderson 2019-08-29 This volume is the second half of the novel *Oathbringer*. In *Oathbringer*, the third volume of the Stormlight Archive series, humanity faces a new Desolation with the return of the Voidbringers, a foe whose numbers are as great as their thirst for vengeance. The Alethi armies commanded by Dalinar Kholin won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, and now its destruction sweeps the world and its passing awakens the once peaceful and subservient parshmen to the true horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that their newly kindled anger may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths the dark secrets lurking in its depths. And gradually realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations

of Roshar can put Dalinar's blood-soaked past aside and stand together and unless Dalinar himself can confront that past even the restoration of the Knights Radiant will not avert the end of civilization.

Guerre, la Ville et le Soldat (La) Jean-Louis Dufour 2002-02 La ville en temps de guerre a toujours constitué un objectif militaire dont le combattant répugnait naguère à s'emparer de vive force. Hoplite grec ou G'I américain : il préférerait se battre en rase campagne. Aujourd'hui, tout a changé. Le soldat doit désormais, dans l'urgence, rétablir ou imposer la paix en ville, assurer à tout prix la sécurité menacée des citadins. Demain, la paix sera urbaine ou elle ne sera pas. Ce livre raconte la marche commune de la guerre et de la ville au travers de mille exemples surprenants, de l'Antiquité à nos jours. Il narre d'incroyables histoires de sièges et de bombardements, de révoltes et d'insurrections où le courage, l'invention, la détermination des hommes impriment aux événements un caractère d'extraordinaire âpreté. Ancien attaché militaire au Liban, Jean-Louis Dufour a été chargé du suivi de la situation internationale à l'état-major des armées. Il s'est ensuite spécialisé dans l'étude des crises internationales et des conflits armés contemporains. Professeur associé à l'École militaire de Saint-Cyr, il enseigne dans divers instituts et universités français et étrangers. Il a notamment publié *La Guerre au XXe siècle* (avec Maurice Vaïsse) et *Les Crises internationales, de Pékin-1900 au*

Kosovo-1999.

Le cessez-le-feu Jean-Pierre Viala 1966

Ash Mary Gentle 2013-09-24 For the beautiful young woman Ash, life has always been arquebuses and artillery, swords and armour and the true horrors of hand-to-hand combat. War is her job. She has fought her way to the command of a mercenary company, and on her unlikely shoulders lies the destiny of a Europe threatened by the depredations of an Infidel army more terrible than any nightmare. Winner of the BSFA Award for best novel, 2000

Comprendre la guerre en Ukraine Jean-Luc Lefebvre

2022-09-08T00:00:00Z L'issue du conflit ne dépend pas seulement de l'obstination des dirigeants. Elle est largement conditionnée par la volonté des peuples et l'ardeur des combattants. Constitué de questions simples suivies de réponses courtes, « Comprendre la guerre en Ukraine » aborde quatre thèmes éclairant les tenants et aboutissants de cette guerre de haute intensité inédite en Europe depuis 1945. Tout d'abord, sont évoquées les racines historiques et géopolitiques du différent russo-ukrainien, ainsi que ses répercussions régionales et internationales. Ensuite, sont commentées les opérations militaires, de même que leurs tragiques conséquences humanitaires. Enfin, sont analysés les parcours et les personnalités de Vladimir Poutine et Volodymyr Zelensky, les principaux

protagonistes du conflit. En une centaine de pages, cet ouvrage essentiel apporte les clés de compréhension d'une guerre qui remet en cause le fragile équilibre géopolitique du continent européen et du monde.

Gagner la guerre Jean-Philippe Jaworski 2018

I'm Still Here Clélie Avit 2016-07-14 A modern-day Sleeping Beauty story of love and hope, perfect for fans of Jojo Moyes. 'A rare and beautiful novel' (Daily Mail) Elsa has been in a coma for five months. With all hope of reviving her gone, her family must face the devastating fact that it might be time to turn off her life support. What they don't know is that in the past few weeks Elsa has regained partial consciousness - she just has no way of telling them. Thibault is in the same hospital visiting his brother and, seeking a retreat, finds his way into Elsa's room. When he begins to talk to her, he doesn't realise she can hear every word - and that he is giving her a reason to wake up. And so begins a love story that might just save both their lives...

