The Fix J. N. Sadler 2013-03-15 Synopsis The world was broke. Times were hard. The future was

narrowing, darkly. Janie Girard lived alone in her world like others who had become single and

frightened. The fact that the now-impoverished government was posturing for an out-and-out

war between all peoples was evident. She was a young widow who lived with Captain Johnny,

her Cockatoo, and her tenant, Everett Abraham. They shared her run-down Victorian house, in a

once-beautiful, affluent neighborhood, full of foreclosed, empty houses. On a bus, Janie

discovered that she had a "twin". Dee Mackey, her "other", lived with her husband Tate, a

disabled veteran, who was being treated by Dr. Frank Laramy, a court psychiatrist that dealt

with the hopeless and criminally insane. He told Tate that he was working on a remedy to cure

his ills. He also would replace the eye he had lost in the war by using a serum made from various

DNA particles found in human, plant, and animal cells. He promised him a new life where

nothing would harm him, and success in whatever endeavor he chose would be possible with his

"Mega Mix." Laramy was a lunatic, himself, and an impassioned amateur geneticist. He mixed

cell fragments of random life forms to make myriad one-of-a-kind beings. He had no idea what an

unstoppable fix he was creating. When his "things" got out of control, his mission became evil;

he morphed into one of his own creations, regretting giving being born the first time

The Golden Nugget N.K. Beckley 2016-01-15 The Golden Nugget is the fourth book that Mrs.

Beckley has written. It is an interactive book and introduces the reader to the history of the Reed

Gold Mine in Charlotte, North Carolina, in 1799. It was the first goldmine in the United States of

America. I hope that this part of history sparks a discussion both in your classrooms and in your

families, maybe at the dinner table. The names of the people are fictional, but the information

about the Reed Gold Mine, Italy, and South Korea are correct. Look for the last book in the

series called Emily to be out sometime soon. The rest of the books should be out soon. I hope you

have enjoyed the books as much as I have writing and researching them.

Kip Kathi S. Barton 2019-05-19 Dalton had barely survived the ambush. Her sister, Luann, had

taken out a life insurance policy on her and had decided it was time to collect. Luann hadn't

counted on Dalton surviving the hitman's attack. Lord Kipling Newton, Duke of Winehammer

Castle, watched his mate, Dalton, breathing from the hospital bed. He had just given her his

blood to help her heal when the monitors started screaming. He thought his dragon's blood had

killed her for sure. Now she was resting and would recover. Dalton wasn't happy that all her

choices had been taken from her. It wasn't that she didn't like Kip, it's that she wasn't asked,

she'd told her grandmother. But Dalton was soon to discover that a few choices where the least

of her worries. Her sister and brother were out for her blood. Kip had his own issues to deal

with. The only way to protect Dalton from his family was to marry her as soon as possible. Once

she took the title of Duchess of Winehammer Castle, his parents couldn't harm her, or could

they? Trouble had a way of finding them. Was the new love they now shared strong enough to

survive the rough roads ahead? Find out in the final installment of the English Dragon

Series—Kip.

Miner's Haven Elaine Sharshon 2011-04-27 This story revolves around a young girl's unending passion for and ultimate marriage to a man more interested in the miner's union than in the one he has consummated with her. Both Characters, strong in totally different ways compel the reader to sympathize alternately with each, creating a desire to discover the final culmination of this love/hate relationship and the many lives affected by it. The Pennsylvania coal miners who despite their hazardous lives, both physical and financial, their bigotry and ultimate betrayal by John L. Lewis were the true heroes of this county, through the beginning of it's growth to the end of World War II.

How to Stay Sane Philippa Perry 2012-12-24 THE SCHOOL OF LIFE IS DEDICATED TO EXPLORING LIFE'S BIG QUESTIONS IN HIGHLY-PORTABLE PAPERBACKS, FEATURING FRENCH FLAPS AND DECKLE EDGES, THAT THE NEW YORK TIMES CALLS "DAMNABLY CUTE." WE DON'T HAVE ALL THE ANSWERS, BUT WE WILL DIRECT YOU TOWARDS A VARIETY OF USEFUL IDEAS THAT ARE GUARANTEED TO STIMULATE, PROVOKE, AND CONSOLE. An Economist Best Book of the Year Everyone accepts the importance of physical health; isn't it just as important to aim for the mental equivalent? Philippa Perry has come to the rescue with How to Stay Sane -- a maintenance manual for the mind. Years of working as a psychotherapist showed Philippa Perry what approaches produced positive change in her clients and how best to maintain good mental health. In How to Stay Sane, she has taken these principles and applied them to self-help. Using ideas from neuroscience and sound psychological theory, she shows us how to better understand ourselves. Her idea is that if we know how our minds form and develop, we are less at the mercy of unknown unconscious processes. In this way, we can learn to be the master of our feelings and not their slave. This is a smart, pithy, readable book that everyone with even a passing interest in their psychological health will find useful.

Sane Society IIs 252 Erich Fromm 2013-10-28 Following the publication of the seminal Fear of Freedom, Erich Fromm applied his unique vision to a critique of contemporary capitalism in The Sane Society. Where the former dealt with man's historic inability to come to terms with his sense of isolation, and the dangers to which this can lead, The Sane Society took his theories one step further. In doing so it established Fromm as one of the most controversial political thinkers of his generation. Anaylsing how individuals conform to contemporary capitalist and patriarchal societies, the book was published to wide acclaim and even wider disapproval. It was a scathing indictment of modern capitalism and as such proved unwelcome to many. Unwelcome because much of what Fromm had to say was true. Today, as we settle into the challenges of the 21st century, Fromm's writings are just as relevant as when they were first written. Read it and decide for yourself - are you living in a sane society?

