Magical Beginnings, Enchanted Lives Deepak Chopra, M.D. 2005-03-22 A much-needed antidote to our modern, assembly-line approach to childbirth, this new book is designed as a guide for all who wish to participate in the wondrous process of bringing new life into the world. Its ideas derive from two sources: the ancient wisdom of Ayurveda, with its emphasis on body, mind, and spirit, and the latest Western scientific prenatal research. By integrating the best information from these two very different perspectives, this remarkable book gives readers the tools to ensure that our children are nourished by thoughts, words, and actions from the very moment of conception. *Magical Beginnings, Enchanted Lives* is rich in practical information, including strategies to help enliven the body intelligence of unborn babies by nourishing each of their five senses, as well as through Ayurvedically balanced nutrition and eating with awareness. Specific yoga poses and meditation techniques reduce the mother's stress and improve the infant's emotional environment, as do tips for conscious communication with a partner. Exercises prepare parents for the experience of childbirth itself, followed by natural approaches to dealing with the first weeks of parenting, from healing herbs to enhancing your milk supply to coping with postpartum depression. Inspiring, expansive, and remarkably informative, this unique book from acclaimed experts in mind-body medicine will profoundly enhance the experience of pregnancy and birth for both parents and baby.

What Are You Hungry For? Deepak Chopra, M.D. 2013-11-12 The basis for the PBS Special, *What Are You Hungry For?* is the breakthrough book that can bring weight under effortless control by linking it to personal fulfillment in every area of a reader's life. After promoting this message worldwide for thirty years, bestselling author Deepak Chopra focuses on the huge problem of weight control in America with exciting new concepts. What are you hungry for? Food? Love? Self-esteem? Peace? In this manual for "higher health," based on the latest findings in both mainstream and alternative medicine, Deepak Chopra creates a vision of weight loss based on a deeper awareness of why people overeat - because they are trying to find satisfaction and wind up using food as a substitute for real fulfillment. Repudiating the failed approaches of crash dieting and all forms of deprivation, Chopra's new book aims directly at the problem of finding fulfillment. When that problem is solved, he argues, normal eating falls into place automatically, and the entire system of mind and body achieves what it really desires. "Everyone's life story is complicated, and the best intentions go astray because people find it hard to change," writes Chopra. "Bad habits, like bad memories, stick around stubbornly when we wish they'd go away. But you have a great motivation working for you, which is your desire for happiness. I define happiness as the state of fulfillment, and everyone wants to be fulfilled. If you keep your eye on this, your most basic motivation, then the choices you make come down to a single question: "What am I hungry for?" Your true desire will lead you in the right direction. False desires lead in the wrong direction." Wherever you are in life, this book will help point you in that right direction.

The Book of Secrets Deepak Chopra, M.D. 2005-09-27 "The Book of Secrets is the finest and most profound of Deepak Chopra's books to date. Want the answers to the secrets of life? Let me recommend that you start right here." —Ken Wilber, author of *A Brief History of Everything* We all want to know how to find a soul mate, what career would be most fulfilling, how to live a life with meaning, and how to teach our children well. We are looking for a personal breakthrough, a turning point, a revelation that brings with it new meaning. *The Book of Secrets*—a crystalline distillation of insights and wisdom accumulated over the lifetime of one of the great spiritual thinkers of our time—provides an exquisite new tool for achieving just that. Every life is a book of secrets, ready to be opened. The secret of perfect love is found there, along with the secrets of healing, compassion, faith, and the most elusive one of all: who we really are. We are still mysteries to ourselves, despite the proximity of these answers, and what we most long to know remains lodged deep inside. Because answers to the questions at the center of life are counterintuitive, they are often hidden from view, sequestered from our everyday gaze. In his ongoing quest to elevate our experience, bestselling author Deepak Chopra has isolated fifteen secrets that drive the narrative of this inspiring book—and of our lives. From "The World Is in You" and "What You Seek, You Already Are" to "Evil Is Not Your Enemy" and "You Are Truly Free When You Are Not a Person," *The Book of Secrets* is rich with insights. It is a priceless treasure that can transport us beyond change to transformation, and from there to a sacred place where we can savor the nectar of enlightenment.

