Legacy from the Stars Dolores Cannon 1996 We are children of the stars. This is our legacy and our heritage. In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious, and in *Legacy from the Stars* hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments -- inhabitants of other planets. After reading her latest book, you may agree that "we are all extraterrestrials," and Earth is merely a stop-over in our long adventure.

The Illusion of Us Matthew LaCroix 2016-02-21 In the Second Edition of *The Illusion of Us*, we travel down the rabbit hole of knowledge to uncover the secrets behind consciousness and the intelligent design behind reality itself. How did we become so lost and disconnected to the world and universe around us? Perhaps the answer can be found by understanding our multidimensional consciousness and true identity. Could humanity have complete amnesia of a past Golden Age due to cataclysms on Earth which wiped out most of the evidence from a lost time period? The renowned philosopher Plato leaves behind compelling evidence for this theory in both the *Timaeus* and *Critias*, linking the lost civilization of Atlantis and its destruction. It's time to finally discover all that we have forgotten and piece together the incredible history that preceded us. Were the gods of mankind simply myth or are we missing an important piece of the puzzle that connects all the way back to the stars... From the guarded writings of the Nag Hammadi Library to the cuneiform tablets of the Enuma

Elish and Atrahasis, *The Illusion of Us* connects the entire story and provides a way to free the shackles from Darwin's Cave. The truth will set you free.

Summary of Dolores Cannon's The Convoluting Universe - Book 2 Everest Media, 2022-03-26T22:59:00Z Please note:

This is a companion version & not the original book. Sample Book Insights: #1 I have traveled through time and space to explore the history of the past, and the possibilities of the future. I have visited unknown planets and dimensions, and spoken with many so-called alien species. I have discovered that everything is hidden in the recesses of the subconscious mind, and that it can be discovered and applied in our time. #2 I first became involved with reincarnation and past-life regression in 1968. My husband, Johnny, was career U. S. Navy for over twenty years, and had just returned from duty in Viet Nam. We were stationed in Texas and trying to return our lives to normal after a four year separation caused by the war. #3 1968 was a significant year in my life because it changed everything forever. My husband, Johnny, was almost killed in a horrendous automobile accident on his way to the Naval Base one night. He was hit head-on by a drunken driver, and mangled into the wreckage of our Volkswagen bus. The doctors said it was a miracle he lived, because his injuries were so extensive that he should have died. #4 I was glad to have the sanctuary of the hills as my retreat, as I was completely focused on my husband and the children. I had no idea where I would find clients in the hills of Arkansas, but I knew I wanted to do something with my life.

The Convoluted Universe - Book 5 Dolores Cannon 2015-09-10 Book Five in "The Convoluted Universe" series provides metaphysical information obtained through numerous subjects by hypnotic past-life regression. Seth Speaks (A Seth Book) Jane Roberts 2012-04-01 One of the most powerful of the Seth Books, this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential, and

the concept that we all create our own reality according to our individual beliefs. Having withstood the test of time, it is still considered one of the most dynamic and brilliant maps of inner reality available today. "The Seth books present an alternate map of reality with a new diagram of the psyche . . . useful to all explorers of consciousness." – Deepak Chopra "Seth was one of my first metaphysical teachers. He remains a constant source of knowledge and inspiration in my life." – Marianne Williamson "I would like to see the Seth books as required reading for anyone on their spiritual pathway. The amazing in-depth information in the Seth books is as relevant today as it was in the early '70s when Jane Roberts first channeled this material." – Louise Hay

Odyssey of the Soul, a Trilogy Pamela Chilton 1997 First in a trilogy, Book One presents extraordinary information gathered from the inner consciousness levels of the minds, bodies, and spirits of thousands of ordinary people. Knowledge gathered by the authors in their healing, motivational, and channeling work with and for others opens the mind and excites the spirit to the inherent abilities of the soul. Written simply, even complex subjects such as healing, hypnosis, re-incarnation, channeling, therapy, spirit possession, multiple personalities, inner children, astral matter, metaphysics, the soul, and Higher Self become clear and understandable. Personal stories add light, humor, motivation, and a sense all is possible and knowable. Presents a lighted path to self-mastery for the enlightenment of self and others, while succinctly outlining why the past is important to this path. Explains the dynamics of trauma, including childhood abuse, and how the mind stores, as well as buries,

trauma. Explains why memories - whether "false" or "real" - are important to healing and achieving personal and professional goals. Delineates the levels of the mind and spirit in a way that is meaningful to every day reality. Lures and keeps the interest of both beginners and experts in metaphysical studies, even as it brings forward information that enhances both mainstream and alternative healing. Miracles are explained, as well as why medications, surgery, prayer, guided imagery, visualizations, affirmations, hypnosis, herbs, and other healing aids sometimes do not work and what needs to be done so they will. It is a book written by experts who explain why no expert knows more about a person's mind, body, or spirit than that person's own mind, body, and spirit. Explains how such information can be accessed both in and out of trance states. Channeling is introduced in a manner that eliminates fear, dread, and foolhardiness. Parts of the book and all of chapter eight are written by LIGHT, which says it is The Light, the creator energy of The Creator of All That Is. Light outlines a plan for healing the earth, balancing nature, and enlightening humans. The plan is powerful and perfect for people of all religions and no religion. So ingenious is this plan, so simple, so positively focused, it could only have been written by a consciousness of light leading to the thought that if a consciousness of light does not lie, this must, indeed, be The Creator Light. Just knowing such a consciousness is present and active in the world lessens the rampart fear presently escalating naturally occurring earth changes. Most importantly, this book, as it makes clear how the mind creates, makes clear how prophecy works. It becomes understood prophecy is not for the ego of the prophet; it is for the good of the people. If one does

not like a prophecy, one has the ability and the right to positively shift the mental focus and physical actions in the present, which alters the future, thus nullifying the prophecy. Being created in the image of the Creator means we are spirit with will and the ability to choose what we will. A great prophet does not care about being right. A great prophet cares about doing right. Doing right is to warn and when the warning is heeded, the great prophet rejoices, knowing the prophecy will be rendered untrue. Book One explains how the mind truly works so the soul of one and the souls of many may alter the future to bring greater good and joy. *Keepers of the Garden* Dolores Cannon 1993 Dolores Cannon uses information obtained from regressive hypnosis to formulate a provocative viewpoint on the ancient astronaut theory of human origins. Her findings indicate that the earth was seeded eons ago by travellers from outer space. These visits by ancient extraterrestrials did not end with their intervention in human evolution. They have continued up to the present day resulting in a whole class of contemporary humans who have been subject to alien abduction.

The Three Waves of Volunteers and the New Earth Dolores Cannon 2011 Mind, Body, Spirit.

Five Lives Remembered Dolores Cannon 2009 THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing "normal" to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words "reincarnation, past-lives, regression, walk-ins, New Age" were unknown to the general population. This is the

story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, "How did you get started on all of this?" This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!

The Three Waves of Volunteers & the New Earth Dolores Cannon 2011 In 1945 when the atomic bombs were dropped

in WWII, our "protectors" and "watchers" in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the "Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012?

Bringers of the Dawn Barbara Marciniak 1992-12-01
Compiled from more than four hundred hours of channeling by Barbara Marciniak, *Bringers of the Dawn* imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

The Legend of Starcrash Dolores Cannon 1994-01 Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time. Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska-Canada region thousands of years ago? *Starcrash* indicates that aliens continued to come to Earth, some intentionally and by accident, throughout our history. In order to adjust to harsh conditions they were forced to interbreed with the local aborigines. This was the only way to insure the survival of their race.