The Sane Society Erich Fromm 2013-03-26 A New York Times bestseller about overcoming the profound ills of modern society by a legendary social psychologist, the author of Escape from Freedom. One of Fromm's main interests was to analyze social systems and their impact on the mental health of the individual. In this study, he reaches further and asks: "Can a society be sick?" He finds that it can, arguing that Western culture is immersed in a "pathology of normalcy" that affects the mental health of individuals. In The Sane Society, Fromm examines the alienating effects of modern capitalism, and discusses historical and contemporary alternatives, particularly communitarian systems. Finally, he presents new ideas for a re-organization of economics, politics, and culture that would support the individual's mental health and our profound human needs for love and freedom. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the

author's estate.

Conquer the Frozen Heart Joy Mastroianni 2015-03-18 Many centuries ago, the great Oracle foretold of a Prophecy. To save the worlds of man and magic, twin girls of Fire and Earth must marry twin boys of Water and Air. It came to be in the early 1400s that the sets of twins were born. The Fairy Princess Alanna is from a magical land filled with mythical beings. She has known since birth that in order to save her lands and those of mankind she must marry Alec Kincaid, the Warlord of the Legion of the Ice Warriors ... and the man of her dreams. Alec has been trained all his life to fight and lead his men into battles that he has never lost. He has been with hundreds of women, and not for conversational purposes. Marrying a Fairy Princess was not in his plans, prophecy be damned. Alanna believes with her whole heart and soul that Fire unites with Water. Can the Fairy Princess melt the Ice Warrior's frozen heart? Let the battle begin!

Staying Sane When You're Dieting Pam Brodowsky 2009-07-21 Have you ever told yourself that bingeing after 10 p.m. doesn't really count? You're not alone. Good intentions and logic fly out the window when you're hungry. Now, from the front lines of dieting hell, here are true stories to get you over dieting hurdles large and small. Funny, encouraging, and motivating, this book satisfies the dieter's appetite for distraction until they've reached their weight goal. Misery loves company and sometimes the only advice we'll take is from someone who has already stood in our shoes. Whether it is about giving up smoking, trying to lose weight, or having in-laws move in for a month, the Staying Sane series provides readers with just this kind of been-there, done-that commiseration. Each Staying Sane volume is filled with sometimes humorous (laughter is the best medicine, after all!), sometimes inspiring but always sanity-saving success stories of how other people have overcome obstacles or have risen above the situations in question. Practical tips and coping strategies lighten the reader's load throughout. Bibliotherapy of the first order, the Staying Sane guides will support beleaguered readers as they strive to persevere through the duration of their particular challenge.

#SlidingIntoMyDMs Nell Iris 2021-02-17 Hi. I heard you've been sick. Eddy Pennington is recovering from a severe bout of pneumonia when an old acquaintance, Moss, sends him a message on social media. They haven't spoken in years, but Eddy is pleasantly surprised. He always liked Moss, even if they were never close friends. Moss Fanning has no ulterior motive with his message: all he wants is wish Eddy a speedy recovery. He got over the crush he used to have on Eddy a long time ago. They reconnect easily and have even more in common now. And when they meet in person, the attraction is instant. Will an innocent, well-meaning message on social media lead to something more? Something deeper? Something ... everlasting?

Sadie Price FBI Suspense Thriller Bundle: Only His (#3) and Only Once (#4) Rylie Dark 2022-04-21 A bundle of books #3 (ONLY HIS) and #4 (ONLY ONCE) in Rylie Dark's Sadie Price FBI Suspense Thriller series! This bundle offers books three and four in one convenient file, with over 100,000 words of reading. Special Agent Sadie Price, a 29-year-old rising star in the FBI's BAU unit, stuns her colleagues by requesting reassignment to the FBI's remote Alaskan field office. Back in her home state, a place she vowed she would never return, Sadie, running from a secret in her recent past and back into her old one, finds herself facing her demons—including her sister's unsolved murder—while assigned to hunt down a new serial killer. In ONLY HIS (Book #3), when a young woman is found mauled by a bear—the second case in one week—the authorities chalk it up to a desperate animal, driven by hunger to attack. Nature, as far as the locals are concerned, can be as cruel a killer as any murderer. But Sadie isn't convinced. She suspects a serial killer, and when she realizes both victims were young women living alone in cabins, she takes it upon herself to visit a string of isolated, desolate cabins in the wilderness, including one with particular significance—her father's. When a third woman is found, Sadie knows she is the only thing standing between this diabolical killer and his innocent, next victim. But in the forbidding wilderness, in the thick of winter, can Sadie reach the woman before it's too late? And can she stop this killer all while unearthing the ghosts of her own family's past? In ONLY ONCE (Book #4), what seems like a straightforward case quickly embroils Sadie in an international territorial dispute, bringing in multiple agencies and countries and further complicating her investigation. After a rabbit hole of dead ends, Sadie uses her brilliant mind to think of something no one else has—and another body—and a shocking twist—may just catch her off guard. But in this stormy wilderness, in the thick of winter, does Sadie have any hope of finding him before it's too late? An action-packed page-turner, the SADIE PRICE series is a riveting crime thriller, jammed with suspense, surprises and twists and turns that you won't see coming. It will have you fall in love with a brilliant and scarred new character, while challenging you, amidst a barren landscape, to solve an impenetrable crime. Books #5 and #6—ONLY SPITE and ONLY MADNESS—are also available.
