Summary of Parker J. Palmer's *Let Your Life Speak* Everest Media, 2022-08-22T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The old Quaker saying, Let your life speak, has a different meaning for me today. It means listening to my life before I decide what I want to do with it. #2 Vocation is not about making a list of values and trying to live up to them. It is about listening to

your life and understanding what it is trying to tell you. Behind this understanding of vocation is a truth that the ego does not want to hear: everyone has a different life than the I of daily consciousness, and that life is trying to live through you. #3 We must learn to listen to our lives, and we must do so under quiet, inviting, and trustworthy conditions. The soul is not responsive to subpoenas or cross-examinations, and it will only speak its truth under these conditions. #4 The soul is like a wild animal. It is

tough, resilient, savvy, self-sufficient, and yet exceedingly shy. If we want to see a wild animal, we should not go crashing through the woods shouting for it to come out. We should walk quietly into the woods and sit silently for an hour or two at the base of a tree.

Let Your Life Speak Palmer 1999-09 With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

To Know as We Are Known Parker J. Palmer 2010-06-22 This primer on authentic education explores how mind and heart can work together in the learning process. Moving beyond the bankruptcy of our current model of education, Parker Palmer finds the soul of education through a lifelong cultivation of the wisdom each of us possesses and can share to benefit others.

Rising to the Call Os Guinness 2008-05 In a special hardcover edition of *The Call*, Os Guinness challenges readers to address the search for life's meaning. This stickered graduation edition is perfect for gift-giving.

Let Your Life Speak Parker J. Palmer 2015-06-22 PLEASE NOTE: Some recent copies of *Let Your Life Speak* included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to josseybasseducation@wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, *Let Your Life Speak* hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

To be of Use Marge Piercy 2004

A Hidden Wholeness Parker J. Palmer 2022-08-24 In *A Hidden Wholeness*, Parker Palmer reveals the same compassionate intelligence and informed heart that shaped his best-selling books *Let Your Life Speak* and *The Courage to Teach*. Here he speaks to our yearning to live undivided lives—lives that are congruent with our inner truth—in a world filled with the forces of fragmentation. Mapping an inner journey that we take in solitude and in the company of others, Palmer describes a form of community that

fits the limits of our active lives. Defining a “circle of trust” as “a space between us that honors the soul,” he shows how people in settings ranging from friendship to organizational life can support each other on the journey toward living “divided no more.” This paperback edition includes two new and useful features. *Circles of Trust* is a DVD containing interviews with Parker J. Palmer and footage from retreats he facilitated for the Center for Courage & Renewal (www.CourageRenewal.org). *Bringing the Book to Life*, by Caryl Hurtig Casbon and Sally Z. Hare, is a reader's and leader's guide to exploring the themes in *A Hidden Wholeness*. The DVD illuminates and illustrates the principles and practices behind circles of trust. The guide includes questions that connect the DVD to the book, offering “a conversation with the author” as well as an engagement with the text. Together, these features give readers new ways to internalize the themes of *A Hidden Wholeness* and share with others this approach to sustaining identity and integrity in all the venues of our lives. Inspired by Palmer's writing and speaking—and challenged by the conditions of twenty-first century life—people across the country, from many walks of life, have been coming together in circles of trust to reclaim their integrity and help foster wholeness in their workplaces and their world. For over a decade, the principles and practices in this book have been proven on the ground—by parents and educators, clergy and politicians, community organizers and corporate executives, physicians and attorneys, and many others who seek to rejoin soul and role in their private and public lives. *A Hidden Wholeness* weaves together four themes that its author has pursued for forty years: the shape of an integral life, the meaning of community, teaching and learning for transformation, and nonviolent social change. The hundreds of thousands of people who know Parker Palmer's books will be glad to find the journey continued

Listening to Your Life Frederick Buechner 2009-10-13 Daily meditations taken from the works of an acclaimed novelist, essayist, and preacher who has articulated what he sees with a freshness and clarity and energy that hails our stultified imaginations.