Metahuman Deepak Chopra, M.D. 2019-10-01 Is it possible to venture beyond daily living and experience heightened states of awareness? Deepak Chopra says that higher consciousness is available here and now. "Metahuman helps us harvest peak experiences so we can see our truth and mold the universe's chaos into a form that brings light to the world."—Dr. Mehmet Oz, attending physician, New York-Presbyterian, Columbia University New York Times bestselling author Deepak Chopra unlocks the secrets to moving beyond our present limitations to access a field of infinite possibilities. How does one do this? By becoming metahuman. To be metahuman, however, isn't science fiction and is certainly not about being a superhero. To be metahuman means to move past the limitation constructed by the mind and enter a new state of awareness where we have deliberate and concrete access to peak experiences that can transform people's lives from the inside out. Humans do this naturally—to a point. For centuries the great artists, scientists, writers, and many so-called ordinary people have gone beyond the everyday physical world. But if we could channel these often bewildering experiences, what would happen? Chopra argues we would wake up to experiences that would blow open your body, mind, and soul. Metahuman invites the reader to walk the path here and now. Waking up, we learn, isn't just about mindfulness or meditation. Waking up, to become metahuman, is to expand our consciousness in all that we think, say, and do. By going beyond, we liberate ourselves from old conditioning and all the mental constructs that underlie anxiety, tension, and ego-driven demands. Waking up allows life to make sense as never before. To make this as practical as possible, Chopra ends the book with a 31-day guide to becoming metahuman. Once you wake up, he writes, life becomes transformed, because pure consciousness—which is the field of all

possibilities—dawns in your life. Only then does your infinite potential become your personal reality.

The Seven Spiritual Laws of Success Deepak Chopra 2009-04-20 BASED ON NATURAL laws which govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. In *The Seven Spiritual Laws of Success*, Deepak Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will want to read and refer to again and again.

War of the Worldviews Deepak Chopra, M.D. 2012-10-02 Two bestselling authors first met in a televised Caltech debate on “the future of God,” one an articulate advocate for spirituality, the other a prominent physicist. This remarkable book is the product of that serendipitous encounter and the contentious—but respectful—clash of worldviews that grew along with their friendship. In *War of the Worldviews* these two great thinkers battle over the cosmos, evolution and life, the human brain, and God, probing the fundamental questions that define the human experience. How did the universe emerge? What is the nature of time? What is life? Did Darwin go wrong? What makes us human? What is the connection between mind and brain? Is God an illusion? This extraordinary book will fascinate millions of readers of science and spirituality alike, as well as anyone who has ever asked themselves, What does it mean that I am alive?

Creating Affluence Deepak Chopra 1999-01 In *Creating Affluence* Deepak Chopra outlines simple steps and everyday actions that create wealth effortlessly and joyfully. Destined to be read and referred to again and again, this is a life-long companion, and perfect follow up to *The Seven Spiritual Laws of Success*. In this remarkable book lies the secret to creating affluence. Here you will discover that you are the dancer and the dance, the creator and the creation, and unlimited wealth is yours merely for the asking. According to Deepak Chopra, affluence is our natural state, and the entire physical universe with all its abundance is the offspring of an unbounded, limitless field of all possibilities. Now in *Creating Affluence*, he gently fosters the wealth consciousness needed to tap into this field and with clear and simple wisdom presents a step-by-step plan for creating affluence and fulfillment in all areas of life.

You Are the Universe Deepak Chopra, M.D. 2018-09-04 NEW YORK TIMES BESTSELLER • Deepak Chopra joins forces with leading physicist Menas Kafatos to explore some of the most important and baffling questions about our place in the world. “A riveting and absolutely fascinating adventure that will blow your mind wide open!” —Dr. Rudolph E. Tanzi What happens when modern science reaches a crucial turning point that challenges everything we know about reality? In this brilliant, timely, and practical work, Chopra and Kafatos tell us that we've reached just such a point. In the coming era, the universe will be completely redefined as a "human universe" radically unlike the cold, empty void where human life is barely a speck in the cosmos. You Are the Universe literally means what it says--each of us is a co-creator of reality extending to the vastest reaches of time and space. This seemingly impossible proposition follows from the current state of science, where outside the public eye, some key mysteries cannot be solved, even though they are the very issues that define reality itself: • What Came Before the Big Bang? • Why Does the Universe Fit Together So Perfectly? • Where Did Time Come From? • What Is the Universe Made Of? • Is the Quantum World Linked to Everyday Life? • Do We Live in a Conscious Universe? • How Did Life First Begin? “The shift into a new paradigm is happening,” the authors write. “The answers offered in this book are not our invention or eccentric flights of fancy. All of us live in a participatory universe. Once you decide that you want to participate fully with mind, body, and soul, the paradigm shift becomes personal. The reality you inhabit will be yours either to embrace or to change.” What these two great minds offer is a bold, new understanding of who we are and how we can transform the world for the better while reaching our greatest potential.

