Twelve Steps Toward Political Revelation Walter Mosley 2011-04-26 In his late teens and early twenties, Walter Mosley was addicted to alcohol and cigarettes. Drawing from this intimate knowledge of addiction and recovery, Mosley explores the deviances of contemporary America and describes a society in thrall to its own consumption. Although Americans live in the richest country on earth, many citizens exist on the brink of poverty, and from that profound economic inequality stems self-destructive behavior. In *Twelve Steps to Political Revelation*, Mosley outlines a guide to recovery from oppression. First we must identify the problems that surround us. Next we must actively work together to create a just, more holistic society. And finally, power must be returned to the embrace of the people. Challenging and original, *Recovery* confronts both self-understanding and how we define ourselves in relation to others.

Always Outnumbered, Always Outgunned Walter Mosley 1998 An ex-con solves a mystery.

47 Walter Mosley 2006-11 *47* is a young slave boy living under the watchful eye of a brutal slave master. His life seems doomed until he meets a mysterious runaway slave, Tall John. *47* then finds himself swept up in a struggle for his own liberation.

Life Out of Context Walter Mosley 2006 The author of the Easy Rawlins mystery series explores his political evolution as an African-American writer, during which he experienced a cultural dislocation through his growing awareness of inequalities and social disparity because of which millions of Africans are forced to survive without basic-level resources. Original.

Hitler's Shadow Richard Breitman 2011-04-01 This report is based on findings from newly-declassified decades-old Army and CIA records released under the Nazi War Crimes Disclosure Act of 1998. These records were processed and reviewed by the National Archives-led Nazi War Crimes and Japanese Imperial Government Records Interagency Working Group. The report highlights materials opened under the Act, in addition to records that were previously opened but had not been mined by historians and researchers, including records from the Office of Strategic Services (a CIA predecessor), dossiers of the Army Staff's Intelligence Records of the Investigative Records Repository, State Dept. records, and files of the Navy Judge Advocate General. This is a print on demand report.

Charcoal Joe Walter Mosley 2017-05-02 In this latest installment of the Easy Rawlins series from beloved and bestselling author Walter Mosley, the L.A. private eye has his hands full with the investigation of a racially charged murder. Easy Rawlins has started a new detective agency with two trusted partners and has a diamond ring in his pocket for his longtime girlfriend Bonnie Shay. Finally, Easy's life seems to be heading towards something that looks like normalcy, but, inevitably, a case gets in the way. Easy's friend Mouse calls in a favor—he wants Easy to meet with Rufus Tyler, an aging convict whom everyone calls Charcoal Joe. Joe's friend's son, Seymour, has been charged with the murder of two white men. Joe is convinced the young man is innocent and wants Easy to prove it no matter what the cost. But seeing as how Seymour was found standing over the dead bodies, and considering the racially charged nature of the crime, that will surely prove to be a tall order.

Bad Boy Brawly Brown Walter Mosley 2003 Easy Rawlins becomes caught up in murder and the racial tensions of 1960s Los Angeles when he agrees to find Brawly Brown, the teenage son of a long-time friend who has left home and is running with the radical Urban Revolutionary Party.

Cotton Comes to Harlem Chester Himes 2011-08-03 A classic entry in Chester Himes's trailblazing Harlem Detectives series, *Cotton Comes to Harlem* is one of his hardest-hitting and most entertaining thrillers. Flim-flam man Deke O'Hara is no sooner out of Atlanta's state penitentiary than he's back on the streets working the scam of a lifetime. As sponsor of the Back-to-Africa movement, he's counting on a big Harlem rally to produce a massive collection—for his own private charity. But the take is hijacked by white gunmen and hidden in a bale of cotton that suddenly everyone wants to get his hands on. As NYPD detectives "Coffin Ed" Johnson and "Grave Digger" Jones piece together the complexity of the scheme, we are treated to Himes's brand of hard-boiled crime fiction at its very best.

