The Harp and the Eagle
Susannah Ural Bruce
2006-11 On the eve of the Civil War, the Irish were one of America's largest ethnic groups, and approximately 150,000 fought for the Union. Analyzing letters and diaries written by soldiers and civilians; military, church, and diplomatic records; and community newspapers, Susannah Ural Bruce significantly expands the story of Irish-American Catholics in the Civil War, and reveals a complex picture of those who fought

*Paddy's Lament Ireland
for the Union. While the
Hatred Thomas Gallagher
Pdf Pdf upload Caliva z
Williamson*

population was diverse, many Irish Americans had dual loyalties to the U.S. and Ireland, which influenced their decisions to volunteer, fight, or end their military service. When the Union cause supported their interests in Ireland and America, large numbers of Irish Americans enlisted. However, as the war progressed, the Emancipation Proclamation, federal draft, and sharp rise in casualties caused Irish Americans to question—and sometimes abandon—the war effort because they viewed such changes as detrimental to their families and futures in America and Ireland. By recognizing these competing and often fluid loyalties, *The Harp and the Eagle* sheds new light on the relationship between Irish-American volunteers and the Union Army, and how the Irish made sense of both the Civil War and their loyalty to the United States.

The National Question

volume examines the volatile nature and complex dynamics of national movements and ethnic conflict around the world.

Island of Vice Richard Zacks 2012-09-04 In the 1890s, young cocksure Theodore Roosevelt, years before the White House, was appointed police commissioner of corrupt, pleasure-loving New York, then teeming with 40,000 prostitutes, illegal casinos and all-night dance halls. The Harvard-educated Roosevelt, with a reformer's zeal, tried to wipe out the city's vice and corruption. He went head-to-head with Tammany Hall, took midnight rambles looking for derelict cops, banned barroom drinking on Sundays and tried to convince 2 million New Yorkers to enjoy wholesome family fun. The city rebelled big time; cartoonists lampooned him on the front page; his own political party abandoned him, but Roosevelt never backed

down. Island of Vice delivers a rollicking narrative history of Roosevelt's embattled tenure, pitting the seedy against the saintly, and the city against its would-be savior.

Roots Too Matthew Frye JACOBSON 2009-06-30 In the 1970s, white ethnics mobilized around a new version of the epic tale of plucky immigrants making their way in the New World through the sweat of their brow. Although this turn to ethnicity was for many an individual search for familial and psychological identity, Roots Too establishes a broader white social and political consensus arising in response to the political language of the Civil Rights movement.

Ireland and Empire Stephen Howe 2000 Many analyses of Ireland's past and present are couched in colonial terms. For some, it is the only framework for understanding Ireland. Others reject the label. This study evaluates

**Nine Irish Plays for
Voices** Eamon Grennan
2023-03-28 A vibrant
collection of short plays

Downloaded from
via.ramtech.uri.edu on
September 22, 2023 by
Caliva z Williamson

bringing Irish history and culture alive through an extraordinary collage of documents, songs, poems, and texts. In *Nine Irish Plays for Voices*, award-winning poet Eamon Grennan delves deep into key Irish subjects—big, small, literary, historical, political, biographical—and illuminates them for today’s audiences and readers. These short plays draw from original material centering on important moments in Irish history and the formation of the Irish Republic, such as the Great Famine and the Easter Rising; the lives of Irish literary figures like Yeats, Joyce, and Lady Gregory; and the crucial and life-changing condition of emigration. The rhythmic, musical, and vivid language of Grennan’s plays incorporates traditional song lyrics, lines of Irish poetry, and letters and speeches of the time. The result is a dramatic collage that tells a

*Paddy's Lament Ireland
Story 147 Dublin

Pdf Pdf upload Caliva z
Williamson*

characters contemporary to the period of the play’s subject. By presenting subjects through the dramatic rendering of the human voice, the plays facilitate a close, intimate relationship between players and the audience, creating an incredibly powerful connection to the past. Historical moments and literary figures that might seem remote to the present-day reader or audience become immediate and emotionally compelling. One of the plays, *Ferry*, is drawn entirely from the author’s imagination. It puts unnamed characters who come from the world of twentieth-century Ireland on a boat to the underworld with the philosopher Ludwig Wittgenstein. On their journey the five strangers, played by two voices, tell stories about their lives, raising the question of how language both captures and transforms lived experience. Addressing the Great Famine, Hunger, Disease

