Steps to Christ Ellen G. White 1892

Comentario de la epístola a los Filipenses Gordon Fee 2016-04-26 Con este comentario, Gordon Fee ha demostrado ser uno de los mejores comentaristas del Nuevo Testamento de nuestros días. Esta obra incluye una introducción en la que se trata el propósito y la autoría de la epístola, y otros aspectos relacionados con su contexto y trasfondo, y recoge importantes temas teológicos. A continuación, el minucioso comentario no solo intenta explicar lo que la epístola significó para los primeros lectores, sino que logra extraer aplicaciones relevantes para el día de hoy.

Hermenéutica: Entendiendo la palabra de Dios J. Scott Duvall 2011-05-01 Un libro fantástico y fácil de utilizar dirigido a lectores serios que deseen adentrarse en el mundo de la Biblia para entenderla mejor y vivirla fielmente en el mundo de hoy. ¿Cómo leer la Biblia? ¿Cómo interpretarla? ¿Cómo aplicarla? Este libro salva las distancias entre los acercamientos hermenéuticos que son demasiado simples y los que son demasiado técnicos. Empieza recogiendo los principios generales de interpretación para, después, aplicar esos mismos principios a los diferentes géneros y contextos, a fin de que el lector pueda entender el texto bíblico y aplicarlo a su propia situación. Duvall y Hays sugieren que los textos bíblicos no significan lo que el lector quiere. Los autores bíblicos tenían en mente un significado concreto, y Dios nos ha dado las herramientas necesarias para llegar a ese significado. Este libro contiene ejercicios prácticos que nos guían a través del proceso de interpretación tanto del Antiguo como del Nuevo Testamento, y hace un énfasis especial en la aplicación de las enseñanzas bíblicas a la vida real.

El evangelio según Juan Leon Morris 2016-04-26 De la mano de un reputado especialista, analiza el texto de forma detallada, deteniéndose a considerar el sentido general y todos sus detalles y exegéticos. Forma parte del New International Commentary of the N.T., considerado en el mundo anglófono como lo más serio y recomendable.

Manual del discipulado Gregory J. Ogden 2017-11-20 El Manual del discipulado puede usarse en un variado número de contextos (estudio personal, dos personas, tres personas, diez personas), pero sea cual sea el contexto, la persona clave es aquella que enseña. Las herramientas no son las que hacen a los discípulos. Dios obra a través de sus discípulos para que los que necesitan madurar tengan un modelo de lo que es la vida en Cristo. Los estudios más recientes en el campo de la enseñanza secular revelan que la presencia de un modelo sigue siendo la dinámica de aprendizaje más importante. En el desarrollo de la conducta humana, "la motivación de parecerse a una persona que admiramos" está por encima de la coacción y la recompensa. El nivel más bajo de aprendizaje es el de la sumisión o conformidad, cuando una persona controla a la otra. El segundo nivel es la identificación. Puede haber influencia porque existe el deseo de que la relación sea satisfactoria. El tercer nivel y el más alto es el de la interiorización, porque la conducta deseada se ha convertido de forma intrínseca en algo gratificante. Cuando se ofrece un modelo se crea un ambiente que afectará a los valores, las actitudes y la conducta. El Manual del discipulado está diseñado para ayudarle a influir en otros de la forma en que Jesús lo hizo: invirtiendo en unos pocos. Este manual ya se ha estado usando con mucho éxito en cientos de iglesias, beneficiando a multitud de personas.