Rose Gold Walter Mosley 2015-06-09 In the sixties era of black nationalism, political abductions, and epidemic police corruption, Easy's latest case will pull him—unremittingly and inevitably—into the darkest underbelly of Los Angeles. Rosemary Goldsmith, the daughter of a weapons manufacturer, has been kidnapped by a black revolutionary cell called Scorched Earth. Their leader, Uhuru Nolicé, is holding her for ransom and if he doesn't receive the money, weapons, and apology he demands, "Rose Gold" will die—horribly and publicly. So the authorities turn to Easy Rawlins, the one man who can cross the necessary

lines to resolve this dangerous standoff and find Rose Gold before it's too late.

The Environment in World History Stephen Mosley 2023-11-03 Now in its second edition and refreshed by a decade of new research, *The Environment in World History* uncovers the deep-rooted causes of interconnected climate, biodiversity, and ecological crises that have brought the environment to the top of the global political agenda in the twenty-first century. Its expanded chapters and case studies explore a wide range of issues including the following: the hunting of wildlife and the loss of biodiversity across the globe; deforestation and the development of strategies to protect the world's forests; soil degradation caused by worldwide agricultural expansion, one of the most profound ways that humans have altered the planet; the widening impact of urban-industrial growth and the deepening ecological footprints of the world's cities; and the rising levels of air, land and water pollution as the trade-off for continued economic growth worldwide. Covering the last five hundred years, it offers an essential environmental perspective on well-known world history narratives of imperialism and colonialism, trade and commerce, technological progress and the advance of civilisation. Clearly written and fully up-to-date, it is an invaluable resource for all students of world history and environmental studies.

Guide to Foreign and International Legal Citations 2006 "Formerly known as the International Citation Manual"—p. xv.

The Employer Brand Simon Barrow 2011-01-19 Levels of 'employer brand awareness' are rising fast across Europe, North America and Asia-Pacific, as leading companies realise that skilled, motivated employees are as vital to their commercial success as profitable customers and apply the principles of branding to their own organization. Starting with a review of the pressures which have generated current interest in employer branding, this definitive book goes on to look at the historical roots of brand management and the practical steps necessary to achieve employer brand management success - including the business case, research, positioning, implementation, management and measurement. Case studies of big-name employer brand stories include Tesco, Wal-Mart, British Airways and Prêt à Manger.

Killing Johnny Fry Walter Mosley 2008 Marking a new territory for the bestselling author of "Devil in a Blue Dress," this bold new novel is the story of one man's dark, funny, soulful, and outrageously explicit sexual odyssey in search of a new way of life.

Fortunate Son Walter Mosley 2006-04-10 Tommy's nickname is Lucky, but no one would think this crippled boy was blessed. Cursed with health problems and drawn into trouble more often than not, Tommy is the recipient of pity rather than admiration. He is nothing like his stepbrother Eric. Eric, a Nordic Adonis, is graced by a seemingly endless supply of good fortune—he is charming, a star athlete, and a magnet for anyone in his sphere. Yet in spite of these differences, Eric and Tommy are as close as two humans can be. After tragedy rips their makeshift family apart, the lives of these boys split. In a powerful story of modern-day resilience and redemption, Tommy and Eric forge their separate ways in the world, each confronting the challenges of his sphere. For Tommy this means dropping out of school, selling drugs, living on the streets, and somehow creating a family of his own. Motherless, African-American, and impoverished, Tommy has nothing but feels lucky every day of his life. For Eric, the golden youth, life means athletics, sexual attraction, excellent grades, prosperity, and the uncertainty that comes with prizes won too easily. Given everything, he trusts nothing. Eric and Tommy's parallel lives are an astonishing story of self-determination and the true measure of fortune. The ties that bind this Adonis and his sickly counterpart, however, are thicker than blood, and when circumstances reunite Eric and Tommy after years apart, their distinct approaches to life may be the only thing that can save them from forces that threaten to destroy them for good. Written with unique insight into the hidden currents and deeper realities of modern life, *Fortunate Son* is a tour de force by the author the *Boston Globe* calls "one of this nation's finest writers."

