The Faith of Our Fathers: Being a Plain Exposition and Vindication of the Church Founded by Our Lord Jesus

Christ James Gibbons 1895

Letters 1–50 (The Fathers of the Church, Volume 76) Saint Cyril of Alexandria 2010-04-01 No description available

[The Faith of Our Fathers](#) James Gibbons 1891

Early Christian Fathers Cyril Richardson 1995-12 This selection of writings from early church leaders includes work by Clement of Rome, Ignatius, Polycarp, Irenaeus, Athenagoras, and Justin Martyr. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

Reading the Early Church Fathers James Leonard Papandrea 2012 Reading the Early Church Fathers introduces the reader to the primary sources of Church history, with commentary that will help the reader make sense of the theological/Christological trajectory that led the Church from the New Testament era, through the apologists, to the development of the major doctrines of the Church. Papandrea's treatment of the early Church fathers is unique in that he situates his discussion against the social and cultural context of the Roman Empire and its relationship to the Church, especially with regard to the effect of the persecutions on the Church. Instead of providing actual excerpts of the works under discussion, Reading the Early Church Fathers directs the reader to the primary sources available on the Internet, resources that will be updated regularly. The result, for all students of the early Church, is a unique and unprecedented "big picture" of early Christian literature. Book jacket.

The Fathers of the Church Mike Aquilina 2013-09-13 We hear the voices of the early Church Fathers even today. Their teachings, their guidance, their insights, and their sacrifice shaped the Catholic Church. They defined the canon of Scripture. They developed our creeds and forms of worship. They defined Christianity's distinctive moral sense. But who were they? What can we learn from their ancient teachings? What can the Fathers teach us in the 21st century - about holiness, culture, faith, and the Gospel? This is the definitive resource for anyone interested in learning about the Church Fathers and their legacy. Ideal for RCIA, catechists, and clergy as well as lay Catholics who want to learn more about the great teachers of early Christianity. In this new and extensively updated The Fathers of the Church, 3rd Edition, you will find: New: twenty Church Fathers never before covered in this series, New: many poets of ancient Christianity, whose hymns we still sing today, An extensively revised introduction, Nearly seventy-five more pages of information on the early Church, The Mothers of the Church and their impact, Research-friendly references and citations, topical index, timeline, and detailed bibliography Book jacket.

The Faith of Our Fathers James Cardinal Gibbons 1954 Perhaps this is the first time in your life that you have handled a book in which the doctrines of the Catholic Church are expounded by one of her own sons. You have, no doubt, heard and read many things regarding our Church; but has not your information come from teachers justly liable to suspicion? You asked for bread, and they gave you a stone. You asked for fish, and they reached you a serpent. Instead of the bread of truth, they extended to you the serpent of falsehood. Hence, without intending to be unjust, is not your mind biased against us because you listened to false witnesses? This, at least, is the case with thousands of my countrymen whom I have met in the brief course of my missionary career. The Catholic Church is persistently misrepresented by the most powerful vehicles of information. Aeterna Press

The Faith of the Early Fathers 1970 Selections from the Pre-Nicene and Nicene eras.

[The Apostolic Fathers ...](#) Joseph Barber Lightfoot 1898

The River of Life Francis Frangipane 1996-09-01 A river is rising from the throne of God. In its waves are healing

for the church and renewal for our society. Some of the vital topics Francis Frangipane discusses include... The Father's unchanging purpose Christ's commitment to His church The Holy Spirit's transforming work in us Surrendering to the lordship of Jesus Achieving unity in the body of Christ Creating harmony within the family, the church, and society Experiencing the flow of God's healing power Discover the source of the abundant supply of God's grace that transforms our lives so that we can impact our world for Jesus Christ.

The Faith of Our Fathers James Gibbons 2014-07-01 James Gibbons was a popular, inclusive figure in the American Catholic Church, rising through the ranks as a bishop, archbishop, and cardinal over the course of his service. In the abidingly popular volume *The Faith of Our Fathers*, Gibbons sets forth the chief tenets, beliefs, doctrines, and practices of Catholicism in a clear and straightforward manner.

The Fathers on the Sunday Gospels Holmes 2012 "Provides rich reflections on every Sunday gospel reading in the three-year Lectionary from Augustine, Bede, Ambrose, Gregory the Great, Aelred, John Scotus Erigena, Origen, Cyril of Alexandria, and many more"--P. [4] of cover.