The Gospel According to Jesus Christ José Saramago 1994-09-28 A fictional account of the life of Christ "illuminated by ferocious wit, gentle passion, and poetry"—from the Nobel Prize-winning author of *Skylight* (Los Angeles Times Book Review). For José Saramago, the life of Jesus Christ and the story of his Passion were things of this earth: a child crying, a gust of wind, the caress of a woman half asleep, the bleat of a goat or the bark of a dog, a prayer uttered in the grayish morning light. The Holy Family reflects the real complexities of any family, but this is realism filled with vision, dream, and omen. Saramago's deft

psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony, spirituality and irreverence. The result is nothing less than a brilliant skeptic's wry inquest into the meaning of God and of human existence. "Enough to assure [Saramago] a place in the universal library and in human memory."—The Nation "Fiction that engages the mind as well as the spirit."—Kirkus Reviews "Mixes magic, myth, and reality into a potent brew."—Booklist Praise for José Saramago "The greatest writer of our time."—Chicago Tribune "A literary master."—The Boston Globe "Saramago is the most tender of writers . . . With a clear-eyed and compassionate acknowledgment of things as they are, and a quality that can only be termed wisdom. We should be grateful when it is handed to us in such generous measure."—The New York Times "Saramago's fiction operates in a realm not far from fable: the territory of Kafka, Gogol, and Borges."—Los Angeles Times

The Purpose Driven Church Rick Warren 2007-09-04 Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

The Purpose-driven Life Rick Warren 2002 A Groundbreaking Manifesto on the Meaning of Life This book will help you understand why you are alive and God's amazing plan for you—both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose-Driven Life is a blueprint for Christian living in the 21st century—a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 Scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

Women in Ministry Bonnidell Clouse 2010-05-28 Should women teach men? Should they exercise authority over men? What about ordaining women? Even those who agree that Scripture must determine our answers do not agree on what it teaches. And too often differing sides have not been willing to listen to one another. Here in one volume are the views of four deeply committed evangelicals that focus the discussion on the issues. Robert Culver argues for what might be called the traditional view that women should not exercise authority over or teach men. Susan Foh suggests a modified view which would allow for women to teach but not to hold positions of authority. Walter Liefeld presents a case for plural ministry that questions ordination as a means of conferring authority. Alvera Mickelsen defends the full equality of men and women in the church. What makes this book especially helpful is that the writers all respond to the other essays, pointing out weaknesses and hidden assumptions.

Tres preguntas clave sobre Jesús Murray J. Harris 2016-04-26 Existió realmente Jesús? ¿Es Dios? ¿Resucitó de los muertos? Jesús es uno de los personajes más cuestionados y debatidos de la historia. Este

libro se adentra en las referencias históricas y bíblicas que prueban que la fe cristiana es auténtica, no un invento ni una locura.

Take Your Church's Pulse Tim Koster 2014-10-07 Take Your Church's Pulse presents ten vital signs of a healthy church—five key commitments and five key functions. It then introduces you to a church-health diagnostic tool you can apply to your setting. Thousands of pastors and leaders around the world have found this paradigm helpful in organizing the ministry and mission of the local church. This book and the free diagnostic tool it presents are most useful if accompanied by a healthy process of conversations. With such a process, led by the Spirit, this book can help you discern a preferred future for your community of faith. Koster and Wagenveld write: "A healthy community of faith is rooted first of all in the character and nature of God. It understands its mission and purpose in the world and organizes its life and work to be faithful and effective in its context. None of these vital signs stands alone. It is a combination of factors that together make up a faithful and fruitful organism, the living Church of our Lord Jesus Christ. There is no magic in the number ten, but for the teaching purposes it has worked quite well in different cultural contexts in providing ideas and a language for discussing important issues in congregational life and mission." The intended audience for this book is any pastor, leader, or church member who is interested in having healthy conversations with others to strengthen the local church.

Bible Doctrine Wayne A. Grudem 2014-10-28 How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