Letter to D Andre Gorz 2013-08-29 'You're 82 years old. You've shrunk six centimetres, you only weigh 45 kilos yet you're still beautiful, graceful and desirable' – so begins André Gorz's 'open love letter' to the woman he has lived with for 58 years and who lies dying next to him. As one of France's leading post-war philosophers, André Gorz wrote many influential books, but nothing he wrote will be read as widely or remembered as long as this

simple, passionate, beautiful letter to his dying wife. In a bittersweet postscript a year after *Letter to D* was published, a note pinned to the door for the cleaning lady marked the final chapter in an extraordinary love story. André Gorz and his terminally ill wife, Dorine, were found lying peacefully side by side, having taken their lives together. They simply could not live without one another. An international bestseller, *Letter to D* is the ultimate love story – and all the more poignant because it's true.

Fountain of Age Nancy Kress 2013-10-18 An award winning writer's latest collection of stories show us science fiction from unexpected vantage points.

Le cessez-le-feu Jean-Pierre Viala 1969

La guerre et ses mutations Jean Perré 1961

The Canons of Fantasy Patrick Moran 2019-12-05 Despite publishing endeavours such as the Ballantine Adult Fantasy Series in the 1970s and *Fantasy Masterworks* in the early 2000s, the canon of modern fantasy is still very much in flux. This *Element* examines four key questions raised by the prospect of a fantasy canon: the way in which canon and genre influence each other; the overwhelming presence of Tolkien in any discussion of the classics of fantasy; the multi-media and transmedia nature of the field; and the push for a more inclusive and diverse canon.

Cinema II Gilles Deleuze 2013-12-19 "The second volume of Gilles

Deleuze's landmark reassessment of the art of film, now available in the Bloomsbury Revelations series"--

Terrorisme Jean Bévalet 2009 Le terrorisme, fléau présent sur tous les continents de la planète, méthode de combat utilisée depuis les temps les plus reculés, constitue la plus grande menace du XXIe siècle. Si les moyens se sont modernisés, la méthode reste la même : il s'agit d'instaurer un climat de peur, de terroriser les populations pour faire aboutir une lutte souvent idéologique. La fin de la guerre froide a provoqué la disparition des blocs Est-Ouest et la rupture des équilibres traditionnels. Les nations occidentales ont joué pendant des années les apprentis sorciers et ne maîtrisent plus les combattants d'hier qu'ils ont formés et équipés. Les enjeux ont changé, et avec eux, les risques, leur gestion et leurs conséquences. Les attentats du 11 septembre 2001 ont été le prétexte à l'une des plus grandes manipulations de l'opinion publique mondiale par l'administration Bush quant à l'existence des armes de destruction massive. Au-delà de cette manipulation, y a-t-il un risque réel de subir une attaque nucléaire, bactériologique ou chimique ? Avons-nous les moyens de gérer un tel risque ? Existe-il une " internationale " du terrorisme ? Mais surtout, jusqu'où les terroristes sont-ils prêts à aller ?

Gagner la guerre Jean-Philippe Jaworski 2021-01-15

Niourk Stefan Wul 2018-02-13 On a post-apocalyptic Earth, where

mankind has regressed to a handful of primitive tribes hunting and foraging for a meager, oppressed existence, a lone black child, shunned by other members of his tribe, sets out on an epic journey to what used to be known as New York, land of the gods! Written by Stefan Wul, author of cult favorite *Fantastic Planet*, illustrated by acclaimed French comics artist Olivier Vatine, this unusual hero's journey is a memorable examination of a child's compassion -- and the human race's cruelty. • Post-apocalyptic sci-fi from the author of *Fantastic Planet*! • First time published in English! • Inspiring story, phenomenal artwork - European graphic novels at their finest! • Discover the mystery of the fate of Planet Earth!

La petite guerre Jean-Pierre Brès 18??

To Ride Hell's Chasm Janny Wurts 2003 Fantasy-roman.

The Complete Poems of Emily Dickinson Emily Dickinson 2010-09-08

The Complete Poems is especially refreshing because Dickinson didn't write for publication; only 11 of her verses appeared in magazines during her lifetime, and she had long-resigned herself to anonymity, or a "Barefoot-Rank," as she phrased it. This is the perfect volume for readers wishing to explore the works of one of America's first poets. Text refers to a previous edition of this title.