[Mary and the Fathers of the Church](#) Luigi Gambero 2019-10-23 Father Luigi Gambero, internationally-known expert on early Christianity, presents a comprehensive survey of the development of Marian doctrine and devotion during the first eight centuries. Focusing on the lives and works of over thirty of the most famous Church Fathers and early Christian writers, Fr. Gambero has produced a clear and readable summary of the richness of the patristic age's theological and devotional approach to the Mother of God. The book contains numerous citations from the works of those men who developed the defining Christological and Mariological positions that have constituted the foundational doctrinal teaching of the Church. Each chapter concludes with an extended reading from the works of the patristic authors. A number of these texts have never before been published in English. The thought of the Fathers and early Christian writers continues to fascinate readers today. Their theological acuity and spiritual depth led them faithfully into the mysteries of Sacred Scripture. Their vast experience made them reliable and trustworthy witnesses to the faith of the people of God.

The Fathers of the Church Hubertus R. Drobner 2007 "The Fathers of the Church: A Comprehensive Introduction presents the most important authors and works of the early history of Christian literature. Spanning the first seven hundred years of Christianity, Hubertus R. Drobner introduces writers such as Philo, Origen, Eusebius, Jerome, and Augustine, among many others. All of the authors are presented in their respective political, social, ecclesiastical, and cultural contexts, and are organized in terms of bibliographies, editions, English translations, ancillary sources, and relevant literature."--Jacket.

Reading Scripture with the Church Fathers Christopher A. Hall 1998-08-21 Christopher Hall shows that studying the writings of the leaders of the early church reveals how the Bible was understood in the centuries closest to its writing. He also lays out how modern Christians can benefit from patristic interpretation of Scripture. [The Holy Quran: English Translation of the Meanings](#) Abdullah Yusuf Ali 2016-08-05 The Quran is among the most influential books in the history of literature, and is a source of Islam. This translation by Sir Yusuf Ali is one of the most widely known and used in the English-speaking world.

The Beauty of the Eucharist Dennis Billy 2009-09 This book examines what some of the most prominent voices of Christianity's distant past have taught about the Eucharist including Ambrose, Basil the Great, Gregory of Nyssa, John Chrysostom, Jerome, and Augustine of Hippo. A title for the Year of the Priest, this book examines what some of the most prominent voices of Christianity's distant past have taught about the Eucharist. The author's goal is to look at how the proponents of an emerging Christian orthodoxy understood, celebrated, and presented the Eucharist in the centuries immediately following the end of the apostolic era. Father Billy has made a monumental contribution to the popularization of the Church Fathers at a time in the life of the religious community when being reminded of tradition is vital for the perpetuity of the faith. By a careful, sensitive, and thoroughly readable

exposure to the original texts of the Fathers, this book provides the faith community and the individual with a very useful resource of the Church's teaching about the Eucharist. If ever a time was right for such a reintroduction of the Fathers' teachings, now is unquestionably the time. John H. Morgan, Ph.D. President, Graduate Theological Foundation Dennis Billy has done a masterful job of exposing us to almost 600 years of Christian belief on the Eucharist as reflected in the Fathers of the Church. He reminds us that this living faith of the dead is part of our heritage, something that we ignore only at our peril and loss. His writing is clear, practical, and his treatment of each Father consistent. He helps us to see how each writer adds to the mosaic and richness of our Eucharistic faith. Especially helpful are the reflection questions that end each chapter, as these force readers to plumb the depth of their own understanding and faith, and to examine how the Eucharist affects the whole of their Christian lives. I recommend it highly. Paul Bernier, SSS Editor, Emmanuel Magazine

The Fathers Know Best Jimmy Akin 2010 What Did Early Christians Really Believe? The Answer Will Surprise and Amaze You! The Fathers Know Best: Your Essential Guide to the Teachings of the Early Church is a unique resource that introduces you to the teachings of the first Christians in a way no other work can. It is specially designed to make it easy for you to find the information you want and need. Amazing features in this fact-packed book include: More than 900 quotations from the writings of the early Church Fathers, as well as from rare and important documents dating back to the dawn of Christian history. Mini-biographies of nearly 100 Fathers, as well as descriptions of dozens of key early councils and writings. A concise history of the dramatic spread of Christianity after Jesus told his disciples to evangelize all nations. Special maps showing you where the Fathers lived, including many little-known and long-vanished locations. A guide to nearly 30 ancient heresies, many of which have returned to haunt the modern world. The Fathers' teaching on nearly 50 topics, including modern hot-button issues like abortion, homosexuality, and divorce. This groundbreaking work presents the teachings of the early Christians in a way unlike any other book. It flings open the doors of the crucial but little-known age covering the birth of Christianity and the triumphant march of the gospel throughout the ancient world.