Discipulado que transforma Greg J. Ogden 2016-04-26 Greg Ogden habla de la necesidad del discipulado en las iglesias locales y recuperar el modelo de Jesús: invertir en un grupo pequeño de personas para que sus vidas sean transformadas y que así ellas puedan ayudar a otros a caminar hacia la madurez en Cristo
The Divine Conspiracy Continued Dallas Willard 2014-06-17 Dallas Willard, the author of the bestselling spiritual classic, The Divine Conspiracy, now fulfills his revolutionary vision of how the kingdom of God is made real on earth in this sequel, the last book he was working on before his recent death. In The Divine Conspiracy, revered Christian philosopher and scholar Dallas Willard critiqued the church's obsession with "sin management" and revolutionized our understanding of true Christian discipleship. Jesus is not a remote savior, waiting to welcome us into heaven after we die, Willard argued. He is a dynamic living force, a leader and teacher to whom we apprentice ourselves to learn the sacred skills God wants us to embrace, and to fulfill His son's vision when Christ declared that the "kingdom of God has come." In The Divine Conspiracy Continued, co-written with theologian Gary Black, Willard lays out the next stage in God's plan as this generation of disciples, including ordained and lay leaders, step into positions of authority across our culture and begin to transform the world from the inside out. To fulfill the Christian calling is not to remove oneself from the outside world and take shelter from its shortcomings, Willard reminds us, but to step into the world to lead and serve as agents of change.

Transitioning Dan Southerland 2010-12-21 A biblical look at how to steer a congregation in a new and exciting direction aligned with God's unique purpose for them. Transitioning is written to help church leaders and their congregations successfully navigate change and discover that the rewards far exceed the risk. Drawing principles from the book of Nehemiah, Southerland maps out an eight-step strategy for moving from being a traditional, ministry-driven church to a purpose-driven church. Transitioning illustrates practical,

field-tested concepts with examples from the Bible and Southerland's own experience. A detailed workbook section with fill-in-the-blanks, scripture passages, and action steps helps pastors and their leadership teams convert knowledge into reality.

The Kingdom Focused Church Gene Mims 2003-05-01 The Kingdom-Focused Church will give you everything you need to achieve your church's full potential—and relief from the smorgasbord approach that distracts you from the unique focus, nature, and mission of the church God has saved for you. You'll discover that success doesn't come from copying someone else's ideas or methods, but from knowing the biblical model of a church and understanding how to conform your church—regardless of size, location, resources, history, or any other variable—to that biblical pattern. Your answer is in knowing the biblical model of a church and understanding where you are, which direction you need to head, and how to fix things as they break down along the way. In Mims' warm, engaging style, he encourages you to discover for yourself why a Kingdom focus will work when all else fails.

The First Epistle of Peter Peter H. Davids 1990-08-07 The First Epistle of Peter constitutes an important work of New Testament theology and pastoral care, serves as an example of how the early church applied Jesus' sayings and the Old Testament writings to contemporary concerns, and presents some extremely useful perspectives on living the Christian life today. This commentary by Peter Davids does an excellent job of mining the rich wealth of instruction to be found in this very significant section of Scripture. Davids's commentary contains several notable features: a unique grasp of 1 Peter's structure, a systematically arranged introduction that summarizes the commentary proper, a perceptive excursus on suffering in 1 Peter and the New Testament, Davids's own study translation, thorough and incisive comments on each verse of the text, frequent parallels to ancient literature, an exceptionally clear and lively writing style, and one of the most comprehensive bibliographies on 1 Peter available anywhere.

What St Paul Really Said Tom Wright 2011-11-21 Paul has provoked people as much in recent times as he did when he was alive. Some regard him as a pestilent and dangerous fellow. Others think of him as the greatest teacher of Christianity after Jesus himself. In this book, leading theologian Tom Wright focuses on key areas of Paul's teaching, helping us to understand what he was doing and saying. He sweeps away the confusion of much modern theology to uncover the real man and his message.

Let the Nations be Glad JOHN PIPER 2020-05-21 Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

God Crucified Richard Bauckham 1999 God Crucified presents a new proposal for understanding New Testament Christology in its Jewish context. Using the latest scholarly discussion about the nature of Jewish monotheism as his starting point, Richard Bauckham builds a convincing argument that the early Christian view of Jesus' divinity is fully consistent with the Jewish understanding of God. Bauckham first shows that early Judaism had clear ways of distinguishing God absolutely from all other reality. When New Testament Christology is read with this Jewish context in mind, it becomes clear that early Christians did not break with Jewish monotheism; rather, they simply included Jesus within the unique identity of Israel's God. In the final part of the book Bauckham shows that God's own identity, in turn, is also revealed in the life, death, and

exaltation of Jesus. Originating as the prestigious 1996 Didsbury Lectures, this volume makes a contribution to biblical studies that will be of interest to Jews and Christians alike.