Williamson

Irish experience is viewed in the larger European context a different perspective emerges. The author's dissection of some pivotal episodes in Irish history serves to explode commonplace assumptions about oppression, victimhood and a fate said to be comparable 'only to that of the Jews'. Was the catastrophe of the Great Famine really an Irish Holocaust? Was the Ulster Covenant anything other than a battle-cry for ethnic conflict? Was the Proclamation of the Irish Republic a means of texting terror? And who fears to speak of an Irish War of Independence, shorn of its heroic pretensions? Kennedy argues that the privileging of 'the gun, the drum and the flag' above social concerns and individual liberties gave rise to disastrous consequences for generations of Irish people. Ireland might well be a land of heroes, from Cúchulainn to Michael Collins.

also worth pondering Bertolt Brecht's warning: 'Unhappy the land that is in need of heroes.'

Collis' Zouaves Edward J. Hagerty 2005-03-30 Led by the enthralling and controversial colonel Charles H. T. Collis, the 114th Pennsylvania Infantry was in many ways unique among the regiments serving in the Union Army. In Collis' Zouaves, Edward J. Hagerty reconstructs the Civil War experiences of this unusual group of soldiers who embraced the flamboyant uniform style made famous by the French army's Zouaves. Recruited in the summer of 1862 from Philadelphia and surrounding counties, the regiment battled Stonewall Jackson in the Shenandoah Valley campaign and went on to participate in many of the major battles of the war, including Fredericksburg, Chancellorsville, Gettysburg, and Petersburg.

The American Experiment

Paddy's Lament Ireland
James MacGregor Burns
Hatred Thomas Gallagher

Williamson

2013-05-21 The Pulitzer Prize-winning author's stunning trilogy of American history, spanning the birth of the Constitution to the final days of the Cold War. In these three volumes, Pulitzer Prize- and National Book Award-winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural, economic, and political events of American history. In *The Vineyard of Liberty*, he combines the color and texture of early American life with meticulous scholarship. Focusing on the tensions leading up to the Civil War, Burns brilliantly shows how Americans became divided over the meaning of Liberty. In *The Workshop of Democracy*, Burns explores more than a half-century of dramatic growth and transformation of the American landscape, through the addition of dozens of new states, the shattering tragedy of the First World War.

explosion of industry, and, in the end, the emergence of the United States as a new global power. And in *The Crosswinds of Freedom*, Burns offers an articulate and incisive examination of the US during its rise to become the world's sole superpower—through the Great Depression, the Second World War, the Cold War, and the rapid pace of technological change that gave rise to the “American Century.”

Crimes Against Fecundity

Mary Lowe-Evans

1989-06-01 Population control was endlessly discussed during Joyce's lifetime, and he was acutely aware of western civilization's restrictions on artistic and spiritual freedom as on physical fecundity. Lowe-Evans's book explores the specific influence of this controversial debate on Joyce's works, from *Dubliners* to *Finnegans Wake*, as well as that of other key historical events

*Paddy's Lament Ireland
such as the Great Famine,

the Malthusian doctrine, the international birth control movement, the Catholic church, and postwar populationism. As Michel Foucault observed, "one of the great innovations in techniques of power in the eighteenth century was the emergence of 'population' as an economic and political problem." Similarly, Lowe-Evans examines Joyce's works as the product of countless rhetorical pressures and trends, including histories of Ireland, the Irish Homestead, and reports of the obscenity trial of Margaret Sanger. Joyce once wrote his good friend Frank Budgen that the idea underlying the famous "Oxen of the Sun" chapter in *Ulysses* (set in a maternity hospital) was "the crime committed against fecundity by sterilizing the act of coition." Drawing upon this and numerous other instances, Lowe-Evans demonstrates how Foucault's theory of the deployment of

*Sexuality is from

borne out both in Joyce's work and in the debates that helped to produce it. In *Crimes Against Fecundity*, Lowe-Evans reveals new and fascinating aspect of this great writer's work, which will be of great interest not only to literary theorists and Joyceans but to literary scholars in general.