The Usual Suspects Maurice Broadus 2019-05-21 Fans of Jason Reynolds and Sharon M. Draper will love this oh-so-honest middle grade novel from writer and educator Maurice Broadus. Thelonus Mitchell is tired of being labeled. He's in special ed, separated from the "normal" kids at school who don't have any "issues." That's enough to make all the teachers and students look at him and his friends with a constant side-eye. (Although his disruptive antics and pranks have given him a rep too.) When a gun is found at a neighborhood hangout, Thelonus and his pals become instant suspects. Thelonus may be guilty of pulling crazy stunts at school, but a criminal? T isn't about to let that label stick.

The Road to Serfdom F. A. Hayek 2014-08-13 A classic work in political philosophy, intellectual history and economics, *The Road to Serfdom* has inspired and infuriated politicians and scholars for half a century.

Originally published in 1944, it was seen as heretical for its passionate warning against the dangers of state control over the means of production. For Hayek, the collectivist idea of empowering government with increasing economic control would lead not to a utopia but to the horrors of Nazi Germany and Fascist Italy. This new edition includes a foreword by series editor and leading Hayek scholar Bruce Caldwell explaining the book's origins and publishing history and assessing common misinterpretations of Hayek's thought. Caldwell has also standardized and corrected Hayek's references and added helpful new explanatory notes. Supplemented with an appendix of related materials and forewords to earlier editions by the likes of Milton Friedman, and Hayek himself, this new edition of *The Road to Serfdom* will be the definitive version of Friedrich Hayek's enduring masterwork.

Of Modern Dragons; and other essays on Genre Fiction: John Lennard 2008 A volume of essays exploring some of the best genre fiction of the last 40 years.

Free Negro Owners of Slaves in the United States in 1830 Carter Godwin Woodson 1924 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The Order and the Other Joseph W. Campbell 2019-10-08 In the mid- to late 2000s, the United States witnessed a boom in dystopian novels and films intended for young audiences. At that time, many literary critics, journalists, and educators grouped dystopian literature together with science fiction, leading to possible misunderstandings of the unique history, aspects, and functions of science fiction and dystopian genres. Though texts within these two genres may share similar settings, plot devices, and characters, each genre's value is different because they do distinctively different sociocritical work in relation to the culture that produces them. In *The Order and the Other: Young Adult Dystopian Literature and Science Fiction*, author Joseph W. Campbell distinguishes the two genres, explains the function of each, and outlines the different impact each has upon readers. Campbell analyzes such works as Lois Lowry's *The Giver* and James Dashner's *The Maze Runner*, placing dystopian works into the larger context of literary history. He asserts both dystopian literature and science fiction differently empower and manipulate readers, encouraging them to look critically at the way they are taught to encounter those who are different from them and how to recognize and work within or against the power structures around them. In doing so, Campbell demonstrates the necessity of both genres.

The Anatomy of Fascism Robert O. Paxton 2007-12-18 What is fascism? By focusing on the concrete: what the fascists did, rather than what they said, the esteemed historian Robert O. Paxton answers this question. From the first violent uniformed bands beating up "enemies of the state," through Mussolini's rise to power, to Germany's fascist radicalization in World War II, Paxton shows clearly why fascists came to power in some countries and not others, and explores whether fascism could exist outside the early-twentieth-century European setting in which it emerged. "A deeply intelligent and very readable book. . . . Historical analysis at its best." —*The Economist* *The Anatomy of Fascism* will have a lasting impact on our understanding of modern European history, just as Paxton's classic *Vichy France* redefined our vision of World War II. Based on a lifetime of research, this compelling and important book transforms our knowledge of fascism—"the major political innovation of the twentieth century, and the source of much of its pain."