The Promise of Paradox Parker J. Palmer 2010-02-22 First published in 1980—and reissued here with a feisty new introductory essay—*The Promise of Paradox* launched Parker J. Palmer's career as an author and his ongoing exploration of the contradictions that vex and enrich our lives. In this probing and heartfelt book, the distinguished writer, teacher, and activist examines some of the challenging questions at the core of Christian spirituality. How do we live with the apparent opposition between good and evil, scarcity and abundance, individuality and community, death and new life? We can hold them as paradoxes, not “either/ors,” allowing them to open our minds and hearts to new ways of seeing and being.

Healing the Heart of Democracy Parker J. Palmer 2014-07-31 Hope for American democracy in an era of deep divisions In *Healing the Heart of Democracy*, Parker J. Palmer quickens our instinct to seek the common good and gives us the tools to do it. This timely, courageous and

practical work—intensely personal as well as political—is not about them, "those people" in Washington D.C., or in our state capitals, on whom we blame our political problems. It's about us, "We the People," and what we can do in everyday settings like families, neighborhoods, classrooms, congregations and workplaces to resist divide-and-conquer politics and restore a government "of the people, by the people, for the people." In the same compelling, inspiring prose that has made him a bestselling author, Palmer explores five "habits of the heart" that can help us restore democracy's foundations as we nurture them in ourselves and each other: An understanding that we are all in this together An appreciation of the value of "otherness" An ability to hold tension in life-giving ways A sense of personal voice and agency A capacity to create community Healing the Heart of Democracy is an eloquent and empowering call for "We the People" to reclaim our democracy. The online journal Democracy & Education called it "one of the most important books of the early 21st Century." And Publishers Weekly, in a Starred Review, said "This beautifully written book deserves a wide audience that will benefit from discussing it."

The Courage to Teach Parker J. Palmer 2009-05-18 "This book is for teachers who have good days and bad -- and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life." - Parker J. Palmer [from the Introduction] Teachers choose their vocation for reasons of the heart, because they care deeply about their students and about their subject. But the demands of teaching cause too many educators to lose heart. Is it possible to take heart in teaching once more so that we can continue to do what good teachers always do -- give heart to our students? In *The Courage to Teach*, Parker Palmer takes teachers on an inner journey toward reconnecting with their vocation and their students -- and recovering their passion for one of the most difficult and important of human endeavors.

On the Brink of Everything Parker J. Palmer 2018-06-26 Aging as a passage of discovery and engagement From bestselling author Parker J. Palmer comes a brave and beautiful book for all who want to age reflectively, seeking new insights and life-giving ways to engage in the world. "Age itself," he says, "is no excuse to wade in the shallows. It's a reason to dive deep and take creative risks." Looking back on eight decades of life—and on his work as a writer, teacher, and activist—Palmer explores what he's learning about self and world, inviting readers to explore their own experience. In prose and poetry—and three downloadable songs written for the book by the gifted Carrie Newcomer—he meditates on the meanings of life, past, present, and future. "The laws of nature that dictate sundown dictate our demise. But how we travel the arc toward the sunset of our lives is ours to choose: will it be denial, defiance, or collaboration?" With compassion and chutzpah, gravitas and levity, Palmer writes about cultivating a vital inner and outer

life, finding meaning in suffering and joy, and forming friendships across the generations that bring new life to young and old alike.

40-Day Journey with Parker J. Palmer Henry F. French * Includes passages from Scripture and opportunities to reflect and pray * Ideal for use during Advent or Lent.

