***** SHE'S MORE THAN READY FOR HER CORNISH HOLIDAY... AND A LITTLE SOMETHING EXTRA? Every July, the lucky owners of Cornish holiday homes set off for their annual break. They close up their desirable semis in smartish London suburbs - having turned off the Aga and turned on the burglar alarm - and look forward to a carefree, restful, somehow more fulfilling summer. Clare is more than usually ready for her holiday. Her daughter, Miranda, is hitting adolescence bigtime, and her husband Jack is harbouring unsettling thoughts of a change in lifestyle. No wonder that Clare is contemplating a bit of extra-marital adventure, possibly with Eliot, the successful, heavy-drinking author in the adjoining holiday property. Unexpected disasters occur, revelations are made and, as the summer ends, real life will never be quite the same again...

While those with 'citizenship' enjoy basic human rights (like the right not to be detained without charge for more than 14 days), people seeking asylum can be suspended for years in Kafka-esque uncertainty. Here, poets and novelists retell the stories of individuals who have direct experience of Britain's policy of indefinite immigration detention. Presenting their accounts anonymously, as modern day counterparts to the pilgrims' stories in Chaucer's Canterbury Tales, this book offers rare, intimate glimpses into otherwise untold suffering.

The Cottage in a Cornish Cove Cass Grafton 2020-02-11 A heart-warming tale of discovering all you never wanted is exactly what you need. Orphaned as a baby and raised by uncaring relatives, much of Anna Redding's happiness as a child came from the long summer holidays spent with an elderly family friend, Aunt Meg, in the coastal village of Polkerran. With Aunt Meg's passing, Anna is drawn back to the West Country, relocating to the Cornish cove where she was once so happy. Filled with memories, she hopes to perhaps open a B&B—and perhaps cross paths with Alex Tremayne again, a local boy she used to have a major crush on and who only had to walk past Anna to make her heart flutter. Settling into her new life, and enjoying her work for the older, reclusive and—to be honest—often exasperating Oliver Seymour, Anna is delighted when Alex reappears in Polkerran and sweeps her off her feet. The stars finally seem to be aligned, but just as Anna thinks all she's ever wished for is within reach, a shock discovery brings everything under threat, and she discovers she's living a dream that isn't hers. Can Anna rescue the new life she has made for herself and, when the testing moment comes, will anyone be there to hold her hand? *The Cottage in a Cornish Cove* is the first in a series of uplifting romances from Cass Grafton. Get to know the warm and funny locals of Polkerran, wallow in the charm of a Cornish fishing village and fall in love with romance all over again.

Escape Artist Joseph McAleer 2020-07-31
The life of Sir Harry Perry Robinson (1859-1930) unfolds like a Boy's Own adventure. Born in India and educated at Oxford, Harry fled to the United States to make his name and fortune. After a stint in the gold mines of the American West, he became a major force in the railroad industry and helped to elect a U.S. President. Returning to England, Harry had a celebrated career as a book publisher (discovering the American author Jack London) and as a journalist for *The Times*, serving as the oldest correspondent during the First World War and going on to have one of the scoops of the century: the discovery of the tomb of Tutankhamun in 1923. Harry's incredible journey unfolds against the background of his equally adventurous and accomplished family. His father, Julian, was an Indian Army chaplain and newspaper editor. His aunt was a suffragette and personal friend of both Disraeli and Gladstone. Brother Philip was a dashing foreign correspondent, arrested as a spy during the Spanish-American War. Brother Edward ('Kay'), founder of the British Empire Naturalists' Association, gave Rudyard Kipling his first writing job. And troubled sister Valence was rumoured to end her days living in a barrel on a roadside in Bulawayo. From the White House to Buckingham Palace, the American West to the Western Front, the sands of Egypt to the shores of India, the board room to the bedroom, Harry was a master of reinvention, and each of the nine 'lives' he assumed allowed an 'escape' from one experience into the next. His innate wanderlust was both a blessing and a curse, but it made for a splendid adventure, and Harry's was a grand life lived in history's shadow.

The Constant Gardener John le Carré 2005-08-01 The Constant Gardener is a magnificent exploration of the new world order by New York Times bestselling author John le Carré, one of the most compelling and elegant storytellers of our time. The novel opens in northern Kenya with the gruesome murder of Tessa Quayle -- young, beautiful, and dearly beloved to husband Justin. When Justin sets out on a personal odyssey to uncover the mystery of her death, what he finds could make him not only a suspect among his own colleagues, but a target for Tessa's killers as well. A master chronicler of the betrayals of ordinary people caught in political conflict, John le Carré portrays the dark side of unbridled capitalism as only he can. In The Constant Gardener he tells a compelling, complex story of a man elevated through tragedy, as Justin Quayle -- amateur gardener, aging widower, and ineffectual bureaucrat -- discovers his own natural resources and the extraordinary courage of the woman he barely had time to love.

The Swordfish and the Star Gavin Knight 2016-06-02 The Penwith Peninsula in Cornwall is where the land ends. In The Swordfish and the Star Gavin Knight takes us into this huddle of grey roofs at the edge of the sea at the beginning of the twenty-first century. He catches the stories of a whole community, but especially those still working this last frontier: the Cornish fishermen. These are the dreamers and fighters who every day prepare for battle with the vast grey Atlantic. Cornwall and its seas are brought to life, mixing drinking and drugs and sea spray, moonlit beaches and shattering storms, myth and urban myth. The result is an arresting tapestry of a place we thought we knew; the precarious reality of life in Cornwall today emerges from behind our idyllic holiday snaps and picture postcards. Even the quaint fishermen's pubs on the quay at Newlyn, including the Swordfish and its neighbour the Star, turn out to be places where squalls can blow up, and down again, in an instant. Based on immersive research and rich with the voices of a cast of remarkable characters, this is an eye-opening, dramatic, poignant account of life on Britain's most dangerous stretch of coast. Praise for Hood Rat 'A gripping novelistic immersion' Louis Theroux 'A must-read' Owen Jones 'Britain's Gomorrah' Independent

Whereas other rail lines were closed gradually, the federal government closed down the railroad on March 29, 1957, for its failure to pay employee withholding taxes. The railroad went into bankruptcy in 1937 after its main shipping commodity, coal, was rapidly replaced by oil for home heat. Kut 1916: Courage and Failure in Iraq

Patrick Crowley 2009-11-17 The siege of Kut is a story of blunders, sacrifice, imprisonment and escape. The allied campaign in Mesopotamia began in 1914 as a relatively simple operation to secure the oilfields in the Shatt-al-Arab delta and Basra area. Initially it was a great success, but as the army pressed towards Baghdad its poor logistic support, training, equipment and command left it isolated and besieged by the Turks. By 1916 the army had not been relieved, and on 29 April 1916, the British Army suffered one of the worst defeats in its military history. Major-General Sir Charles Townshend surrendered his allied force to the Turks in the Mesopotamian (now Iraq) town of Kut-al-Amara. Over 13,000 troops, British and Indian, went into captivity; many would not survive their incarceration. In Kut 1916, Colonel Crowley recounts this dramatic tale and its terrible aftermath.

Mr. Penumbra's 24-Hour Bookstore

Robin Sloan 2012-10-02 The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr. Penumbra's 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they "check out" impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnomic Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers' behaviour and roped his friends into helping him figure out just what's going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry of Neal Stephenson or Umberto Eco, Mr. Penumbra's 24-Hour Bookstore is exactly what it sounds like—an establishment you have to enter and will never want to leave.