Six Billion and More Susan Bratton 1992-01-01 Drawing on information from demographers, economists, ecologists, and sociologists, Bratton argues that individuals should use Christian values when dealing with the regulation of human population.

"Theological groundwork for developing a Christian contraceptive ethos".--Carol Benson Holst, Ministry for Population Concerns.

Diaspora, Identity and Religion

Carolin Alfonso 2004-07-31 Over the last decade, concepts of diaspora and locality have gained complex new meanings in political discourse as in social

and cultural studies.

Diaspora, in particular, has acquired new meanings related to notions such as global deterritorialization, transnational migration and cultural hybridity. The authors discuss the key concepts and theory, focus on the meaning of religion both as a factor in forming diasporic social

organisations, as well as shaping and maintaining diasporic identities, and the appropriation of space and place in history. It includes up to date research of the Caribbean, Irish, Armenian, African and Greek diasporas.

America's immigrant history, and to consider the impact of the Famine on Irish ethnic identity between the mid-1800s and the end of the twentieth century. Moving beyond traditional emphases on Irish-American cornerstones such as church, party, and education, the book maps the Famine's legacy over a century and a half of settlement and assimilation. This is the first attempt to contextualize a painful memory that has endured fitfully, and unquestionably, throughout Irish-American historical experience.

Black Potatoes Susan Campbell Bartoletti
2014-07-29 Sibert Award Winner: This true story of five years of starvation in Ireland is "a fascinating account of a terrible time" (Kirkus Reviews). In 1845, a disaster struck Ireland. Overnight, a mysterious blight attacked the potato crops, turning the potatoes black and destroying the only real food of nearly six million people. Over the next five years, the blight attacked again and again. These years are known today as the Great Irish Famine, a time when one million people died from starvation and disease and two million more fled their homeland. Black Potatoes is the compelling story of men, women, and children who defied landlords and searched empty fields for scraps of harvested vegetables and edible weeds to eat, who walked several miles each day to hard-labor jobs for meager wages and to reach soup kitchens, and who committed crimes just to be sent to jail, where they were assured of a meal. It's the story of children and adults who suffered from starvation, disease, and the loss of family and friends, as well as those who died. Illustrated with black and white engravings, it's also the story of the heroes among the Irish people and how they held on to hope.

“Bartoletti humanizes the big events by bringing the reader up close to the lives of ordinary people.”—Booklist (starred review)

Rachel Lemoyne Eileen Charbonneau 1999-06-29 In her travels to Ireland to help feed starving people, Rachel Lemoyne marries a man considered an outlaw by his English landlord for daring to grind the surplus corn she brought. When the couple returns to America, they flee to the wild west to escape the authorities who are looking for her husband.

Paddy's Lament Ireland 1846-1847 Thomas Gallagher 1985

Irish Writing Paul Hyland 1991-11-25 This is a collection of original essays by international scholars which focuses on Irish writing in English from the eighteenth century to the present. The essays explore the recurrent motif of exile and the subversive potential of Irish writing in political, cultural and literary terms.

Paddy's Lament Ireland 1846-1847 and Paddy's Hatred Thomas Gallagher Pdf Pdf upload Caliva z Williamson

Case-studies of major writers such as Swift, Joyce, and Heaney are set alongside discussions of relatively unexplored writing such as radical pamphleteering in the age of the French Revolution and the contribution of women writers to Nationalistic journalism.

Acheson and Empire John T. McNay 2001 Acheson and Empire offers a compelling reassessment of Dean Acheson's policies toward the former colonial world during his period as secretary of state from 1949 to 1953. John T. McNay argues that Acheson inherited through his own personal history a way of understanding the world that encouraged imperial-style international relationships. This worldview represented a well-developed belief system rooted in his Ulster Protestant heritage that remained consistent throughout his life.

Hidden Agendas John P. Fenn via.ramtech.uri.edu on September 22, 2023 by Caliva z Williamson

2010-09-02 In this powerful book, journalist and film maker John Pilger strips away the layers of deception, dissembling language and omission that prevent us from understanding how the world really works. From the invisible corners of Tony Blair's Britain to Burma, Vietnam, Australia, South Africa and the illusions of the 'media age', power, he argues, has its own agenda. Unchallenged, it operates to protect its interests with a cynical disregard for people - shaping, and often devastating, millions of lives. By unravelling the hidden histories of contemporary events, Pilger allows us to read between the lines. He also celebrates the eloquent defiance and courage of those who resist oppression and give us hope for the future. Tenaciously researched and written with passion and wit, Hidden Agendas will change the way you see the world.