Callings Gregg Michael Levoy 1998-09-08 How do we know if we're following our true callings? How do we sharpen our senses to cut through the distractions of everyday reality and hear the calls that are beckoning us? is the first book to examine the many kinds of calls we receive and the great variety of channels through which they come to us. A calling may be to do something (change careers, go back to school, have a child) or to be something (more creative, less judgmental, more loving). While honoring a calling's essential mystery, this book also guides readers to ask and answer the fundamental questions that arise from any calling: How do we recognize it? How do we distinguish the true call from the siren song? How do we handle our resistance to a call? What happens when we say yes? What happens when we say no? Drawing on the hard-won wisdom and powerful stories of people who have followed their own calls, Gregg Levoy shows us the many ways to translate a calling into action. In a style that is poetic, exuberant, and keenly insightful, he presents an illuminating and ultimately practical inquiry into how we listen and respond to our calls, whether at work or at home, in our relationships or in service. *Callings* is a compassionate guide to discovering your own callings and negotiating the tight passages to personal power and authenticity.

Speak: The Graphic Novel Laurie Halse Anderson 2018-02-06 The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

A Leadership Guide for Women in Higher Education Marjorie Hass 2021-08-10 "This book aims to give women the frank, supportive advice they need to advance in their careers and to lead with excellence. Based on the author's fifteen years of senior leadership experience at three different colleges and her mentorship work with dozens of women, this book guides women through launching, building, and advancing an academic career"--

The Heart of Learning Steven Glazer 1999-03 Explorations on "how the everyday act of learning can enrich the soul."--Cover.

Compassion Henri J. M. Nouwen 2006-01-17 In this provocative essay on that least understood virtue, compassion, the authors challenge themselves and us with these questions: Where do we place compassion in our lives? Is it enough to live a life in which we hurt one another as little as possible? Is our guiding ideal a life of maximum pleasure and minimum pain? Compassion answers no. After years of study and discussion among themselves, with other religious, and with men and women at the very center of national politics, the authors look at compassion with a vigorous new perspective. They place compassion at the heart of a Christian life in a world governed far too long by principles of power and destructive control. Compassion, no longer merely an eraser of human mistakes, is a force of prayer and action -- the expression of God's love for us and our love for God and one another. Compassion is a book that says no to a compassion of guilt and failure and yes to a compassionate love that pervades our spirit and moves us to action. Henri Nouwen, Donald McNeill, and Douglas Morrison have written a moving document on what it means to be a Christian in a difficult time.

Awakening Somatic Intelligence Graeme Lynn 2016-10-21 Focussing on distinct body practice from a range of different methods, Graeme Lynn demonstrates how to use the physical body to encourage general health and wellbeing. Starting with the fundamental concepts of movement to more advanced practice, this book will serve as a comprehensive guide to developing the physical body to transform the quality of movement, and bring greater pleasure and effectiveness into every action. Specific lessons include The Alexander Technique, The Feldenkrais Method, and Hatha Yoga. Describing the core benefits of these methods, why they complement each other and how to use them, this is essential reading for students and practitioners of somatic methods as well as anyone interested in learning new ways to optimise health and wellbeing.

The Politics of the Brokenhearted Parker J. Palmer 2005 The Politics of the Brokenhearted "I write at a heartbreaking moment in American history. This 'one nation, indivisible' is deeply divided along political, economic, racial, and religious lines. And, despite our historic dream of being 'a light unto the nations,' the gaps between us and our global neighbors continue to grow more deadly. The conflicts and contradictions of twenty-first-century life are breaking the American heart and threatening to compromise our democratic values. We think of heartbreak as a personal, not a political, condition. But I believe that heartbreak offers a powerful lens through which to examine the well-being of the body politic. I want to use that lens to examine the way we hold tensions in politics as well as private life—a critical connection in a democracy that rises or falls on our individual and collective capacity to respond to conflict in a life-giving, not death-dealing, way. The image of a broken heart may seem too sentimental for politics, yet diagnosing, addressing, and sometimes manipulating heartbreak has long been implicit in realpolitik. The 'values vote' that helped swing the 2004 presidential election seemed to take the