High John de Conquer Zora Neale Hurston 2019-04-24 "Maybe, now, we used-to-be black African folks can be of some help to our brothers and sisters who have always been white. You will take another look at us and say that we are still black and, ethnologically speaking, you will be right. But nationally and culturally, we are as white as the next one. We have put our labor and our blood into the common causes for a long time. We have given the rest of the nation song and laughter. Maybe now, in this terrible struggle, we can give something else—the source and soul of our laughter and song. We offer you our hope-bringer, High John de Conquer." Zora Neale Hurston (1891-1960) was an influential author of African-American literature and anthropologist, who portrayed racial struggles in the early 20th century American South, and published research on Haitian voodoo. Of Hurston's four novels and more than 50 published short stories, plays, and essays, her most popular is the 1937 novel *Their Eyes Were Watching God*. Originally published in *The American Mercury* (1943).

Overthrow Stephen Kinzer 2007-02-06 Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

Every Man a King Walter Mosley 2023-02-21 In this highly anticipated sequel from Edgar Award-winning "master of craft and narrative," Walter Mosley, Joe King Oliver is entangled in a dangerous case when he's asked to investigate whether a white nationalist is being unjustly set up. (National Book Foundation) A NYTBR Editors' Choice Selection When friend of the family and multi-billionaire Roger Ferris comes to Joe with an assignment, he's got no choice but to accept, even if the case is a tough one to stomach. White nationalist Alfred Xavier Quiller has been accused of murder and the sale of sensitive information to the Russians. Ferris has reason to believe Quiller's been set up and he needs King to see if the charges hold. This linear assignment becomes a winding quest to uncover the extent of Quiller's dealings, to understand Ferris' skin in the game, and to get to the bottom of who is working for whom. Even with the help of bodyguard and mercenary Oliya Ruez—no regular girl Friday—the machine King's up against proves relentless and unsparring. As King gets closer to exposing the truth, he and his loved ones barrel towards grave danger. Mosley once again proves himself a "master of craft and narrative" (National Book Foundation) in this carefully plotted mystery that is at once a classic caper, a family saga and an examination of fealty, pride and how deep debt can go.

Workin' on the Chain Gang Walter Mosley 2006 The author of "Devil in a Blue Dress" offers a powerful examination of the American economic and political machine and challenges readers to cast off the chains of yesterday's society, insisting that the nation and its potential are ours to command.

The Awkward Black Man Walter Mosley 2020-09-15 A new collection of short fiction from the Edgar Award-winning author of *Devil in a Blue Dress* and *Trouble is What I Do*. With his extraordinary fiction and gripping television writing, Walter Mosley has proven himself a master of narrative tension. The *Awkward Black Man* collects seventeen of Mosley's most accomplished short stories to showcase the full range of his remarkable talent. Touching, contemplative, and always surprising, these stories introduce an array of imperfect characters—awkward, self-defeating, elf-involved, or just plain odd. In *The Awkward Black Man*, Mosley overturns the stereotypes that corral black male characters and paints subtle, powerful portraits of unique individuals. In "The Good News Is," a man's insecurity about his weight gives way to illness and a loneliness so intense that he'd do anything for a little human comfort. "Pet Fly," previously published in the *New Yorker*, follows a man working as a mailroom clerk—a solitary job for which he is overqualified—and the unforeseen repercussions he endures when he attempts to forge a new connection. And "Almost Alyce" chronicles failed loves, family loss, alcoholism, and a Zen approach to the art of begging that proves surprisingly effective.