De Tannenberg à Verdun la Guerre Totale Jean-Pierre Deschodt

2017-04-01 Quand la guerre éclate, chacun des belligérants est convaincu

que le conflit sera court. Mais après la bataille de la Marne, la guerre s'enfonce. En quelques mois, de nouveaux belligérants entrent dans le conflit et les fronts s'étendent : la guerre n'est plus seulement européenne mais mondiale et même totale, nécessitant un véritable effort de guerre pour tous les pays.

War Jean-Marie Gustave Le Clézio

Prisonniers de guerre Jean-Pierre Laurens 1918

La Mère patrie 2021-02-12

Market-Driven Management Jean-Jacques Lambin 2012-07-19 Market-Driven Management adopts a broad approach to marketing, integrating the strategic and operational elements of the discipline. Lambin's unique approach reflects how marketing operates empirically, as both a business philosophy and an action-oriented process. Motivated by the increased complexity of markets, globalisation, deregulation, and the development of e-commerce, the author challenges the traditional concept of the 4Ps and the functional roles of marketing departments, focusing instead on the concept of market orientation. The book considers all of the key market stakeholders, arguing that developing market relations and enhancing customer value is the responsibility of every member of the organization, and that the development of this customer value is the only way for a firm to achieve profit and growth. New to this edition: - Greater coverage of

ethical issues and corporate social responsibility; cultural diversity; value and branding and the economic downturn - Broad international perspective - Thoroughly revised to reflect the latest academic thinking and research With its unique approach, international cases and complementary online resources, this book is ideal for postgraduate and upper level undergraduate students of marketing, and for MBAs and Executive MBAs.

La guerre ! La guerre !. Jean de La Hire 1939

Le sentiment du fer Jean-Philippe Jaworski 2017-04-06 « J'ai quand même un ragot à vous servir, et du lourd ! Figurez-vous que ce n'est point avec moi que les elfes ont commencé à grenouiller dans les affaires de l'État. Bien loin de là ! Il y a deux bons siècles déjà, au moment de l'Émancipation de Cidualia, ils nous ont joué un tour à leur façon. Et les marles en tâtent tellement pour la barabille que l'un d'entre eux, sans même pointer son joli minois dans notre belle cité, nous a tous jetés dans une sacrée flanche ! Jugez-en par vous-même. » En cinq nouvelles comme autant d'étapes dans l'histoire cruelle et tumultueuse du Vieux Royaume, le monde créé par Jean-Philippe Jaworski dans *Janua Vera* et *Gagner la guerre* – déjà des classiques de la fantasy.

Raising Stony Mayhall Daryl Gregory 2011-06-28 From award-winning author Daryl Gregory, whom Library Journal called “[a] bright new voice of the twenty-first century,” comes a new breed of zombie novel—a

surprisingly funny, vividly frightening, and ultimately deeply moving story of self-discovery and family love. In 1968, after the first zombie outbreak, Wanda Mayhall and her three young daughters discover the body of a teenage mother during a snowstorm. Wrapped in the woman's arms is a baby, stone-cold, not breathing, and without a pulse. But then his eyes open and look up at Wanda—and he begins to move. The family hides the child—whom they name Stony—rather than turn him over to authorities that would destroy him. Against all scientific reason, the undead boy begins to grow. For years his adoptive mother and sisters manage to keep his existence a secret—until one terrifying night when Stony is forced to run and he learns that he is not the only living dead boy left in the world.

Phraseology and Style in Subgenres of the Novel Iva Novakova

2019-09-09 This edited book represents the first cohesive attempt to describe the literary genres of late-twentieth-century fiction in terms of lexico-grammatical patterns. Drawing on the PhraseoRom international project on the phraseology of contemporary novels, the contributed chapters combine literary studies with corpus linguistics to analyse fantasy, romance, crime, historical and science fiction in French and English. The authors offer new insights into long-standing debates on genre distinction and the hybridization of genres by deploying a new, interdisciplinary methodology. Sitting at the intersection of literature and linguistics, with a

firm grounding in the digital humanities, this book will be of particular relevance to literary scholars, corpus stylists, contrastivists and lexicologists, as well as general readers with an interest in twentieth-century genre fiction.