media by surprise. But politicians have long understood that advocacy related to the issues that break people's hearts—such as abortion, marriage and the family, patriotism, religion in public life, and fear of many sorts, not least of terrorism—always elicits votes. Indeed, railing against the sources of heartbreak, real or imaginary, keeps winning elections even when the rhetoric consistently outstrips legislative results. The word heartbreak may be infrequent in the literature of political science, but the human reality it points to is an engine of political life." —Parker J. Palmer, from *The Politics of the Brokenhearted: On Holding the Tensions of Democracy* The Fetzer Institute's project on Deepening the American Dream began in 1999 to explore the relationship between the inner life of spirit and the outer life of service. Through commissioned essays and in dialogue with such writers as Huston Smith, Jacob Needleman, Gerald May, Cynthia Bourgeault, Kathleen Norris, Robert Inchausti, Carolyn Brown, Elaine Pagels, Parker Palmer, and others, the project is beginning to sow the seeds of a national conversation. With the publication of these essays, the thinking and writing coming from these gatherings is being offered in a series of publications sponsored by Fetzer Institute in partnership with Jossey-Bass. The essays and individual volumes and anthologies to be published will explore and describe the many ways, as individuals and communities and nations, that we can illuminate and inhabit the essential qualities of the global citizen who seeks to live with the authenticity and grace demanded by our times.

Calling and Clarity Doug Koskela 2015-01-15 Young adults often encounter mixed messages about vocation from their families, friends, and churches. On the one hand, they are encouraged to look at their gifts and passions to discern their particular calling; on the other hand, they are told that God may ask something of them that they don't want to do or aren't prepared for. The discontinuity between these messages has led to frustration for many. Seeking to ease that frustration with this book, Doug Koskela carefully distinguishes between "missional calling," "direct calling," and "general calling." Koskela clarifies the relationship between gifts, passions, and vocation even as he offers practical guidance for the process of vocational discernment. This is a book for those who want to use their time, energy, and abilities faithfully as they move with purpose toward the future. Watch a 2015 interview here:

Called Ryan J. Pemberton 2015-02-10 *Called* is the heart-breaking, humorous, and refreshingly honest account of one twenty-something's adventure of learning what it means to be called by God—an adventure that took him to England, C. S. Lewis's house, and back again—and why it was only in the reality of his worst nightmare that he learned what it means to be called. What is it like to be "called" by God for a particular purpose? What can you learn for your own life of faith from such a calling? Through a series of personal anecdotes, illuminating conversations, and candid reflections, *Called* brings you face-to-face not only with the world of C. S. Lewis, but also with the very real peaks and valleys of pursuing a

calling. Seeking to reclaim the uniquely Christian sense of calling, Pemberton shows that God's call cannot be reduced to one's dreams, skills, or passions, vividly and powerfully illustrating how Christ turns ideas of failure and success on their head. Called will encourage you to realize God has entered into your story, calling out to you anew each day with the words, "Follow me," leaving you to ask, Will I be obedient to the calling set before me?

The Way of Transition William Bridges 2001-01-01 Provides guidance for dealing with personal loss and transition, based on the author's experiences after the death of his wife.

The Dark Night of the Soul Gerald G. May 2009-03-31 Now in paperback: a distinguished psychiatrist, spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep, authentic, healthy spirituality. Gerald G. May, MD, one of the great spiritual teachers and writers of our time, argues that the dark 'shadow' side of the true spiritual life has been trivialised and neglected to our serious detriment. Superficial and naively upbeat spirituality does not heal and enrich the soul. Nor does the other tendency to relegate deep spiritual growth to only mystics and saints. Only the honest, sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as 'the dark night of the soul' can lead to true spiritual wholeness. May emphasises that the dark night is not necessarily a time of suffering and near despair, but a time of deep transition, a search for new orientation when things are clouded and full of mystery. The dark gives depth, dimension and fullness to the spiritual life.

Immortal Diamond Richard Rohr 2012-01-02 Dissolve the distractions of ego to find our authentic selves in God In his bestselling book *Falling Upward*, Richard Rohr talked about ego (or the False Self) and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves Written by Father Richard Rohr, the bestselling author of *Falling Upward* Examines the fundamental issues of who we are and helps us on our path of spiritual maturity *Immortal Diamond* (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style.

