Cold Seoul Chiara Graziano 2020-06-26 Kim Hana ama la città in cui è nata e cresciuta, Seoul, ma non può tollerare una delle sue caratteristiche: il freddo che imprigiona la città e i suoi abitanti durante l'inverno, perché, essendo lei molto fragile, prende sempre il raffreddore. Il freddo, tuttavia, si addice perfettamente alla sua personalità, visto che Hana è schiva, non ama il contatto fisico e ha pochi amici. Kim Namsoon è il vicino di casa di Hana. I due hanno vissuto nello stesso edificio per anni, ma solo la persistente tosse della ragazza li farà incontrare. Un inizio romantico, vero?

**Il Segnalibro** Nicoletta Giovenco 2022-08-08 Agnese e Nicolò hanno un legame speciale, sono nipote e nonno che vivono un rapporto di affinità e confidenza unico. Nicolò è un librario che con l'amore per la letteratura, la curiosità e l'attenzione per gli avventori del suo locale le insegna a non fermarsi mai alle apparenze, ad andare in profondità. "Il segnalibro", così si chiama la libreria che vende anche testi di seconda mano in cui Nicolò va alla ricerca delle tracce di vita dei lettori, con il suo retrobottega diventa per questa bambina un luogo di appartenenza privilegiato da cui impara ad immaginare le vite segrete degli altri e a cui ritorna da adulta per ritrovarsi bambina insieme

al nonno. Nella storia delle loro vite si dispiega il racconto di un amore e di un'amicizia segreta che Nicolò decide di rivelarle per farle conoscere l'esistenza di forme d'amore diverse e parallele che, anche in modo contraddittorio, lo sosterranno per tutta la sua vita. Lucia, che da bambina giocava con lui nel loro quartiere, è la donna che ritrova da adulto quando le loro vite hanno già preso una direzione e con la quale costruisce una fortezza in cui rintanarsi per trovare conforto e complicità. L'amore per Lucia accompagna le esistenze di entrambi e si svela agli occhi di Agnese nel tempo della sua crescita di donna e di madre. Scopre di essere stata testimone inconsapevole di una trama familiare nascosta della quale diventa custode e beneficiaria.

Federico Fellini Tullio Kezich 2007-03-06 A lively and authoritative journey into the world of a cinema master With the revolutionary 8 1/2, Federico Fellini put his deepest desires and anxieties before the lens in 1963, permanently impacting the art of cinema in the process. Now, more than forty years later, film critic and Fellini

confidant Tullio Kezich has written the work by which all other biographies of the filmmaker are sure to be measured. In this moving and intimately revealing account of a lifetime spent in pictures, Kezich uses his friendship with Fellini as a means to step outside the frame of myth and anecdote that surrounds him—much, it turns out, of the director's own making. A great lover of women and a meticulous observer of dreams, Fellini, perhaps more than any other director of the twentieth century, created films that embodied a thoroughly modern sensibility, eschewing traditional narrative along with religious and moral precepts. His is an art of delicate pathos, of episodic films that directly address the intersection of reality, fantasy, and desire that exists as a product of mid-century Italy—a country reeling from a Fascist regime as it struggled with an outmoded Catholic national identity. As Kezich reveals, the dilemmas Fellini presents in his movies reflect not only his personal battles but those of Italian society. The result is a book that explores both the machinations of cinema and the man who most grandly embraced the full spectrum of its possibilities, leaving his indelible mark on it forever.

The Quest for Stability R. Ahmann 1993 With the end of the Cold War, Europe stands at the crossroads. Today's quest is for a new security order which will provide lasting stability. After the First World War, and again after the Second World War the Western European states faced a similar problem. Many of our present problems have historical roots. The book examines the security policies developed after each of the two world wars. It asks what ideas shaped them and what difficulties they faced. Continuities and discontinuities are traced. Particular attention is paid to the question of how Western Europe achieved a new stability in the 1950s. This volume brings together the work of twenty historians from eight countries. It deals with foreign policy, political and economic challenges,

the impact of new military technologies and strategies, and the aims of the peace movement and the trade unions.

Zanardi Andrea Paziienza 2017-05-31 In this graphic novel, presented in English for the first time, the Italian "Crumb" portrays a lost generation of late 1970s/early 1980s teenagers coping with family problems, school, sex, and drugs. A true visionary, with a fluid line and an uncanny sense of color and composition, Paziienza's innovative graphic style served up stories that were iconoclastic, outrageous, humorous, and deeply personal, often based on himself and his microcosm of friends and collaborators. Paziienza was a revolutionary cartoonist who ushered an underground sensibility to Italian and European comics, breaking from the more staid tradition of genteel adult (and children's) graphic albums.

**Parity of the Sexes** Sylviane Agacinski 2001 Agacinski's articulation of the theory of "parity" helped inspire a law that went into effect in May 2000 requiring France's political parties to fill 50 percent of the candidacies in every race with women. Agacinski's model of parity does not strive for the nebulous ideal of "equality" between the sexes; instead, it demands a concrete formula for political contests: an equal number of female and male candidates in every election. This theory that has sparked impassioned debate across France and around the globe.

**Psychoanalysis Listening to Love** Simonetta Diena 2018-04-19 This book is about love, about how we fall in love and why we fall in love, and about how much we suffer if unable to love or be loved. The need to love and be loved can be read as the prototype of every human need and every relationship between human beings. To be loved is wishing to be seen, known, recognised for what we are in our deepest and most hidden inner self, in our wildest desires to live and be free. It is a need for knowledge, gratefulness and recognition. Literature, cinema and our very experience of life tell us about it. By listening to love, can psychoanalysis add anything further and new to what has already been said by culture, art and by our life experiences? In psychoanalysis, the events of love can be understood by going back to the most primitive forms of human relationships, that is, to the earliest childhood experiences.

*Revolting Prostitutes* Molly Smith 2018-11-06

How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In *Revolting Prostitutes*, sex workers Juno

Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.