La guerre introuvable Jean-Philippe Immarigeon 1997

Opération Kriegsspiele ou le Jeu de la guerre et du hasard Jean-Pierre Devillard 1990

The Ballroom Anna Hope 2016-09-06 A searing novel of forbidden love on the Yorkshire moors—“a British version of *One Flew Over the Cuckoo's Nest*” (The Times U.K.)—from the author of the critically acclaimed debut *Wake England, 1911*. At Sharston Asylum, men and women are separated by thick walls and barred windows. But on Friday nights, they are allowed to mingle in the asylum's magnificent ballroom. From its balconies and vaulted ceilings to its stained glass, the ballroom is a sanctuary. Onstage, the orchestra plays Strauss and Debussy while the patients twirl across the gleaming dance floor. Amid this heady ambience, John Mulligan and Ella Fay first meet. John is a sure-footed dancer with a clouded, secretive face; Ella is as skittish as a colt, with her knobby knees and flushed cheeks. Despite their grim circumstances, the unlikely pair strikes up a tenuous courtship. During the week, he writes letters smuggled to her in secret, unaware that Ella cannot read. She enlists a friend to read them

aloud and gains resolve from the force of John's words, each sentence a stirring incantation. And, of course, there's always the promise of the ballroom. Then one of them receives an unexpected opportunity to leave Sharston for good. As Anna Hope's powerful, bittersweet novel unfolds, John and Ella face an agonizing dilemma: whether to cling to familiar comforts or to confront a new world—living apart, yet forever changed. Praise for *The Ballroom* “The Ballroom successfully blends historical research with emotional intelligence to explore the tensions and trials of the human condition with grace and insight.”—New York Times Book Review “Part historical novel and part romance, *The Ballroom* paints an incredibly rich portrait of the mentally stable forced to live in an asylum. [Anna] Hope transports readers inside the asylum, to feel the thick humidity of the stale summer air of the day room, and the gritty and brutal reality inside those walls.”—Booklist “A compelling cast of emotionally resonant characters, as well as a bittersweet climax, render Hope's second novel a powerful, memorable experience.”—Publishers Weekly “Hope's writing is consistently beautiful. . . . Recommended for readers who enjoy historical fiction by Sarah Waters or Emma Donoghue.”—Library Journal “A beautifully wrought novel, a tender, heartbreaking and insightful exploration of the longings that survive in the most inhospitable environments.”—Sunday Express “The Ballroom has all the intensity and

lyricism of [Anna] Hope's debut, *Wake*. At its heart is a tender and absorbing love story.”—Daily Mail “Compelling and masterful . . . Anna Hope has proven once again that she is a luminary in historical fiction. . . . She delivers profound, poignant narratives that stir the emotions.”—Yorkshire Post “As with Hope's highly acclaimed debut novel, *Wake*, the writing is elegant and insightful; she writes beautifully about human emotion, landscape and weather.”—The Observer “A brilliantly moving meditation on what it means to be ‘insane’ in a cruel world . . . All the characters are vividly and sensitively drawn. . . . Deeply moving.”—The Irish Times

Sorcerer's Creed 2015

The Queen of the Tearing Erika Johansen 2014-07-08 “Call it *The Hunger Games of Thrones*. Erika Johansen's debut novel is a genre mashup: medieval fantasy meets dystopian future. . . . The setting, combined with Johansen's deft hand with character and plotting, really does work. . . . An addictive and enjoyable adventure. . . . The Tear is just as easy to get sucked into as Westeros or Hogwarts or Panem.” —USA Today Magic, adventure, mystery, and romance combine in this epic debut in which a young princess must reclaim her dead mother's throne, learn to be a ruler—and defeat the Red Queen, a powerful and malevolent sorceress determined to destroy her. On her nineteenth birthday, Princess Kelsea

Raleigh Glynn, raised in exile, sets out on a perilous journey back to the castle of her birth to ascend her rightful throne. Plain and serious, a girl who loves books and learning, Kelsea bears little resemblance to her mother, the vain and frivolous Queen Elyssa. But though she may be inexperienced and sheltered, Kelsea is not defenseless: Around her neck hangs the Tearling sapphire, a jewel of immense magical power; and accompanying her is the Queen's Guard, a cadre of brave knights led by the enigmatic and dedicated Lazarus. Kelsea will need them all to survive a cabal of enemies who will use every weapon—from crimson-caped assassins to the darkest blood magic—to prevent her from wearing the crown. Despite her royal blood, Kelsea feels like nothing so much as an insecure girl, a child called upon to lead a people and a kingdom about which she knows almost nothing. But what she discovers in the capital will change everything, confronting her with horrors she never imagined. An act of singular daring will throw Kelsea's kingdom into tumult, unleashing the vengeance of the tyrannical ruler of neighboring Mortmesne: the Red Queen, a sorceress possessed of the darkest magic. Now Kelsea will begin to discover whom among the servants, aristocracy, and her own guard she can trust. But the quest to save her kingdom and meet her destiny has only just begun—a wondrous journey of self-discovery and a trial by fire that will make her a legend . . . if she can survive.