A Place Called Community Parker J. Palmer 1977

The Gift of Being Yourself David G. Benner 2015-09-24 In the expanded edition of this profound exploration of Christian identity, David G. Benner illuminates the spirituality of self-discovery. He exposes the false selves

that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ. Deepen your experience of God through discovering the gift of being yourself.

In Search of Authenticity Jacob Golomb 2012-11-12 Great philosophers such as Kierkegaard, Nietzsche and Sartre have clearly been preoccupied by the possibility of authenticity. In this study, Jacob Golomb looks closely at the literature and writings of these philosophers in his analysis of their ethics. Golomb's writings show his passionate commitment to the quest for the authenticity - particularly in our climate of post-modern scepticism. He argues that existentialism is all the more pertinent and relevant today when set against the general disillusionment which characterises the late twentieth century. This book is invaluable reading for those who have been fascinated by figures like Camus's Meursault, Sartre's Matthieu and Nietzsche's Zarathustra.

Einstein's God Krista Tippett 2010-02-23 A New York Times bestseller "An exhilarating exploration of the meaning of it all." --Robert Wright, author of *The Evolution of God* Drawn from Krista Tippett's Peabody Award-winning public radio program, the conversations in this profoundly illuminating book reach for a place too rarely explored in our ongoing exchange of ideas-- the nexus of science and spirituality. In fascinating interviews with such luminaries as Freeman Dyson, Janna Levin, Parker Palmer, and John Polkinghorne, Krista Tippett draws out the connections between the two realms, showing how even those most wedded to hard truths find spiritual enlightenment in the life of experiment and, in turn, raise questions that are richly, theologically evocative. Whether she is speaking with celebrated surgeon and author Sherwin Nuland about the biology of the human spirit or questioning Darwin biographer James Moore about his subject's religious beliefs, Tippett offers a rare look at the way our best minds grapple with the questions for which we all seek answers.

An Altar in the World Barbara Brown Taylor 2017-03-31 In this highly acclaimed and lyrical modern classic, bestselling author Barbara Brown Taylor reveals the countless ways we can discover divine depths in the small things we do and see every day. While people will often go to extraordinary lengths in search of a 'spiritual experience', she shows that the stuff of our everyday lives is a holy ground where we can encounter God at every turn. For her, as for Jacob in the Genesis story, even barren, empty deserts can become "the house of God and the gate of heaven", places where a ladder of angels connects heaven to earth and earth to heaven. *An Altar in the World* reveals concrete ways to discover the sacred in such ordinary occurrences as hanging out the washing, doing the supermarket shop, feeding an animal, or losing our way. It will transform our understanding of ourselves and the world we live in, and renew our sense of wonder at the extraordinary gift of life.

On the Brink of Everything Parker J. Palmer 2018-06-26 "This impassioned book invites readers to the deep end of life where authentic soul work and human transformation become pressing concerns." --Publishers Weekly

2019 Independent Publisher Book Awards Gold Medalist in the Aging/Death & Dying Category From bestselling author Parker J. Palmer comes a brave and beautiful book for all who want to age reflectively, seeking new insights and life-giving ways to engage in the world. "Age itself," he says, "is no excuse to wade in the shallows. It's a reason to dive deep and take creative risks." Looking back on eight decades of life—and on his work as a writer, teacher, and activist—Palmer explores what he's learning about self and world, inviting readers to explore their own experience. In prose and poetry—and three downloadable songs written for the book by the gifted Carrie Newcomer—he meditates on the meanings of life, past, present, and future. With compassion and chutzpah, gravitas and levity, Palmer writes about cultivating a vital inner and outer life, finding meaning in suffering and joy, and forming friendships across the generations that bring new life to young and old alike. "This book is a companion for not merely surviving a fractured world, but embodying—like Parker—the fiercely honest and gracious wholeness that is ours to claim at every stage of life." —Krista Tippett, New York Times-bestselling author of *Becoming Wise* "A wondrously rich mix of reality and possibility, comfort and story, helpful counsel and poetry, in the voice of a friend . . . This is a book of immense gratitude, consolation, and praise." —Naomi Shihab Nye, National Book Award finalist