Unity in the Church Or the Principle of Catholicism Johann Adam Möhler 1996 Originally written in 1825, this book upholds a romantic view of the Catholic Church, describing it as the organic development of the life-giving Holy Spirit. It uses the works of the Church Fathers to demonstrate to contemporary Protestant opponents that the Scriptures arose from within the Church.

Life in the Trinity Donald Fairbairn 2009-09-28 What can the early church contribute to theology today? Donald Fairbairn takes us back to the biblical roots and central convictions of the early church, showing us what we have tended to overlook, especially in our understanding of God as Trinity, the person of Christ and the nature of our salvation as sharing in the Son's relationship to the Father.

Seven Exegetical Works (The Fathers of the Church, Volume 65) Saint Ambrose 2010-04 No description available
Handbook of Patristic Exegesis Charles Kannengiesser 2022-11-28 Through this comprehensive Handbook, the reader will obtain a balanced and cohesive picture of the Early Church. It gives an overall view of the reception, transmission, and interpretation of the Bible in the life and thought of the Church during the first five centuries of Christianity. The print edition is available as a set of two volumes (9789004098152).

The Teachings of the Church Fathers John Randolph Willis 2002-01-01 The Fathers of the Church have been a vital source of wisdom and inspiration for countless saints, popes, peasants, and converts throughout the history of the Church. In this powerful one-volume library, Father Willis presents more than 250 selected doctrinal topics in an exhaustive selection of writings from the major sources of the Fathers. He lets the Fathers speak for themselves on a wide variety of spiritual themes.

The Faith of Our Fathers James Gibbons 2018-10-08 Perhaps this is the first time in your life that you have handled a book in which the doctrines of the Catholic Church are expounded by one of her own sons. You have, no doubt, heard and read many things regarding our Church; but has not your information come from teachers justly liable to suspicion? You asked for bread, and they gave you a stone. You asked for fish, and they reached you a serpent. Instead of the bread of truth, they extended to you the serpent of falsehood. Hence, without intending to be unjust, is not your mind biased against us because you listened to false witnesses? This, at least, is the case with thousands of my countrymen whom I have met in the brief course of my missionary career. The Catholic Church is persistently misrepresented by the most powerful vehicles of information.

Catechism of the Catholic Church U.S. Catholic Church 2003-03-04 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Rediscovering the Church Fathers Michael A. G. Haykin 2011-03-02 While the church today looks quite different than it did two thousand years ago, Christians share the same faith with the church fathers. Although separated by time and culture, we have much to learn from their lives and teaching. This book is an organized and convenient introduction to how to read the church fathers from AD 100 to 500. Michael Haykin surveys the lives and teachings of seven of the Fathers, looking at their role in such issues as baptism, martyrdom, and the relationship between church and state. Ignatius, Cyprian, Basil of Caesarea, and Ambrose and others were foundational in the growth and purity of early Christianity, and their impact continues to shape the church today. Evangelical readers interested in the historical roots of Christianity will find this to be a helpful introductory volume.

Evangelism in the Early Church Michael Green 2023-09-28 Now a modern classic, Michael Green's Evangelism in the Early Church shows how the first Christians worked to spread the good news to the rest of the world.

Studying the New Testament and church fathers, Green explores the earliest methods, motives, and strategies of spreading the good news. He also considers the obstacles to evangelism, using outreach to Gentiles and to Jews as examples of differing contexts for proclamation. Thoroughly informed by primary sources, this book will help contemporary readers learn from the past and renew their own evangelistic vision.

Fathers of the Catholic Church Ellet Joseph Waggoner 1888

The Apostolic Fathers and the New Testament Clayton N. Jefford 2006-08-01 The apostolic fathers were authors of nonbiblical church writings of the first and early second centuries. These works are important because their authors, Clement I, Hermas, Ignatius of Antioch, Polycarp, and the author of the Epistle of Barnabas, were contemporaries of the biblical writers. Expressing pastoral concern, their writings are similar in style to the New Testament. Some of their writings, in fact, were venerated as Scripture before the official canon was decided. The Apostolic Fathers and the New Testament provides a comparison of the apostolic fathers and the New Testament that is at once comprehensive and accessible. What genres (letters, miracle stories, etc.) appear in what ways? What apostolic fathers seem to reflect which passages in the New Testament? What themes appear in both bodies of literature? How did the apostolic fathers adopt and adapt images from the New Testament? How do the New Testament and the Apostolic Fathers contribute to our understanding of how early Christians understood themselves in relation to the mother faith of Judaism? Any attempt to compare the Apostolic Fathers and the New Testament faces the difficulty that each set of writings represents diverse authors and historical contexts within the early church. As a result, scholars who work in the field have typically restricted their research to individual authors and writings. Thus, it has been difficult to come to any general observations about the larger corpus. After carefully examining images, themes, and concepts found in the New Testament and the apostolic fathers, Jefford posits some general observations and insights about the beliefs of the early church.