The Anatomy of Peace, The Arbinger Institute 2020-09-01 This phenomenal bestseller—over 525,000 copies

sold—expanded in a new third edition, explores how we often misunderstand the causes of our conflicts and shows us the paths to achieving true peace within ourselves and our relationships. In this day and age, perhaps there is nothing more important than knowing how to heal relationships that are breaking and how to maintain connections when people are pulling apart. So many of our conflicts seem unsolvable, but what if conflicts at home, at work, and in the world stem from the same root cause? What if we systematically misunderstand that cause? And what if, as a result, we unwittingly perpetuate the very problems we think we are trying to solve? This book unfolds as a story. Yusuf al-Falah, an Arab, and Avi Rozen, a Jew, each lost his father at the hands of each other's cousins. The Anatomy of Peace is the story of how they come together, how they help their warring parents and children come together, and how we too can find our way out of the personal, professional, and global conflicts that weigh us down. This expanded third edition includes diagrams and discussions that further explain some of the book's approaches, current research about key ideas, and how the transformation approach in the book relates to Arbinger's comprehensive organizational mindset-change process.

Discipleship Essentials Greg Ogden 2019-01-15 We grow in Christ as we seek him together. Jesus' own pattern of disciple-making was to be intimately involved with others. This expanded 25-session workbook by Greg Ogden, perfect for small groups or individuals, helps us influence others as Jesus did—by investing in a few. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

Transforming Discipleship Greg Ogden 2016-10-02 Greg Ogden recovers Jesus' method of accomplishing life change by investing in just a few people at a time. In this revised and updated edition Ogden sets forth his vision for transforming both the individual disciple and discipleship itself, showing how discipleship can become a self-replicating process with ongoing impact from generation to generation.

Discipling Mark Dever 2016-04-14 Before ascending to heaven, Jesus instructed his followers to "make disciples of all nations." But what does this command actually entail? What does it look like for Christians to care for one another's spiritual well-being and growth? In this introduction to the basics of discipling, veteran pastor and author Mark Dever uses biblical definitions and practical examples to show how Christians can help one another become more like Christ every day. The eighth volume in the 9Marks: Building Healthy Churches series, this short book explains how discipling should function in the context of the local church, teaching pastors and church leaders how to cultivate a culture of edification and growth in their congregations.

Lies Men Believe Robert D Wolgemuth 2018-09-18 "If there ever was such a thing as a 'shortcut' to the wisdom of the ages, you're holding it in your hands. This is the kind of wisdom that can only be earned over a lifetime of trial and error, trial and error, and, finally, trial and success." -Patrick Morley Author, The Man in the Mirror "In 2001, I wrote a book called Lies Women Believe. Since then this message has reached millions of women and been translated into dozens of languages. But I've often been asked about a 'male counterpart' to the book. When God brought Robert into my life in 2015, I soon realized he was the ideal choice to pen this message for men. You'll find that reading Lies Men Believe, with its warm, relatable style, is like having a conversation with a good friend. Be prepared, in the process, to grapple with some tough issues. And be prepared to experience the liberating power of the Truth—in your own life, and in the lives of those you influence." -Nancy DeMoss Wolgemuth Revive Our Hearts Teacher & Host; Lies Books Series Editor You are being hunted. Like a seasoned angler, our enemy opens his tackle box and selects the lure most likely to attract his intended prey—usually the one you and I are least likely to consider harmful. Each lie we bite on causes us to feel pain, lose or injure relationships, and miss out on the abundant life that God wants us to have. Lies Men Believe exposes the lies that men most commonly believe, and shows you how to combat those lies with the truth. Lies like: Pleasure and Entertainment Can Truly Satisfy Me If I Mean Well, That's Good Enough If I Discipline My Children, They'll Rebel. I'm Measured by How I Compare with Other Men. Find out how lies are holding you back from freedom, joy, and intimacy with God and others. Discover the power of the truth. Because once you fully embrace the truth, nothing is ever the same.