The Active Life Parker J. Palmer 1999-08-11 ENGAGE THE SPIRIT AND TRUTH OF THE ACTIVE LIFE What spiritual sources can we draw on to receive guidance for—and from—our lives in the world of action? *The Active Life* is Parker J. Palmer's deep and graceful exploration of a spirituality for the busy, sometimes frenetic lives many of us lead. Telling evocative stories from a variety of religious traditions, including Taoist, Jewish, and Christian, Palmer shows that the spiritual life does not mean abandoning the world but engaging it more deeply through life-giving action. He celebrates both the problems and potentials of the active life, revealing how much they have to teach us about ourselves, the world, and God.

[Introducción a la teología cristiana / Introduction To Christian Theology](#)
Justo L. Gonzalez 2003 Una clara, concisa y atrayente introducción a un campo que esta regresando una vez mas, especialmente entre los laicos comprometidos con el renovado interés en el crecimiento espiritual dentro del contexto de una tradición eclesial. Como historiadores del cristianismo, los autores de este libro ofrecen una introducción a las doctrinas cristianas tradicionales. Escrito en un estilo claro directo, este libro presenta una reseña de las raíces, los contextos particulares, y los entendimientos doctrinales de temas como la teología, Dios, el ser humano, Jesucristo, la iglesia, y la esperanza.

Sabbath as Resistance Walter Brueggemann 2014-01-03 Discussions about the Sabbath often center around moralistic laws and arguments over whether a person should be able to play cards or purchase liquor on Sundays. In this volume, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a

whole person and restoring a whole society. Importantly, Brueggemann speaks to a 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat more, and drink more. Keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God, other people, all life. Brueggemann offers a transformative vision of the wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance.

Healing the Heart of Democracy Parker J. Palmer 2011-07-15 Hope for American democracy in an era of deep divisions In *Healing the Heart of Democracy*, Parker J. Palmer quickens our instinct to seek the common good and gives us the tools to do it. This timely, courageous and practical work—intensely personal as well as political—is not about them, "those people" in Washington D.C., or in our state capitals, on whom we blame our political problems. It's about us, "We the People," and what we can do in everyday settings like families, neighborhoods, classrooms, congregations and workplaces to resist divide-and-conquer politics and restore a government "of the people, by the people, for the people." In the same compelling, inspiring prose that has made him a bestselling author, Palmer explores five "habits of the heart" that can help us restore democracy's foundations as we nurture them in ourselves and each other: An understanding that we are all in this together An appreciation of the value of "otherness" An ability to hold tension in life-giving ways A sense of personal voice and agency A capacity to create community *Healing the Heart of Democracy* is an eloquent and empowering call for "We the People" to reclaim our democracy. The online journal *Democracy & Education* called it "one of the most important books of the early 21st Century." And *Publishers Weekly*, in a Starred Review, said "This beautifully written book deserves a wide audience that will benefit from discussing it."

The Company of Strangers Parker J. Palmer 1983-08 This book is a new and original voice in Christian spirituality. A valuable and practical resource for both clergy and laity, a balance vision of the renewal of public life and how the church can contribute to it.