One-Shot Harry Gary Phillips 2022-04-12 Race and civil rights in 1963 Los Angeles provide a powerful backdrop in Gary Phillips's riveting mystery about an African American crime scene photographer seeking justice for a friend—perfect for fans of Walter Mosley, James Ellroy, and George Pelecanos. LOS ANGELES, 1963: Korean War veteran Harry Ingram earns a living as a news photographer and occasional process server: chasing police radio calls and dodging baseball bats. With racial tensions running high on the eve of Martin Luther King's Freedom Rally, Ingram risks becoming a victim at every crime scene he photographs. When Ingram hears about a deadly automobile accident on his police scanner, he recognizes the vehicle described as belonging to his good friend and old army buddy, a white jazz trumpeter. The LAPD declares the car crash an accident, but when Ingram develops his photos, he sees signs of foul play. Ingram feels compelled to play detective, even if it means putting his own life on the line. Armed with his wits, his camera, and occasionally his Colt .45, "One-Shot" Harry plunges headfirst into the seamy underbelly of LA society, tangling with racists, leftists, gangsters, zealots, and lovers as he attempts to solve the mystery. Master storyteller and crime fiction legend Gary Phillips has filled the pages of *One-Shot Harry* with fascinating historical cameos, wise-cracks, tenderness, and an edge-of-your-seat thrill ride of a plot with consequences far beyond one dead body.

47 Walter Mosley 2008-12-14 Master storyteller Walter Mosley deftly mixes speculative and historical fiction in this daring New York Times bestselling novel, reminiscent of Colson Whitehead's *The Underground Railroad*. 47 is a young slave boy living under the watchful eye of a brutal slave master. His life seems doomed until he meets a mysterious runaway slave, Tall John. 47 finds himself swept up in a struggle for his own liberation.

Emotional Intelligence in Education Kateryna V. Keefer 2018-07-13 This book highlights current knowledge, best practices, new opportunities, and difficult challenges associated with promoting emotional intelligence (EI) and social-emotional learning (SEL) in educational settings. The volume provides analyses of contemporary EI theories and measurement tools, common principles and barriers in effective EI and SEL programming, typical and atypical developmental considerations, and higher-level institutional and policy

implications. It also addresses common critiques of the relevance of EI and discusses the need for greater awareness of sociocultural contexts in assessing and nurturing EI skills. Chapters provide examples of effective EI and SEL programs in pre-school, secondary school, and university contexts, and explore innovative applications of EI such as bullying prevention and athletic training. In addition, chapters explore the implications of EI in postsecondary, professional, and occupational settings, with topics ranging from college success and youth career readiness to EI training for future educators and organizational leaders. Topics featured in this book include: Ability and trait EI and their role in coping with stress, academic attainment, sports performance, and career readiness. Implications of preschoolers' emotional competence for future success in the classroom. Understanding EI in individuals with exceptionalities. Applications of school-based EI and SEL programs in North America and Europe. Policy recommendations for social-emotional development in schools, colleges and universities. Developing emotional, social, and cognitive competencies in managers during an MBA program. Emotional intelligence training for teachers. Cross-cultural perspective on EI and emotions. Emotional Intelligence in Education is a must-have resource for researchers, professionals, and policymakers as well as graduate students across such disciplines as child and school psychology, social work, and education policy. Chapter 2 of this book is available open access under a Creative Commons Attribution 4.0 International License at link.springer.com

From #BlackLivesMatter to Black Liberation Keeanga-Yamahtta Taylor 2016-02-01 The author of *Race for Profit* carries out "[a] searching examination of the social, political and economic dimensions of the prevailing racial order" (Michelle Alexander, author of *The New Jim Crow*). In this winner of the Lannan Cultural Freedom Prize for an Especially Notable Book, Keeanga-Yamahtta Taylor "not only exposes the canard of color-blindness but reveals how structural racism and class oppression are joined at the hip" (Robin D. G. Kelley, author of *Freedom Dreams*). The eruption of mass protests in the wake of the police murders of Michael Brown in Ferguson, Missouri, and Eric Garner in New York City have challenged the impunity with which officers of the law carry out violence against black people and punctured the illusion of a post-racial America. The Black Lives Matter movement has awakened a new generation of activists. In this stirring and insightful analysis, activist and scholar Keeanga-Yamahtta Taylor surveys the historical and contemporary ravages of racism and the persistence of structural inequality, such as mass incarceration and black unemployment. In this context, she argues that this new struggle against police violence holds the potential to reignite a broader push for black liberation. "This brilliant book is the best analysis we have of the #BlackLivesMatter moment of the long struggle for freedom in America. Keeanga-Yamahtta Taylor has emerged as the most sophisticated and courageous radical intellectual of her generation." —Dr. Cornel West, author of *Race Matters* "A must read for everyone who is serious about the ongoing praxis of freedom." —Barbara Ransby, author of *Ella Baker and the Black Freedom Movement* "[A] penetrating, vital analysis of race and class at this critical moment in America's racial history." —Gary Younge, author of *The Speech: The Story Behind Dr. Martin Luther King Jr.'s Dream*

