Apostles Howard Durfee 2019-05-21 This book represents an almost fifty-year period of both study and practical training in Christian ministry. For the author, Dr. Howard W. Durfee, it has been his life's work. Howard's quest for Christian truth began shortly after he was saved by the ministry of Campus Crusade for Christ. During his study at three of the leading seminaries of the world—Harvard Divinity School, The University of Edinburgh, and Fuller Theological Seminary—Howard was taught that the gifts and ministries of the New Testament had for the most part passed away after the New Testament era. There seemed to be a general confusion about why they had passed away. Regardless of all the theories, the important thing to Howard was that he could find no one in theological schools able to operate in the apostolic or prophetic ministries as described in the New Testament. The biggest shock to Howard was when he found less educated, nonseminary-trained ministers who claimed to be apostles and prophets. The problem was that these less scholarly ministers appeared to have both the gifts and ministries operating with the power of the Holy Spirit. In a search for truth, Howard determined to prove beyond any shadow of a doubt that there could be no modern apostles or prophets. The only problem was that Howard could not disprove the existence of modern apostles or prophets based on the New Testament or on church history. What follows in this book is the result of a lifetime of study on the apostolic ministry. After an introduction by Dr. Chuck Flynn, Howard defends the necessity of modern apostles. He then defines and describes what a New Testament apostle is. Next, Howard describes apostles as leaders to the church. Finally, Howard describes the three major historical functions of the apostolic ministry—to found churches, to govern churches, and to train the other New Testament ministries.

Apostolic and Prophetic Foundations 101 Roderick L. Evans 2009-05 The focus of this teaching and study material is not only to bring clarity and understanding to the apostolic and prophetic offices, but also to the apostolic and prophetic anointings. Becoming a Next-Level Prophet Jennifer LeClaire 2019-07-02 Prophets aren't sharpened in an instant. They must go through a "making" process to shape their character and burn off their impurities through experiencing the ways of God. As you explore your prophetic calling, you will understand your prophetic mission—and what it takes to progress through each level on your way to fulfilling your God-given destiny. In *Becoming a Next-Level Prophet*, author, speaker, and apostolic prophet Jennifer LeClaire encourages and challenges you to sharpen your prophetic edge through obedience, willingness, humility, selflessness, prayer, warfare, holiness, faithfulness, and accountability. She urges you to mature in your anointing and to be a good steward of the gifts with which God has entrusted you, pointing more people to Jesus. As spiritual warfare increases and the world is in desperate need for the clear voice of God, it is crucial that his prophets rise up with power and maturity.

No Other Foundation: Exploring the Apostolic and the Prophetic Anointings Roderick L. Evans 2003-03 Controversy over the gifts and ministries of the Spirit has abounded for centuries. Various scholars have taught that there was a cessation of

the gifts and ministries. More specifically, they affirm that the ministries of the Apostle and Prophet are no longer in operation nor valid. In this book, we will bring clarity to the roles of the apostles and prophets in the New Testament Church. In addition, we will explain with simplicity the apostolic and the prophetic anointing. It is our prayer that believers will recognize the operation of them in their lives and in the lives of others. We can be confident that God is still using His people in these last days.

101 Apostolic Keys Winston Cooper 2019-04-25 There is no better time than now to call for order among and within the universal Church where heresy and structural confusion are at their peak among the people of God. Who exactly are the people that God entrusted with the responsibility of keeping and maintaining order in the Church? This question is important for us to search out biblical truth and to submit to God's counsel and wisdom on this regards.' And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ: That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive; But speaking the truth in love, may grow up into him in all things, which is the head, even Christ.' - Ephesians 4:11 - 15 The above Scripture is the key that can unlock the door of solution to the crisis facing and challenging the Church today. In a brief, I will list some key words in the above Scripture which we must note and act upon in good faith. Yes, I say in good faith. 1. The principle of first thing emphasis the importance of anything mentioned first in the bible. On this instance, it is the Apostles. While all others are equally important, the Apostles took the prominent role of being the first among others. The Apostles are specifically called by Jesus to Church leadership and government with signs and wonders, and the grace to write epistles. 2. The major purpose of all the five - fold gifts to the Church is to perfect the Saints for the work of the ministry, and to edify the Body of Christ. 3. To speak the Truth in love without castigating any party. These vital points raised from the Bible are the major reasons for putting my pen on the paper, so as to speak the mind of God through His trusted Word to the Body of Christ of which I am a member, and an elder too.

Pentecost To The Present Jeff Oliver 2017-02 Contrary to popular belief, miracles did not pass away with the twelve apostles. If anything, the Pentecostal sparks that were lit by them continued to spread throughout the known world. In this first installment, the reader will learn how Jesus and the apostles established the concept of the Holy Spirit's abiding presence in the church laying the groundwork for a Christian initiation that included salvation and Spirit baptism. The reader will see how spiritual gifts operated through the twelve apostles as they spread Christianity into the known world. How bold witnesses, supernatural signs, and practical love resulted in massive expansion of the early church despite extreme persecution. How Montanism tried to revive the church from moral decay through strict living and prophetic gifts before it was rejected. How Emperor Constantine I reunited the Roman Empire under a new Christian-friendly regime. How the new state-run churches, overrun with sin, caused many to flee to the wilderness resulting in another intense spiritual revival. How the Middle Ages featured the mass conversion of much of northern Europe through miracle-working missionary monks, followed by a period of great jubilation, mystical faith, and charismatic revivals, and ending with the incredible healing ministry of Vincent Ferrer.