Famine James S Donnelly Jr
2002-11-01 In the century before the great famine of the late 1840s, the Irish people, and the poor especially, became increasingly dependent on the potato for their food. So when potato blight struck, causing the tubers to rot in the ground, they suffered a grievous loss. Thus began a catastrophe in which approximately one million people lost their lives and many more left Ireland for North America, changing the country forever. During and after this terrible human crisis, the British government was bitterly accused of not averting the disaster or offering enough aid. Some even believed that the Whig government's policies were tantamount to genocide against the Irish population. James Donnelly's account looks closely at the political and social consequences of the great Irish potato famine and explores the way that natural disasters are handled

government responses to them can alter the destiny of nations.

The Butte Irish David M. Emmons 2023-03-20 In this pioneering study, David Emmons tells the story of Butte's large and assertive population of Irish immigrants. He traces their backgrounds in Ireland, the building of an ethnic community in Butte, the nature and hazards of their work in the copper mines, and the complex interplay between Irish nationalism and worker consciousness. From a treasure trove of "Irish stuff," the reports, minutes, and correspondence of the major Irish-American organizations in Butte, Emmons shows how the stalwart supporters of the RELA and the Ancient Order of Hiberians marched and drilled for Irish freedom--and how, as they ran the town, the miners' union, and the largest mining companies, they used this tradition of ethnic

America's tradition of providing humanitarian aid around the world More than 5,000 ships left Ireland during the great potato famine in the late 1840s, transporting the starving and the destitute away from their stricken homeland. The first vessel to sail in the other direction, to help the millions unable to escape, was the USS Jamestown, a converted warship, which left Boston in March 1847 loaded with precious food for Ireland. In an unprecedented move by Congress, the warship had been placed in civilian hands, stripped of its guns, and committed to the peaceful delivery of food, clothing, and supplies in a mission that would launch America's first full-blown humanitarian relief effort. Captain Robert Bennet Forbes and the crew of the USS Jamestown embarked on a voyage that began a massive eighteen-month demonstration of soaring goodwill against

backdrop of unfathomable despair—one nation’s struggle to survive, and another’s effort to provide a lifeline. The Jamestown mission captured hearts and minds on both sides of the Atlantic, of the wealthy and the hardscrabble poor, of poets and politicians. Forbes’ undertaking inspired a nationwide outpouring of relief that was unprecedented in size and scope, the first instance of an entire nation extending a hand to a foreign neighbor for purely humanitarian reasons. It showed the world that national generosity and brotherhood were not signs of weakness, but displays of quiet strength and moral certitude. In *Voyage of Mercy*, Stephen Puleo tells the incredible story of the famine, the Jamestown voyage, and the commitment of thousands of ordinary Americans to offer relief to Ireland, a groundswell that provided the collaborative blueprint for future relief efforts, and

established the United States as the leader in international aid. The USS Jamestown’s heroic voyage showed how the ramifications of a single decision can be measured not in days, but in decades. *Cultural Heritage and Human Rights* Helaine Silverman 2008-10-14 Is there a universal right to the free expression and preservation of cultural heritage, and if so, where is that right articulated and how can it be protected? No corner of today’s world has escaped the effects of globalization – for better or worse. This volume addresses a deeply political aspect of heritage preservation and management as it relates to human rights. *Ethnic and Racial Minorities in the U.S. Military [2 volumes]* Alexander M. Bielakowski 2013-01-11 This encyclopedia details the participation of individual ethnic and racial minority groups through out. *Out of the

military history. Ethnic and Racial Minorities in the U.S. Military: An Encyclopedia is unique in its coverage of nearly all major ethnic and racial minority groups, as opposed to reference works that have focused only on individual ethnic or racial minority groups. It acknowledges the military contributions of African Americans, Asian Americans, French Americans, German Americans, Hispanic Americans, Irish Americans, Jewish Americans, and Native Americans. This timely work highlights the individuals and events that have shaped the experience of minorities in U.S. conflicts. The work provides a comprehensive encyclopedia covering the role of all major ethnic and racial minorities in the United States during wartime. Additionally, it considers how the integration of servicemen in the U.S. military set the