The Apostolic Fathers Clayton N. Jefford 2005 The Apostolic Fathers is a collection of early Christian writings from the late first and early second centuries, traditionally considered to have been written by those connected with the

Apostles, and therefore reflecting authentic Apostolic teaching. The Apostolic Fathers: An Essential Guide explains the nature of the collected writings as they stand between the world of the New Testament and later Christian writers, focusing upon what the texts say about ancient Christian thinkers, early church developments, and the evolution of theological ideas prior to the great ecumenical councils.

Fathers of the Faith Mike Aquilina 2022-02-14 In this volume from the Fathers of the Faith series, you'll be introduced to Saint Augustine of Hippo. Who was he? What did he teach? Where and when did he live? Why is he an important figure in the history of the Church? In this accessible, bite-sized introduction, renowned author, speaker, and television host Mike Aquilina gives an overview of Augustine's life as a proud North African in the fourth and fifth century. His conversion from sinful young man to Catholic priest and bishop is well known from his autobiography, Confessions. One of the four great Doctors of the Roman Catholic Church, Augustine is considered the authority on almost everything because he wrote about practically everything. He incorporated the best of secular philosophy and science into his thought. His works are an encyclopedia of the Christian faith, and his writings have impacted countless millions. His legacy endures today. About the Author Mike Aquilina is the award-winning author of more than fifty books on Catholic history, doctrine, and devotion. His works have been translated into many languages. He has hosted eleven television series and several documentary films. He and his wife, Terri, have been married since 1985. Their six children and growing number of grandchildren are much loved.

Manual of Patrology Bernard Schmid 2014-03-08 This little book, by a German Benedictine Father, is intended as nothing more than an "introduction" to the knowledge of the Fathers of the Church. It might be called a "handy-book" to the great collection of writers whose works appear in the "Cursus Patrologiae." No student has any chance of thoroughly mastering the whole of the three or four hundred volumes of Migne's edition. But, on the other hand, no one can pretend to a scientific knowledge of divinity, unless he has read the Fathers to some purpose. Students, therefore, whether those who are passing through their course in 11. seminary, or those who, in more

mature years, are following up some portion of the Church's great doctrinal inheritance, will always find a use for a small and well arranged guide to the epochs, the authors, and the subjects of patristic literature. An acquaintance with the writings of the Fathers of the Church is useful to students of theology on many heads. First, to be tolerably well read in the Fathers is to know theology in its historical aspect. No man ever possesses a true knowledge of things that have grown, unless, to a certain extent, he can trace the process of their growth. To understand, in all its circumstances and surroundings, the development of anyone dogma, is a splendid training in scientific theology. To appreciate what it was in the past, and in the actual circumstances that made St. Augustine defend with such amplitude and determination his views of grace and predestination, which, nevertheless, as he said, had always been held by the Church of God; to see with your own eyes in the pages of Athanasius and Hilary, how the terminology of the doctrine of the Blessed Trinity becomes distinct and clear-cut; to feel the tremulous and indignant emphasis which Leo puts in his oft-repeated formula of the Word made flesh; to follow Cyril of Alexandria through the thicket of his earnest speech, and recognize at every turn the traces of an adversary who is intent on denying to Jesus Christ his eternity and his divinity - this kind of study is a very different thing from learning formularies by heart, or getting up patristic texts in compendiums. Moreover, it is from the study of the Fathers that modern theology derives what I may call its elasticity. This is an age of manuals, abstracts, catechisms, and other apparatus for accomplishing the process which is known as "cramming." Education conducted on principles of this kind can never become part of one's mental, and spiritual life. The knowledge thus gained lies in the receptive power like a stone on the surface of a field; whatever crop the field grows, the stone has no share in fertilizing it. The Fathers did not write abstracts. They searched the Scriptures, compared testimonies, examined traditions and expostulated with false teachings. Most of them launched out from time to time into literary exposition, into rhetoric, or into poetry. A modern catechism read without the light of patristic illustration is both inadequate and misleading. When faith is described as being "to believe without doubting whatever God has revealed," the patristic student thinks of the long centuries, full of intellectual activity, during which that august word has been invoked, written about, defined, divided, lifted up, trampled upon and fought over - and he is the less likely to fancy that this definition tells him all about it. When he reads that God is the Supreme Spirit, Who exists of Himself, "he will remember, if he has read Athanasius, Hilary, and John Damascene, how the Greek and Latin intellect have striven to put into philosophic language the revelation of God's Name, I am Who am." The formularies say with easy consciousness that man was "made to God's image and likeness;" the Fathers have discussed from a hundred points of view what this divine revelation means.