Elements of Fiction Walter Mosley 2019-09-03 The renowned novelist and author of *This Year You Write a Novel* shares a "compact but insight-rich" guide to fiction writing (Publishers Weekly). In his essential writing guide, *This Year You Write Your Novel*, Walter Mosley supplied aspiring writers with the basic tools to write a novel in one year. In this complementary follow up, Mosley guides the writer through the elements of not just any fiction writing, but the kind of writing that transcends convention and truly stands out. For writers who want to approach the genius of Melville, Dickens, or Twain, *The Elements of Fiction* is a must-read. Mosley demonstrates how to master fiction's most essential elements: character and character development, plot and story, voice and narrative, context and description, and more. The result is a vivid depiction of the writing process, from the blank page to the first draft to rewriting, and rewriting again. Throughout, *The Elements of Fiction* is enriched by brilliant demonstrative examples that Mosley himself has written here for the first time.

Blood Grove Walter Mosley 2021-02-04 Ezekiel "Easy" Porterhouse Rawlins is an unlicensed private investigator turned hard-boiled detective always willing to do what it takes to get things done in the racially charged, dark underbelly of Los Angeles. But when Easy is approached by a shell-shocked Vietnam War veteran—a young white man who claims to have gotten into a fight protecting a white woman from a black man—he knows he shouldn't take the case. Though he sees nothing but trouble in the brooding ex-soldier's eyes, Easy, a vet himself, feels a kinship form between them. Easy embarks on an investigation that takes him from mountaintops to the desert, through South Central and into sex clubs and the homes of the fabulously wealthy, facing hippies, the mob, and old friends perhaps more dangerous than anyone else. Set against the social and political upheaval of the late 1960s, BLOOD GROVE is ultimately a story about survival, not only of the body but also the soul. Widely hailed as "incomparable" (*Chicago Tribune*) and "dazzling" (*Tampa Bay Times*), Walter Mosley proves that he's at the top of his game in this bold return to the endlessly entertaining series that has kept fans on their toes for years.

Folding the Red into the Black Walter Mosley 2016-12-01 Walter Mosley is one of America's bestselling novelists, known for his critically acclaimed series of mysteries featuring private investigator Easy Rawlins. His writing is hard-hitting, often limned with a political subtext, and aimed at a broad audience. Years ago, when Mosley was working on a doctorate in political theory, he envisioned writing very different kinds of books from those for which he has become celebrated. But once you've been tagged as a novelist, and in Mosley's case, a genre writer, even a bestselling one, it is hard to get an airing for ideas that cross those boundaries. *Folding the Red into the Black* has grown out of Mosley's public talks, which have gotten both enthusiastic and agitated responses, making him feel the ideas in those talks should be explored in greater depth. Mosley's is an elastic mind, and in this short polemic he frees himself to explore some novel ideas. He draws on personal experiences and insights as an African-American, a Jew, and one of our great writers to present an alternative manifesto of sorts: "We need to throw off the unbearable weight of bureaucratic capitalist and socialist demands; demands that exist to perpetuate these systems, not to praise and raise humanity to its full promise. And so I propose the word, the term Untopia."

A Companion to Crime Fiction Charles J. Rzepka 2020-07-13 A Companion to Crime Fiction presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day. A collection of forty-seven newly commissioned essays from a team of leading scholars across the globe make this Companion the definitive guide to crime fiction. Follows the development of the genre from its origins in the eighteenth century through to its phenomenal present day popularity. Features full-length critical essays on the most significant authors and film-makers, from Arthur Conan Doyle and Dashiell Hammett to Alfred Hitchcock and Martin Scorsese exploring the ways in which they have shaped and influenced the field. Includes extensive references to the most up-to-date scholarship, and a comprehensive bibliography.