Transatlantic History

Steven G. Reinhardt 2006

The transatlantic world has had immense influence on the direction of world history. The six illuminating studies in Transatlantic History address cultural exchanges and intercontinental developments that contribute to our modern understanding of global communities. Transatlantic history encompasses a variety of scholarly problems and approaches from multiple disciplines, and volume editors Steven G. Reinhardt and Dennis P. Reinhartz have assembled a collection of essays that reflect the diversity within the field. Introducing the book, William McNeill provides a unifying overview of the concept and practice of transatlantic history by placing it within the larger context of world history. The chapter authors bring distinctive styles

methods to the investigation of the processes of interaction and adaptation among Africans, Native Americans, and Europeans. Their studies range from the Spanish imperial crisis in the 1600s to the urbanization of Europe and the Americas, from graphic portrayals of the Atlantic world to the settlement of Ireland, America, and South Africa and the recent diaspora of West Africans. Readers interested in world history, communication, and cultural studies will find Transatlantic History provocative and challenging as it convincingly argues for the importance of this new field.

Coffin Ship William Henry 2009-05-14 The tragic tale of the sinking of the famine ship, the St. John in Massachusetts Bay in 1849. The Great Irish Famine drove huge numbers of Irish men and women to leave the island and pursue their survival in foreign lands. In 1847, some 200,000 people

sailed for Boston alone. Of this massive group, 2,000 never made it to their destination, killed by disease and hunger during the voyages, their remains consigned to a watery grave. The sinking of the brig St. John off the coast of Massachusetts in October 1849, was only one of many tragic events to occur during this mass exodus. The ship had sailed from Galway, loaded with passengers so desperate to escape the effects of famine that some had walked from as far afield as Clare to reach the ship. The passengers on the St. John made it to within sight of the New World before their ship went down and they were abandoned by their captain, who denied that there had been any survivors when he and some of his crew made it ashore. For those who died in the seas off Massachusetts, there was nothing to mark their last resting place; no name, no memory of them ever having existed, just from

another statistic in a terrible tragedy.

Paddy's Lament, Ireland

1846-1847 Thomas

Gallagher 1987 Ireland in the mid-1800s was primarily a population of peasants, forced to live on a single, moderately nutritious crop: potatoes. Suddenly, in 1846, an unknown and uncontrollable disease turned the potato crop to inedible slime, and all Ireland was threatened.

Irish vs. Yankees James W.

Sanders 2018-02-02 Boston entered the twentieth century as an Irish Catholic city, no longer the "Yankee" town of its Puritan past. The dominance of the Irish Catholic population, swelled by the "potato famine" masses, gave it political control of the city, and significantly, control of its public schools. Unlike in other American cities, Boston Catholics had little need for a large or influential parochial system:

Committee, school principals, and the teachers. In *Irish vs. Yankees*, James W. Sanders takes a new look at this critical period in the development of Boston schools, from 1822, when Boston officially became a city, to the Second World War. Framing the discussion around the Catholic hierarchy, he considers the interplay of social forces in the nineteenth and early twentieth centuries that led to the political rise of the Irish Catholic over the native Brahmin and the way this development shaped Boston's schools. From Bishop John Fitzpatrick to Boston College, Sanders introduces a cast of colorful characters and institutions to this tale of the education and religion in one of America's most prominent cities.

The Irish Republican Army

administration of the six counties of Northern Ireland extends over 800 years and encompasses suffering on both sides of the conflict. The Catholic Irish, the Protestant Irish, and the British armed forces have, until recently, seemed caught up in an unbreakable cycle of violence and tragedy. Susie Derkins untangles this long history of grievance and retribution, while carefully examining the latest and most promising efforts by all sides to find peace and reconciliation.