La crise de juillet 1914 et l'Europe Jean-Paul Bled 2016-01-15 L'attentat de Sarajevo, le 28 juin 1914, contre François-Ferdinand, archiduc héritier d'Autriche-Hongrie, allume la mèche. Vienne y trouve aussitôt l'occasion de régler son différend avec la Serbie. Cette guerre restera-t-elle limitée ou va-t-elle s'internationaliser ? Voici une approche résolument historique sans négliger une certaine pluridisciplinarité avec des éclairages diplomatique, géographique, politique et littéraire. Ces travaux constituent un apport exceptionnel et novateur dans l'approche des prémices immédiates de la Guerre de 1914-1918.

La Grande guerre Jean-Pierre Verney 2014-02-06 A-t-on vraiment saoulé le soldat avant les assauts ? Pourquoi l'uniforme français ne pouvait-il être que bleu clair ? Que doit-on à Louis Adrian ? Pourquoi la guerre est-elle devenue mondiale ? Pourquoi tant de soldats avaient-ils une canne ? Jean-Pierre Verney, qui a permis l'ouverture du Musée de la Grande Guerre de Meaux en cédant plus de 20000 objets, allie le savoir d'un historien à une connaissance intime du conflit au quotidien. Il était donc la personne idéale pour répondre aux questions passionnantes que cette incroyable guerre continue de soulever. L'ouvrage aborde aussi bien le service postal, les toiles de camouflage, l'art des tranchées, le sport, la condition féminine que la Suisse, le Siam, les jardiniers de Salonique ou les troupes chinoises et russes envoyées en France.

À la guerre comme à la guerre Jean-Pierre Ponsin 2019-06-04T00:00:00Z
À quoi sert encore l'armée dans notre civilisation centrée sur le bien-être et le progrès ? Tel est le questionnement d'un jeune appelé post-soixante-huitard, pressé de faire son entrée dans la vie civile. L'auteur dévoile son expérience de bidasse et ses confessions qui le conduiront au fil du temps à concevoir l'armée sous le prisme de l'histoire des civilisations et de la géopolitique. Après son service militaire, Jean-Pierre Ponsin, Sciences Po et docteur en droit, a entrepris une carrière de banquier au contact avec le monde des affaires. Ce plaidoyer en faveur du rôle et de l'intérêt de l'armée dans le monde d'aujourd'hui est construit selon un cheminement dialectique entre guerre et paix.

Sarajevo Robert J. Donia 2006 Sheds new light on Sarajevo as a cosmopolitan gem deserving of a central role in the world's cultural, social, and political history

L'ours et le renard Michel Goya 2023 Depuis février 2022, chacun d'entre nous est bombardé d'informations sur la guerre en Ukraine. Des informations hachées, parcellaires, souvent contradictoires, dans

lesquelles on ne sait comment démêler le vrai du faux. Depuis son début, Michel Goya et Jean Lopez se concentrent sur ce conflit, le premier en tant que chroniqueur militaire pour une chaîne d'information continue, le second comme spécialiste de l'histoire militaire russe et soviétique. Tous deux ont décidé d'entamer un dialogue de plusieurs mois, en échangeant informations et analyses. L'ours et le renard est le résultat de ce long et passionnant échange au jour le jour. Précédés d'une indispensable introduction sur l'histoire longue de la relation russo-ukrainienne, cinq chapitres nous font pénétrer au cœur des combats, relevant les surprises (et elles n'ont pas manqué !), les forces les faiblesses, les bévues, les révélations et les nouveautés apportées par ce conflit qui a déjà fait plus de 350 000 victimes et mis le monde, et singulièrement l'Europe, sens dessus dessous. C'est littéralement les clés d'une Histoire qui se fait sous nos yeux que livrent Michel Goya et Jean Lopez, forts de leurs expériences complémentaires. Cet ouvrage est indispensable non seulement aux amateurs d'histoire militaire mais à tout citoyen désireux de comprendre l'énorme embrasement qui se produit à l'est et dont chacun craint que des flammèches viennent jusqu'à nous.
