Here is the inspiring story behind the Veterans Day red poppy, a symbol that honors the service

and sacrifices of our veterans. When American soldiers entered World War I, Moina Belle Michael, a schoolteacher from Georgia, knew she had to act. Some of the soldiers were her students and friends. Almost single-handedly, Moina worked to establish the red poppy as the symbol to honor and remember soldiers. And she devoted the rest of her life to making sure the symbol would last forever. Thanks to her hard work, that symbol remains strong today. Author Barbara Elizabeth Walsh and artist Layne Johnson worked with experts, primary documents, and Moina's great-nieces to better understand

Moina's determination to honor the war veterans. A portion of the book's proceeds will support the National Military Family Association's Operation Purple®, which benefits children of the US Military.

Pythias wanted to return to his elderly parents to say goodbye and arrange for their care. Dionysius laughed, not trusting that Pythias would return. **Proud as a Peacock, Brave as a Lion** Jane Barclay 2011-11-30 Much has been written about war and remembrance, but very little of it has been for young children. As questions come from a young grandchild, his grandpa talks about how, as a very young man, he was as proud as a peacock in uniform, busy as a beaver on his Atlantic crossing, and brave as a lion charging into battle. Soon, the old man's room is filled with an imaginary menagerie as the child thinks about different aspects of wartime. But as he pins medals on his grandpa's blazer and receives his

own red poppy in return, the mood becomes more somber. Outside, the crowd gathered for the veterans' parade grows as quiet as a mouse, while men and women – old and young – march past in the rain. A trumpet plays and Grandpa lays a wreath in memory of his lost friend. Just then, the child imagines an elephant in the mist. “Elephants never forget,” he whispers to his grandpa. “Then let’s be elephants,” says the old man, as he wipes water from his eyes and takes his grandson’s hand. Proud as a Peacock, Brave as a Lion has relevance to a growing number of families, as new waves of soldiers leave home.

To stand there—with absolute precision, in every type of weather, at every moment of the day, one in a line uninterrupted since midnight July 2, 1937—is the ultimate privilege and the most difficult post to earn in the army. Everything these men and women do is in service to the Unknowns. Their standard is perfection. *The Poppy Wife* Caroline Scott 2019-11-05 “A beautifully evocative reminder of what it means to come back from war and to face the age-old question of whether it is better to have survived or to have died. Highly recommended.”—Library

Journal, starred review In the tradition of Jennifer Robson and Hazel Gaynor, this unforgettable debut novel is a sweeping tale of forbidden love, profound loss, and the startling truth of the broken families left behind in the wake of World War I. 1921. Survivors of the Great War are desperately trying to piece together the fragments of their broken lives. While many have been reunited with their loved ones, Edie's husband Francis is still missing. As he travels through France gathering news for British wives and mothers, he searches for evidence his own brother is still alive. When Edie receives a mysterious photograph that she believes was taken by Francis, she is more certain than ever he isn't dead. Edie embarks on her own journey in the hope of finding some trace of her husband. Is he truly gone, or could he still be alive? And if he is, why hasn't he come home? As Harry and

Eddie's paths converge, they get closer to the truth about Francis and, as they do, are soon faced with the life-changing impact of the answers they discover. An incredibly moving account of an often-forgotten moment in history—those years after the war that were filled with the unknown—The Poppy Wife tells the story of the thousands of soldiers who were lost amid the chaos and ruins in battle-scarred France; and the even greater number of men and women hoping to find them again.