Handbook of Patristic Exegesis Charles Kannengiesser 2004-06-01 Through this comprehensive Handbook, the reader will obtain a balanced and cohesive picture of the Early Church. It gives an overall view of the reception, transmission, and interpretation of the Bible in the life and thought of the Church during the first five centuries of Christianity.

Writings: [The Fount of Knowledge] Saint John (of Damascus) 1958

The Abiding Presence of the Holy Ghost in the Soul Bede Jarrett 2019-12-06 "The Abiding Presence of the Holy Ghost in the Soul" by Bede Jarrett As an English Dominican friar and Catholic priest who was also a noted historian and author, Jarrett had the expertise to write about the Holy Ghost. He felt he was able to see and feel it at work in the people and the world around him. In this book, he writes about that presence and the ways in which it managed to be pervasive even in English-speaking countries that weren't steeped in Latin scripture.

Day by Day with the Early Church Fathers Christopher D. Hudson 1999 For centuries, Christians have been challenged and inspired by the writings of the early church fathers. Their exhortations, thoughts, and meditations have been a beacon of light and hope to church leaders, laity, and theologians including Martin Luther, John Calvin, and John Wesley. Day by Day with the Early Church Fathers presents selections of these writings in a format that makes them readily accessible for daily meditation. Its 366 sections include powerful Bible passages and devotional readings taken from the 38-volume series The Early Church Fathers, first published in 1885. While the language of each devotion has been updated for readability, the original meaning has been preserved. Short biographical summaries lend insight into the lives of the early church fathers. Also the book's subject index helps readers to easily locate selections on specific topics.

Manual of Patrology (Classic Reprint) Bernard Schmid 2016-06-21 Excerpt from Manual of Patrology An acquaintance with the writings of the Fathers of the Church is useful to students of theology on many heads. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A Year with the Church Fathers Mike Aquilina 2010-10-01 Times change, but human nature does not. Neither do the daily struggles that all Christians experience in their walk with the Lord. Today as two thousand years ago we fight anger, pride, lust, spiritual sloth. Now as then we strive to be more diligent in prayer, more faithful to the commandments, more patient and charitable toward others. And in our time, no less than in the earliest centuries of Christianity, we need wise guidance to direct us on the road to holiness. In A Year with the Church Fathers, popular Patristics expert Mike Aquilina gathers the wisest, most practical teachings and exhortations from the Fathers of the Church, and presents them in a format perfect for daily meditation and inspiration. The Fathers were the immediate inheritors of the riches of the Apostolic Age, and their intimacy with the revelation of Jesus Christ is beautifully evident throughout their theological and pastoral writings: a profound patrimony that is ours to read and cherish and profit from. Learn to humbly accept correction from St. Clement of Rome. Let Tertullian teach you how to clear your mind before prayer. Read St. Gregory the Great and deepen your love for the Eucharist. Do you suffer from pain or illness? St. John Chrysostom's counsels will refresh you. Do you have trouble curbing your appetite for food and other fleshly things? St. John Cassian will teach you the true way to moderation

and self-control. A Year with the Church Fathers is different from a study guide, and more than a collection of pious passages. It is a year-long retreat that in just a few minutes every day will lead you on a cycle of contemplation, prayer, resolution, and spiritual growth that is guaranteed to bring you closer to God and His truth. From the Church Fathers we should expect nothing less.

Fallen Angels and the Origins of Evil Elizabeth Clare Prophet 2009-05-15 "Did rebel angels take on human bodies to fulfill their lust for the "daughters of men"? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews, and Christians but later condemned by both rabbis and Church Fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch's forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of

Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. **Fallen Angels and the Origins of Evil** takes you back to the primordial drama of Good and Evil, when the first hint of corruption entered a pristine world—earth. Contains Richard Laurence's translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels."

Christopher A. Hall 2009-11-25 Christopher Hall invites us to accompany the church fathers as they enter the sanctuary for worship and the chapel for prayer. He also takes us to the wilderness, where we learn from the early monastics as they draw close to God in their solitary discipline. Readers will enjoy a rich and rare schooling in developing their spiritual life in this unique survey of the life of worship from the perspective of the early Church.

Worshiping with the Church Fathers