The Book Of Secrets Deepak Chopra 2009-01-19 Crafted with all the skills that have made his previous books bestsellers, *The Book of Secrets* will be essential reading for Deepak Chopra's huge number of followers worldwide, and also appeal to everyone searching for the meaning of life, and looking for answers to the questions: Who Am I? Where Did I Come From? and Why Am I Here? Each of the fifteen chapters discusses a 'secret' - such as: The World Is In You; Transformation Is Not The Same As Change; Death Is Conquered By Dying Every Day; Everything Is Pure Essence. Chopra believes that 'Every life is a book of secrets ready to be opened', and that the only way to discover the answers to these secrets is to delve inside yourself, and cease to be a mystery to yourself. Only by going to 'the still point inside' can you see life as it really is.

Spiritual Solutions Deepak Chopra, M.D. 2012-03-27 Life is full of challenges, both big and small. Spirituality is here to offer solutions. Over the course of his career as physician, teacher, and bestselling author, Deepak Chopra has received thousands of questions from people facing every kind of challenge. They have asked how to lead more fulfilling lives, how to overcome relationship problems and personal obstacles. What's the best way to deal with a passive-aggressive friend? Can a stagnant career be jump-started? In a world full of distractions and stress, how does one find time for meditation? Hidden among all of these questions are answers waiting to be uncovered. In this groundbreaking book, Chopra shows you how to expand your awareness, which is the key to the confusion and conflict we all face. “The secret is that the level of the problem is never the level of the solution,” he writes. By rising to the level of the solution in your own awareness, you can transform obstacles into opportunities. Chopra leads the reader to what he calls “the true self,” where peace, clarity, and wisdom serve as guides in times of crisis.

For Chopra, spirituality is primarily about consciousness, not about religious dogma or relying on the conventional notion of God. “There is no greater power for success and personal growth than your own awareness.” With practical insight, *Spiritual Solutions* provides the tools and strategies to enable you to meet life's challenges from within and to experience a sense of genuine fulfillment and purpose.

Overcoming Addictions Deepak Chopra, M.D. 1998-03-24 Praise for Deepak Chopra, M.D.: “A new medicine is in the making, one in which mind, consciousness, meaning, and intelligence play key roles. One of the architects of the new medicine is Dr. Chopra, a credentialed, respected physician who has 'paid his dues' as a modern doctor.” Larry Dossey, M.D., author of *Healing Words* “Deepak Chopra is being hailed as a modern-day Hippocrates for his novel approach of combining ancient healing traditions with modern research.” Irv Kupcinet, *Chicago Sun-Times* “We can't help wishing he lived close enough to make house calls.” Judith Hooper, *New York Times Book Review* “Dr. Chopra's writing has great beauty, great power, great delight, and much common sense” Courtney Johnson, author of *Henry James and the Evolution of Consciousness* “Dr. Chopra presents us with information that can help us live long, healthy lives.” Bernie Siegel, M.D., author of *Love, Medicine and Miracles*

Super Genes Deepak Chopra, M.D. 2017-02-07 The authors of the New York Times bestseller *Super Brain* present a bold new understanding of our genes and how simple changes in lifestyle can boost genetic activity. The leap into “radical well-being” is a promise waiting to be fulfilled. “You are not simply the sum total of the genes you were born with,” writes Deepak Chopra and Rudy Tanzi. “You are the user and controller of your genes, the author of your biological story. No prospect in self-care is more exciting.” Learning how to shape your gene activity is at the heart of this exciting and eagerly-anticipated book from the bestselling duo behind *Super Brain*, which became a nationwide hit on public television. For decades medical science has believed that genes determined our biological destiny. Now the new genetics has changed that assumption forever. You will always have the genes you were born with, but genes are dynamic, responding to everything we think, say, and do. Suddenly they've become our strongest allies for personal transformation. When you make lifestyle choices that optimize how your genes behave, you can reach for a state of health and fulfillment undreamed of even a decade ago. The impact on prevention, immunity, diet, aging, and chronic disorders is unparalleled.