Kindred Octavia E. Butler 2004-02-01 From the New York Times bestselling author of *Parable of the Sower* and *MacArthur "Genius" Grant*, Nebula, and Hugo award winner *The Visionary* time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (*New York Times*). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

Good and Cheap Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy

one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Golden Gulag Ruth Wilson Gilmore 2007-01-08 Since 1980, the number of people in U.S. prisons has increased more than 450%. Despite a crime rate that has been falling steadily for decades, California has led the way in this explosion, with what a state analyst called “the biggest prison building project in the history of the world.” *Golden Gulag* provides the first detailed explanation for that buildup by looking at how political and economic forces, ranging from global to local, conjoined to produce the prison boom. In an informed and impassioned account, Ruth Wilson Gilmore examines this issue through statewide, rural, and urban perspectives to explain how the expansion developed from surpluses of finance capital, labor, land, and state capacity. Detailing crises that hit California’s economy with particular ferocity, she argues that defeats of radical struggles, weakening of labor, and shifting patterns of capital investment have been key conditions for prison growth. The results—a vast and expensive prison system, a huge number of incarcerated young people of color, and the increase in punitive justice such as the “three strikes” law—pose profound and troubling questions for the future of California, the United States, and the world. *Golden Gulag* provides a rich context for this complex dilemma, and at the same time challenges many cherished assumptions about who benefits and who suffers from the state’s commitment to prison expansion.

Always Outnumbered, Always Outgunned Walter Mosley 2010-06-22 New York Times bestselling author Walter Mosley introduces an “astonishing character” (Los Angeles Times Book Review) in this acclaimed collection of entwined tales. Meet Socrates Fortlow, a tough ex-con seeking truth and redemption in South Central Los Angeles -- and finding the miracle of survival. “I either committed a crime or had a crime done to me every day I was in jail. Once you go to prison you belong there.” Socrates Fortlow has done his time: twenty-seven years for murder and rape, acts forged by his huge, rock-breaking hands. Now, he has come home to a new kind of prison: two battered rooms in an abandoned building in Watts. Working for the Bounty supermarket, and moving perilously close to invisibility, it is Socrates who throws a lifeline to a drowning man: young Darryl, whose shaky path is already bloodstained and fearsome. In a place of violence and

hopelessness, Socrates offers up his own battle-scarred wisdom that can turn the world around.

Devil in a Blue Dress Walter Mosley 2017-01-12 I need to find somebody and I might need a little help looking ... The summer of '48 in the city of Angels and there's heat on the streets when Daphne Monet hits the sidewalk. Heat when she disappears with a trunkload of somebody else's cash. Easy Rawlins is a war veteran just fired from his job. Drinking in a friend's bar, he wonders how to meet his mortgage when a white man in a linen suit walks in, offering good money if Easy will locate Miss Monet, a blonde with a reputation. It's a simple decision, but for one thing. Nobody warned him - better the devil you know ...

This Year You Write Your Novel Walter Mosley 2009-01-08 No more excuses. “Let the lawn get shaggy and the paint peel from the walls,” bestselling novelist Walter Mosley advises. Anyone can write a novel now, and in this essential book of tips, practical advice, and wisdom, Walter Mosley promises that the writer-in-waiting can finish it in one year. Intended as both inspiration and instruction, the book provides the tools to turn out a first draft painlessly and then revise it into something finer. Mosley tells how to: - Create a daily writing regimen to fit any writer's needs--and how to stick to it. - Determine the narrative voice that's right for every writer's style. - Get past those first challenging sentences and into the heart of a story.

Talking to Strangers Malcolm Gladwell 2019-09-10 Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? *Talking to Strangers* is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.
