Of Sondry Folk R. M. Lumiansky 2014-08-19 Two hundred years before Shakespeare observed that "all the world's a stage," another writer with a flair for drama realized the same fact. This writer was Geoffrey Chaucer. Chaucer, however, presented his dramatic efforts through the medium of short stories, and he is regularly referred to as one of the world's great storytellers. Yet there are certain questions which arise time and again in the minds of literary scholars. Most of the tales in the Canterbury collection are excellent, but why did Chaucer include such obviously poor recitals as the dull "Melibeus" and the lengthy "Parson's Tale"? Did he fail to recognize their lack of literary merit? Or were those of his stories which seem so dull to modern readers really popular in fourteenth-century England? Of *Sondry Folk* is Lumiansky's answer to such questions. But it is more than that. It is the revelation of Chaucer as dramatic writer. Chaucer, says Lumiansky, did not intend primarily to tell a series of good tales. Instead, he chose tales which suited his purpose of dramatic exposition of character. And the characters, though drawn from many walks of life, are not stereotypes. Their tales not only disclose what the Pilgrims think of themselves but reveal these Pilgrims as they really are—dull, romantic, egotistical, pious, or lustful. Not all readers will agree with Lumiansky's conclusions in this book. But his scholarship, his clear, uninvolved prose, and his wit and frankness make of it an excellent handbook for the student of the Canterbury Tales. *Of Sondry Folk* will increase the enjoyment and understanding of Chaucer's art for any reader, lay or scholarly.

Promoting Nonviolence in Early Adolescence Aleta L. Meyer 2000-07-31 "RIPP provides young people with new ways to respond to conflict. Using the acronym RAID, the students are taught four types of nonviolent options: Resolve, Avoid, Ignore, and Diffuse. By teaching that they have other choices in any conflict, the idea that "fighting" is a necessary response to an insult or a conflict is dispelled. RIPP also teaches the need for everyone to accept differences, to affirm those with whom they come in contact, and not to engage in "put downs" of others."--BOOK JACKET.

Power Negotiating for Salespeople Roger Dawson 2019-01-01 Master negotiator Roger Dawson turns his attention to the person on the other side of the desk--the salesperson who's trying to close a deal with the most favorable terms. The goal of most negotiations is to create a win-win situation. Imagine if you could win every negotiation and leave the other person feeling like he or she has won too? This book teaches you how to be the power sales negotiator who can do exactly that. You will always come away from the negotiating table knowing that you have won and that you have improved your relationship with your buyer. Roger Dawson gives salespeople an arsenal of tools that can be implemented easily and immediately. In addition, he shows salespeople how to: Master the nine elements of power that control negotiating situations Ask for more than you expect to get Negotiate with individuals from other cultures Analyze personality styles and adapt to them Master the 24 power closes Power Negotiating for Salespeople is not a dull, dry treatise full theory. Nor is it a handbook of tricks and scams meant to manipulate others. It is the most complete book ever written specifically for salespeople about the process of negotiation and will enable any salesperson to take a quantum leap in sales. Praise for Dawson's Books: "I can't believe it! Here's a book that is packed with wisdom that will help anyone improve their life and yet it is easy and fun to read! Reading-Writing Connections Mary F. Heller 1999-04 Reading-Writing Connections: From Theory to Practice is an extraordinary language arts methods text that enables elementary and middle school teachers to create classroom environments where all students can become lifelong readers and writers. Focusing on developmentally appropriate methods and materials, this remarkably readable book empowers a new generation of teachers to integrate reading, writing, listening, and speaking in K-8 classrooms. Heller's highly accessible writing style makes this book suitable as a primary text for undergraduate and graduate courses in language arts, reading, writing, and literacy. Special features of this second edition include: * a vision of how to transform cutting-edge theory and research into classroom practice that utilizes integrated language arts instruction; * a unique developmental perspective with separate chapters on teaching methods and materials for kindergarten, primary (1-3), intermediate (4-6), and middle grades (7-8); * instructional guidelines that offer generous, detailed suggestions for applying theory to practice, plus "For You to Try" and "For Your Journal" exercises that encourage critical thinking and reflection; and * a wealth of classroom vignettes, examples of students' oral and written language, illustrations, and figures that accentuate interesting and informative theory, research, and practice. In addition, Reading-Writing Connections offers expanded content on the impact of sociocultural theory and the whole language movement on the teaching of reading and writing across the curriculum; greater emphasis on cultural diversity, including new multicultural children's literature booklists that complement the general children's literature bibliographies; and current information on alternative assessment, emerging technologies, the multiage classroom, reader response to literature, and thematic teaching.

In Dark Alleys the Role Playing Game

Someone Comes to Town, Someone Leaves Town Cory Doctorow 2018-05-22 The repackaged

trade paperback of Cory Doctorow's miraculous novel of family history, Internet connectivity, and magical secrets—now with a new cover! Alan is a middle-aged entrepreneur who moves to a bohemian neighborhood of Toronto. Living next door is a young woman who reveals to him that she has wings—which grow back after each attempt to cut them off. Alan understands. He himself has a secret or two. His father is a mountain, his mother is a washing machine, and among his brothers are sets of Russian nesting dolls. Now two of the three dolls are on his doorstep, starving, because their innermost member has vanished. It appears that Davey, another brother who Alan and his siblings killed years ago, may have returned, bent on revenge. Under the circumstances it seems only reasonable for Alan to join a scheme to blanket Toronto with free wireless Internet, spearheaded by a brilliant technopunk who builds miracles from scavenged parts. But Alan's past won't leave him alone—and Davey isn't the only one gunning for him and his friends. Whipsawing between the preposterous, the amazing, and the deeply felt, *Someone Comes to Town, Someone Leaves Town* is unlike any novel you have ever read. **Origami Creations** 2016-11 Origami Creations has everything you need to create an exquisite array of origami models.