Self Power Deepak Chopra 2013-06-06 From the man who has inspired millions of people to transform their lives and create their heart's desire comes his latest book on seeking and embracing the power source within. Deepak Chopra has made clear his conviction that it is within the potential of every human being to live an enriching, self-aware, magnificent life. But to reach that state of empowerment is a difficult task, calling for courage, will power and - often - guidance. In *Self-Power*, Chopra offers that guidance and encouragement, while inspiring his readers to take their lives into their own capable hands no matter what challenges they may confront, be they job loss, financial difficulties, relationship issues, health problems or spiritual questions.

The Ultimate Happiness Prescription Deepak Chopra 2017-06-22 Seven steps to lasting happiness. In *The Ultimate Happiness Prescription*, bestselling author and the world's leading figure in alternative medicine Dr Deepak Chopra show us how to be happy in spite of living in difficult or trying times. By looking through the lens of our contemporary understanding of consciousness, combined with Eastern philosophy, he has created a set of principles for living with ease. The result is an inspiring and instructive journey that leads to a prescription for living life mindfully, with a light heart and effortless spontaneity - a prescription only Dr Deepak Chopra could write. With the world in turmoil and more people than ever suffering from depressive episodes, Dr Chopra underlines the importance of keeping an eye on the positive aspects of life and finding ways to experience joy no matter what is happening to you. This remarkably clear and helpful book explains how to maintain an optimistic outlook and experience the benefits of having a happy heart and soul, no matter what the circumstances.

Golf for Enlightenment Deepak Chopra 2003 Deepak Chopra has discovered the delights--and frustrations--of golf, and he is passionate about the game. Confronted by the wild ups and downs of his own play, he consulted with golf professionals and developed a new approach to the game that any golfer can follow--from the novice to the expert. The results can be measured not only in increased enjoyment and skill, but also in greater wisdom about life beyond the 18th hole. Chopra's own game has improved dramatically since incorporating the elements of his program. Instead of focusing on the mechanics of a “perfect” swing, Chopra reveals how golf can be mastered through mindfulness, a form of awareness that combines sharp focus and relaxation at the same time. Expanded awareness, he tells us, can accomplish much more than external mechanics to improve one's game. But *Golf for Enlightenment* is also an engrossing story about Adam, an Everyman who is playing a terrible round of golf when he meets a mysterious young teaching pro named Leela. In seven short but profound lessons detailing spiritual strategies, she teaches Adam the essence of a game that has much to explain about life itself. Chopra has spent the last year taking the unique message in *Golf for Enlightenment* nationwide, teaching the essential tenets of his program at lectures and seminars to golfers everywhere. His message continues to help players turn an obsession into a positive life path.

Super Brain Rudolph E. Tanzi, Ph.D. 2013-10-22 A manual for relating to the brain in a revolutionary new way, *Super Brain* shows you how to use your brain as a gateway for achieving health, happiness, and spiritual growth. Two pioneers, bestselling author and physician Deepak Chopra and Harvard Medical School professor Rudolph E. Tanzi, one of the world's foremost experts on the causes of Alzheimer's, have merged their wisdom and expertise for a bold new understanding of the “three-pound universe” and its untapped potential. In contrast to the “baseline brain” that fulfills the tasks of everyday life, Chopra and Tanzi propose that, through a person's increased self-awareness and conscious intention, the brain can be taught to reach far beyond its present limitations. “We are living in a golden age for brain research, but is this a golden age for your brain?” they ask. *Super Brain* explains how it can be, by combining cutting-edge research and spiritual insights, demolishing the five most widespread myths about the brain that limit your potential, and then showing you methods to: -Use your brain instead of letting it use you -Create the ideal lifestyle for a healthy brain -Reduce the risks of aging -Promote happiness and well-being through the mind-body connection -Access the enlightened brain, the gateway to freedom and bliss -Overcome the most common challenges, such as memory loss, depression, anxiety, and obesity Your brain is capable of incredible healing and constant reshaping. Through a new relationship with your brain you can transform your life. In *Super Brain*, Chopra and Tanzi guide you on a fascinating journey that envisions a leap in human evolution. The brain is not just the greatest gift that Nature has given us. It's the gateway to an unlimited future that you can begin to live today.