See No Stranger Valarie Kaur 2020-06-16 An urgent manifesto and a dramatic memoir of awakening, this is the story of revolutionary love. Finalist for the Dayton Literary Peace Prize • "In a world stricken with fear and turmoil, Valarie Kaur shows us how to summon our deepest wisdom."—Elizabeth Gilbert, author of *Eat Pray Love* How do we love in a time of rage? How do we fix a broken world while not breaking ourselves? Valarie Kaur—renowned Sikh activist, filmmaker, and civil rights lawyer—describes revolutionary love as the call of our time, a radical, joyful practice that extends in three directions: to others, to our opponents, and to ourselves. It enjoins us to see no stranger but instead look at others and say: You are part of me I do not yet know. Starting from that place of wonder, the world begins to change: It is a practice that can transform a

relationship, a community, a culture, even a nation. Kaur takes readers through her own riveting journey—as a brown girl growing up in California farmland finding her place in the world; as a young adult galvanized by the murders of Sikhs after 9/11; as a law student fighting injustices in American prisons and on Guantánamo Bay; as an activist working with communities recovering from xenophobic attacks; and as a woman trying to heal from her own experiences with police violence and sexual assault. Drawing from the wisdom of sages, scientists, and activists, Kaur reclaims love as an active, public, and revolutionary force that creates new possibilities for ourselves, our communities, and our world. See *No Stranger* helps us imagine new ways of being with each other—and with ourselves—so that together we can begin to build the world we want to see.

The Courage to Teach Parker J. Palmer 2012-06-11 "This book is for teachers who have good days and bad — and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life." — Parker J. Palmer [from the Introduction] For many years, Parker Palmer has worked on behalf of teachers and others who choose their vocations for reasons of the heart but may lose heart because of the troubled, sometimes toxic systems in which they work. Hundreds of thousands of readers have benefited from his approach in *THE COURAGE TO TEACH*, which takes teachers on an inner journey toward reconnecting with themselves, their students, their colleagues, and their vocations, and reclaiming their passion for one of the most challenging and important of human endeavors. This book builds on a simple premise: good teaching cannot be reduced to technique but is rooted in the identity and integrity of the teacher. Good teaching takes myriad forms but good teachers share one trait: they are authentically present in the classroom, in community with their students and their subject. They possess "a capacity for connectedness" and are able to weave a complex web of connections between themselves, their subjects, and their students, helping their students weave a world for themselves. The connections made by good teachers are held not in their methods but in their hearts — the place where intellect, emotion, spirit, and will converge in the human self — supported by the community that emerges among us when we choose to live authentic lives. BONUS: Includes an audio CD featuring a 45-minute conversation between Parker Palmer and his colleagues, Marcy Jackson and Estrus Tucker from the Center for Courage & Renewal. They reflect

on what they have learned from working with thousands of teachers in their "Courage to Teach" program (www.CourageRenewal.org) and with others who yearn for greater integrity in their professional lives. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

The Purpose Path Nicholas Pearce 2019-04-09 "When you've found your life's purpose, work becomes meaningful to you. If you want to discover and live your purpose, read Nicholas Pearce's book. Not only will it inspire you to become who you were born to be, it also will show you how." - Ken Blanchard, New York Times bestselling coauthor of *The One Minute Manager*® How to build a meaningful career with a moral center and a purpose in the world. Some of the world's most successful companies—Google, Disney, Starbucks—are not simply profit-driven, but purpose-driven. They identify the purpose behind why they do what they do, and let their "why" drive what they do every day. Nicholas Pearce argues that we all should do the same: discover our "why" and commit to the journey of aligning our daily work with our life's work. *The Purpose Path* is for people in any field who long to have more than just a job or a career, but a true vocation that allows them to connect their soul with their role. *The Purpose Path* is organized around five key questions: What is success? Who am I? Why am I here? Am I running the right race? Am I running the race well? Nicholas Pearce sits at the unconventional intersection of academia, business, and faith. With examples and advice, he shows how he and other people in a variety of fields and at different life stages have asked and answered these five questions in order to start, shape, or even radically change their careers. Inspiring, thought-provoking, and practical, *The Purpose Path* is an essential book for anyone who seeks the clarity and courage to advance their authentic life's work every day.

Speaking of Faith Krista Tippett 2008-01-29 A thought-provoking, original appraisal of the meaning of religion by the host of public radio's *On Being* Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life—and of listening with care to those who endeavor to understand those mysteries—is nothing short of revolutionary.