Basic Christianity John R. W. Stott 1958 World-renowned scholar and preacher John R.W. Stott embarks on a compelling course of study that first defends the fundamental claims of Christianity and then defines the proper overworkings of these basic beliefs in the daily lives of believers. Here is a sound, sensible guide for

those who are seeking an intellectually satisfying presentation of the Christian faith.

In His Steps Charles Monroe Sheldon 1984-11 This classic presents people seeking to change their community by pledging themselves to experiment for a whole year with the question, 'What would Jesus do?'

The Great Omission Dallas Willard 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to "make disciples of all the nations." But Christians have responded by making "Christians," not "disciples." This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. "The word disciple occurs 269 times in the New Testament," writes Willard. "Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God." Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

Jesús el Mesías Robert Harry Stein 2006-02-01 En una época en la que los críticos no cesan de publicar diferentes interpretaciones de Jesús (el revolucionario, el pacifista, el gran desconocido, y otras versiones influenciadas por nuestra mentalidad moderna), en Jesús el Mesías, Stein nos presenta al Jesús Bíblico. Uniendo su larga investigación sobre Jesús y los textos de los Evangelios, Stein nos ofrece un estudio tanto de las enseñanzas como de los acontecimientos más importantes de su vida. El estilo de escritura de este autor es muy claro y sus argumentos están muy elaborados, por lo que Jesús el Mesías es una fuente imprescindible

para todo aquel que tenga preguntas sobre la vida y el ministerio de Jesús.

The Christian Counselor's Manual Jay E. Adams 2010-09-21 The Christian Counselor's Manual is a companion and sequel to Dr. Jay Adams' influential Competent to Counsel, which first laid out a vision of "nouthetic" counseling—a strictly biblical approach to behavioral counseling and therapy. This practical guide takes the approach of nouthetic counseling introduced in the earlier volume and applies it to a wide range of issues, topics, and techniques in counseling, including: Who is qualified to be a counselor? How can counselees change? How does the Holy Spirit work? What role does hope play in therapy? What is the function of language in a counseling session? How do we ask the right questions? What often lies behind depression? How do we deal with anger? What is schizophrenia? These and hundreds more questions are answered and explained from a biblical perspective in this comprehensive resource for the Christian counselor. A full set of indexes, a detailed table of contents, and a full complement of diagrams and forms make this an outstanding reference book for and Christian counselor.

Predicando a Personas del S.XXI Stuart Briscoe 2008-08-25 "Hay personas que predicán durante una hora y parece que hayan pasado veinte minutos, y hay otras que predicán durante veinte minutos y parece que haya pasado una hora. ¿Por qué esa diferencia? Me he pasado toda la vida intentado responder a esta pregunta", afirma Haddon Robinson. ¿Qué podría ser más útil para pastores, maestros y miembros en general de las iglesias que un libro sobre la predicación, escrito por tres grandes y reconocidos predicadores? Éste es un libro muy útil para cualquier persona con ministerio. Su lectura le ayudará a entender el hecho en sí de la predicación, las tentaciones a las que el predicador se tiene que enfrentar, y cómo resistirlas. Le ayudará a conocer mejor a las personas para quienes predica semana tras semana, y a ver cuáles son sus necesidades. Le ayudará a enseñar sobre temas tan actuales como el dinero, el sexo y el poder. Este libro está escrito en lenguaje claro y cita ejemplos reales de las experiencias de estos tres grandes predicadores, lo cual facilita la comprensión de los conceptos que exponen. Bill Hybels es pastor de Willow Creek Community Church, en las afueras de Chicago, y es autor de libros como Conviértase en un cristiano contagioso, Liderazgo audaz y No tengo tiempo para orar. Stuart Briscoe es pastor de Elmbrook Church en una ciudad de Wisconsin. Haddon Robinson es presidente del Denver Theological Seminary y autor de La predicación bíblica.