Modern Day Apostles & Prophets Les D Crause 2021-04-14 This Is What Apostles and Prophets Look Like Now Just before the end of the last century, the ministry and office of the Prophet were restored to the Church. Apostle Les was involved in helping pave the way for this, and he presented the first clear teachings on the Prophetic Office. A while later, as the new century dawned, the first signs of a new Apostolic Movement began to appear. And once again, he was there to present some of the first clear teachings on the Apostolic Office. But a lot has happened since then, and these two vital ministries have come into clearer focus in recent years. Now Apostles and Prophets are appearing everywhere. And it has become necessary for us to consolidate what exactly these ministries should look like, and how they should function. That is the main purpose for this new book on these ministries. Here you will find updated teachings on both of these ministries, and a clearer understanding of how they are meant to be in the end times in which we live. God is once again building His end times church on the foundation of these two essential ministry offices: Ephesians 2:19 Now therefore you are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; 20 And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner [stone]; (GBMV) If this is where God is taking you, then this book is for you.

Peter Wagner said "After reading The Apostolic Revelation, I want to congratulate you for it. It is a brilliant book. Apostles and Prophets Rick Renner 2023-01-17 What Are Apostles and Prophets and What Is Their Critical Role in an End-Times Church? These ministry gifts did not pass away with the last of Jesus' disciples. Christ gave them to the Church for all time, and they are still "alive and well" today. But what are apostles and prophets? Why is there so much controversy, error, and abuse in the Church concerning these ministry callings? In Apostles and Prophets - Their Roles in the

Past, Present, and Last-Days Church, Rick Renner defines these ministry offices biblically and historically, tracing their roles from the Early Church all the way to the present. Filled with vivid illustrations that recount Church history as you have perhaps never seen it, this book answers such questions as: What signs accompany true apostles and prophets? What defines false apostles and prophets? Why does Scripture refer to the Church as a vineyard, a body, and a temple? Why do you have a priestly ministry to fulfill? How do apostles and prophets equip you for priestly ministry? What is God's real intention for a last-days Church? Are you weary from being tossed around by mind-bending doctrines that leave you weak and disappointed? Would you like to participate in fulfilling God's masterful plan for the age? This book will fortify you with revelation you can build on! It will equip you to better understand and cooperate with the ministry of the apostle and prophet in this critical hour of the last-days Church.

Apostolic Guidelines to Release the Prophetic Kluane Spake 2013-03-03 It is my sincere prayer that this book on "Apostolic Guidelines to Prophecy" will change your life and ministry. I am Dr. Kluane Spake, and this book is how apostolic influence on the prophetic can bring great order, accuracy, and impact. Prophecy is as old as the Bible. Yet many don't understand--or even recognize--when and how it happens today. Taking an apostolic look at the prophetic gives a vastly different view than normally heard. As you go through this book you will discover that God is speaking to you in the NOW, the Present and wanting you to put words and action to your faith. Today, the Church is positioned on the periphery of what will go down in church history as a most powerful move of God. It is all about the apostolic government of the Church arising and taking its place. This book is about obtaining a greater force of RESULTS from the prophetic. The prophetic gift should be cherished, encouraged, and enhanced. All who are filled with the Spirit can and should participate in the "spirit of prophecy." Prophecy has been a part of Pentecostal and Charismatic Christian Church since early revivals in the Body of Christ. There have been many mis-uses and extremes. It is my hope to correct these errors and cause the prophets and prophetic ministry to have greater impact. We need to change nations and governments. Let's move past individual prophecy into greater engagement. Apostles and an apostolic mindset need to come alongside to help build guidelines and protocol in order to protect the Church and to help train ministries to have greater accuracy when they prophesy. Fulfilled prophecy is one of the strongest evidences for the truthfulness of the Bible and the authenticity of Jesus Christ. That is why we must be more cautious of the prophecy we give and receive. Prophecy fulfillment is imperative in order to build credibility. The Holy Spirit still enables believers to prophecy. God is still actively involved in our lives. True prophecy and the true prophetic will be accurate and trustable. It will be revelation. Learn how to make fewer mistakes! Learn how to build your ministry with ethics and accountability. True Biblical prophecy is not the same as what psychics demonstrate. Even the Bible recognizes the possibility that uninspired non-Christian people can sometimes accurately predict the future: "If there arises among you a prophet or a dreamer of dreams, and he gives you a sign or a wonder, and the sign or wonder comes to pass, of which he spoke to you, saying, 'Let us go after other gods'--which you have not known--and let us serve them,' you shall not listen to the words of that prophet or that dreamer of dreams, for your LORD is testing you to know whether you love Him with all your heart and with all your soul" (Deut. 13:1-3). Numerous Old Testament predictions were fulfilled perfectly in Christ. The apostle Peter said about Jesus, "To Him all the prophets bear witness, that everyone who believes in Him receives forgiveness of sins through His name" (Acts 10:43). "EVERY SINGLE BELIEVER Needs to read this book, "Apostolic Guidelines to Release the Prophetic." If you prophecy or learn how -- If you are in ministry -- Apostolic, Prophetic or in any level of leadership you NEED to read it. If you are Pastoring, this is a MUST read. Invest in yourself and get this book. It is so important that continue to learn, and our understanding and operation in our gifts be expanded as we lead others." Pastor L.V. Brown

Modern-Day Apostles Ché Ahn 2019-01-15 The Earth is waiting For Apostolic Power to be Demonstrated! Even though there were 12 apostles in Scripture, there is still an apostolic office and function that all Christians need to know about.