Eating People Is Wrong, and Other Essays on Famine, Its Past, and Its Future Cormac Ó Gráda 2020-10-13 New perspectives on the history of famine—and the possibility of a famine-free world Famines are becoming smaller and rarer, but optimism about the possibility of a famine-free future must be tempered by the threat of global warming. That is just one of

Ó Gráda, one of the world's leading authorities on the history and economics of famine, develops in this wide-ranging book, which provides crucial new perspectives on key questions raised by famines around the globe between the seventeenth and twenty-first centuries. The book begins with a taboo topic. Ó Gráda argues that cannibalism, while by no means a universal feature of famines and never responsible for more than a tiny proportion of famine deaths, has probably been more common during very severe famines than previously thought. The book goes on to offer new interpretations of two of the twentieth century's most notorious and controversial famines, the Great Bengal Famine and the Chinese Great Leap Forward Famine. Ó Gráda questions the standard view of the Bengal Famine as a perfect example of market failure, arguing instead that the

primary cause was the unwillingness of colonial rulers to divert food from their war effort. The book also addresses the role played by traders and speculators during famines more generally, invoking evidence from famines in France, Ireland, Finland, Malawi, Niger, and Somalia since the 1600s, and overturning Adam Smith's claim that government attempts to solve food shortages always cause famines. Thought-provoking and important, this is essential reading for historians, economists, demographers, and anyone else who is interested in the history and possible future of famine.

Irish Culture and Colonial Modernity 1800-2000

Exploring how colonial modernity transformed the spaces that sustained Ireland's oral culture, this book explains why Irish culture has been both so creative and so resistant to modernization. David Lloyd brings together manifestations of oral culture in the nineteenth and twentieth centuries, showing how the survival of orality was central both to resistance against colonial rule and to Ireland's modern definition as a postcolonial culture. Specific to Ireland as these histories are, they resonate with postcolonial cultures globally. This study is an important and provocative new interpretation of Irish national culture and how it came into being.

Party Pieces Alan W. Friedman 2007-10-29
"Irishness" has often meant self-dramatization because Ireland is commonly represented, and has historically represented itself, as a nation

storytellers, musicians, and virtuoso performers. Like many of their characters, Joyce and Beckett were superb musicians, creators of performance, and they sought both to evoke and exhaust the resources and rhythms of language and performance. In this groundbreaking work, Alan Warren Friedman explores the rich historical and literary backgrounds of this distinctly Irish phenomenon. He then explains its cultural significance and discusses the major works of both authors, illustrating the diverse ways in which Ireland is enacted. Party Pieces offers a distinct contribution to the critical study of Joyce and Beckett. Unlike other books on the subject of social performance, it places two great modern Irish writers within social and metaphorical conventions that are specifically moored in their Irishness. In so doing the author shows how social

impacted the works of Joyce and Beckett but also were central to their creative processes. Meticulously researched, convincingly argued, and clearly written, Party Pieces is an ideal reference for scholars of Joyce, Beckett, and Irish studies.

Rhetorics of Display

Lawrence J. Prelli

2021-12-24 Groundbreaking case studies mapping the rhetoric inherent in acts of presentation and concealment Rhetorics of Display is a pathbreaking volume that brings together a distinguished group of scholars to assess an increasingly pervasive form of rhetorical activity. Editor Lawrence J. Prelli notes in his introduction that twenty-first century citizens continually confront displays of information and images, from the verbal images of speeches and literature to visual images of film and photography to exhibits in museums to the arrangement of

to the merchandising of consumer goods. The volume provides an integrated, comprehensive study of the processes of selecting what to reveal and what to conceal that together constitute the rhetorics of display. Surveying major historical transformations in the relationship between rhetoric and display, this book also identifies the leading themes in relevant scholarship of the past three decades. Seventeen case studies canvass a representative and diverse range of displays—from body piercing to a civil rights memorial to a Titanic exhibition to imagery found in gambling casinos—and examine the ways that phenomena, persons, places, events, identities, communities, and cultures are exhibited before

audiences. Collectively the contributors shed light on rhetorics that are nearly ubiquitous in contemporary communication and culture. Small Differences Donald Harman Akenson 1988-04-01 The assumption that Irish Protestants and Irish Catholics are fundamentally different is central to modern Irish history. There are hundreds of books and thousands of articles that either presuppose the existence of Irish Catholic-Protestant differences

Special Sorrows Matthew Frye Jacobson 2002-05-21 *Special Sorrows* carefully delineates the centrality of Jewish, Polish and Irish supporters in the United States to national liberation movements abroad and details how such movements shaped immigrant life in the United States.