Grow Younger, Live Longer Deepak Chopra 2001 Human aging is reversible. *Grow Younger, Live Longer* is a complete manual for renewal. In these pages you will find a simple, practical, step-by-step program for reversing aging. At the heart of the book are ten steps, each of which is supported by three daily actions. Learn how to maintain a youthful mind, cultivate flexibility, reawaken sexual energy, strengthen your immune system, nourish your body, change your perceptions, and enjoy restful awareness and restful sleep. By integrating the book's insights and practices into your daily life, you will notice immediate improvements in your physical and emotional well-being. As you begin to reverse your biological age, you will find yourself increasingly able to reclaim the gifts of your birthright by tapping into your inner reservoir of unlimited energy, creativity, vitality, and love.

Quantum Healing Deepak Chopra 2010-10-31 This is an extraordinary new approach to healing by an extraordinary physician-writer - a book filled with the mystery, wonder, and hope of people who have experienced seemingly miraculous recoveries from cancer and other serious illnesses. Dr Deepak Chopra, a respected New England endocrinologist, began his search for answers when he saw patients in his own practice who completely recovered after being given only a few months to live. In the mid-1980s he returned to his native India to study Ayurveda, humanity's most ancient healing tradition. Now he has brought together the current research of Western medicine, neuroscience, and physics with the insights of Ayurvedic theory to show that the human body is controlled by a 'network of intelligence' grounded in quantum reality. Not a superficial psychological state, this intelligence lies deep enough to change the basic patterns that design our physiology - with the potential to defeat cancer, heart disease, and even aging itself. In this inspiring and pioneering work, Dr Chopra offers us both a fascinating intellectual journey and a deeply moving chronicle of hope and healing.

Fire in the Heart Deepak Chopra 2008-06-23 A fifteen-year-old boy is walking through a swirling

fog on his way to school when a voice calls out, "Come here. We need to talk." Out of the mist emerges an old man with a white beard. He is a fantastic figure, as wizardly as Merlin, as wise as Socrates, as peaceful as Buddha. Whoever he is, the old man has appeared on that very day to change the boy's life. "You are old enough to learn about things," he says mysteriously. "And who is going to teach you but me?" The old man gives the boy four days of "soul training," a time of riddles, tricks, parables, and incredible twists that brings out surprising answers to each of four burning questions about spirituality: Do I have a soul? How do wishes come true? What is the supreme force in the universe? How can I change the world? "The old man with the white beard showed me the spiritual side of life," writes Deepak Chopra, "where real passion and excitement come from. So before you begin, take a deep breath. This story could turn out to be yours."

Life After Death Deepak Chopra, M.D. 2008-09-16 What happens to the spirit after the body dies? In *Life After Death*, Deepak Chopra draws on cutting-edge scientific discoveries and the great wisdom traditions to provide a map of the afterlife. He tells us there is abundant evidence that "the world beyond" is not separated from this world by an impassable wall; in fact, a single reality embraces all worlds, all times and places. "A must-read for everyone who will die." —Candace B. Pert, Ph.D., author of *Molecules of Emotion* "A penetrating and insightful investigation into the greatest mystery of existence. This is an important book because only by facing death will we come to a deeper realization of who we are." —Eckhart Tolle, author of *A New Earth* and *The Power of Now* "If I had any doubts about the afterlife, I don't have them anymore. Deepak Chopra has cast his inimitable light on the darkened corners of death. I think this is his greatest contribution yet." —Marianne Williamson, author of *The Age of Miracles* and *The Gift of Change*
