Foundations in Comic Book Art John Paul Lowe 2014-08-12 A comprehensive guide to creating and developing comic book and graphic novel art, from the Savannah College of Art and Design (SCAD), one of the world's leaders in sequential arts instruction. John Lowe, Dean of the School of Communication Arts at SCAD, presents an in-depth primer on the tools and techniques used by top sequential artists to create comic books, graphic novels, and other sequential art forms. Based on SCAD's world-famous sequential arts curriculum with examples of professional comic book art from their faculty and alumni, the book uses detailed instruction and step-by-step examples to teach key artistic methods like sketching, thumbnailing, reference gathering, and using production/digital design methods. This book covers all the materials and methods aspiring artists need to master to make it as sequential artists.

The Hidden Tools of Comedy Steve Kaplan 2013 A paradigm shift in understanding the mechanics and art of comedy, providing practical tools that help writers translate that understanding into successful, commercial scripts. Kaplan deconstructs secrets and techniques in popular films and TV that work and don't work, and explains what tools were used (or should have been used).

Comic Insights Franklyn Ajaye 2002 If you want to build a stand-up comedy career, this book is a must read. If you want to write comedy, this book is a must-read. If you simply enjoy comedy ... this book is a must read. Part One offers essential advice about understanding the fundamentals of stand-up, studying other comedians, finding your own style, writing your material, working the live performance, and appearing on television. Fascinating, candid, insightful interviews with today's top comedians, who discuss at length why and how they do what they do, comprise Part Two, the bulk of the book. The third and last part of the book addresses your stand-up career through interviews with noted comedy club owners, an agent, a personal manager, and a television talent co-ordinator. Literally crammed with the wisdom of today's finest stand-up comics, in terms of quality, quantity, and timeliness information, this book is without peer.

What's So Funny? How to Sharpen Your Sense of Humor Paul Moran 2006-11-01 The author's goal is to help you learn to think funny every day.

Grailpages Steven Payne 2009 Grailpages brings to light the burgeoning hobby of collecting the original, hand-drawn art that was used to create comic books! Beginning more as a novelty, the hobby of collecting original comic art has expanded to a point where some of the seminal pages commonly run more than \$10,000 each! Author Steven Alan Payne allows you to meet collectors from around the globe and hear their passion in their own words, as they detail collections ranging from a few key pages, to broad, encompassing collections of literally hundreds of pages of original comic art by such artists as Jack Kirby, John Romita Sr., and others! Balancing out the narratives are incisive interviews with industry pros, including writers Gerry Conway, Steve Englehart, and Roy Thomas, and exclusive perspectives from Silver Age artists Dick Giordano, Bob McLeod, Ernie Chan, Tony DeZuniga, and the unparalleled great, Gene Colan! Completing the book is a diverse sampling of breathtakingly beautiful original comic art, some lavishly presented in full-page spreads, including pages not seen publicly for decades!

What Method? Jessie Fahay 2011-05-17 There are many methods an actor may choose to study. There is Stanislavski, Meisner, Adler, Alexander, Hagen, that random British director you met in college who changed your life, that Spanish actor you

watched in that play who has been your entire inspiration, etc. What do all of these methods really do for the actor's instrument? Is there a method that works best for you? Which one speaks to you? Where should you look for instructors who teach these methods? This short and practical guidebook gives you the nuts and bolts of four pinnacle training methods, sample exercises for each method, examples of actors who have used these methods, the places where you can find these methods being taught, and further in-depth literature on each method. Let this be an opening to these fundamental methodologies. The next steps are up to you.

How to be a Working Comic Dave Schwensen 1998 Provides advice to would-be comedians on preparing a funny act, finding audiences, promotion, managers and agents, performance techniques, and related topics, and offers observations on the comic's life from Drew Carey, Tommy Smothers, and others

Funny, You Don't Look Autistic Michael McCreary 2019-03-12 Like many others on the autism spectrum, 20-something stand-up comic Michael McCreary has been told by more than a few well-meaning folks that he doesn't "look" autistic. But, as he's quick to point out in this memoir, autism "looks" different for just about everyone with Autism Spectrum Disorder (ASD). Diagnosed with ASD at age five, McCreary got hit with the performance bug not much later. During a difficult time in junior high, he started journaling, eventually turning his pain into something empowering—and funny. He scored his first stand-up gig at age 14, and hasn't looked back. This unique and hilarious #OwnVoices memoir breaks down what it's like to live with autism for readers on and off the spectrum. Candid scenes from McCreary's life are broken up with funny visuals and factual asides. Funny, You Don't Look Autistic is an invaluable and compelling read for young readers with ASD looking for voices to relate to, as well as for readers hoping to broaden their understanding of ASD.

Divine Laughter Karl N. Jacobson 2022-07-12 The authors look closely at both the cultural phenomenon of stand-up comedy and theories of humor, asking what preachers can learn from both. Divine Laughter brings the task of preaching into conversation with both the comedic parts of the Bible and the theological parts of the comedic in order to bring a new kind of life to preaching.

Is This Anything? Jerry Seinfeld 2020-10-06 The first book in twenty-five years from "one of our great comic minds" (The Washington Post) features Seinfeld's best work across five decades in comedy. Since his first performance at the legendary New York nightclub "Catch a Rising Star" as a twenty-one-year-old college student in fall of 1975, Jerry Seinfeld has written his own material and saved everything. "Whenever I came up with a funny bit, whether it happened on a stage, in a conversation, or working it out on my preferred canvas, the big yellow legal pad, I kept it in one of those old school accordion folders," Seinfeld writes. "So I have everything I thought was worth saving from forty-five years of hacking away at this for all I was worth." For this book, Jerry Seinfeld has selected his favorite material, organized decade by decade. In this "trove of laugh-out-loud one-liners" (Associated Press), you will witness the evolution of one of the great comedians of our time and gain new insights into the thrilling but unforgiving art of writing stand-up comedy.

Born Standing Up Steve Martin 2008-09-04 Steve Martin has been an international star for over thirty years. Here, for the first time, he looks back to the beginning of his career and charmingly evokes the young man he once was. Born in

Texas but raised in California, Steve was seduced early by the comedy shows that played on the radio when the family travelled back and forth to visit relatives. When Disneyland opened just a couple of miles away from home, an enchanted Steve was given his first chance to learn magic and entertain an audience. He describes how he noted the reaction to each joke in a ledger - 'big laugh' or 'quiet' - and assiduously studied the acts of colleagues, stealing jokes when needed. With superb detail, Steve recreates the world of small, dark clubs and the fear and exhilaration of standing in the spotlight. While a philosophy student at UCLA, he worked hard at local clubs honing his comedy and slowly attracting a following until he was picked up to write for TV. From here on, Steve Martin became an acclaimed comedian, packing out venues nationwide. One night, however, he noticed empty seats and realised he had 'reached the top of the rollercoaster'. BORN

STANDING UP is a funny and riveting chronicle of how Steve Martin became the comedy genius we now know and is also a fascinating portrait of an era. **A Comedian and an Activist Walk into a Bar** Katy Borum Chattoo 2020-03-24 Comedy is a powerful contemporary source of influence and information. In the still-evolving digital era, the opportunity to consume and share comedy has never been as available. And yet, despite its vast cultural imprint, comedy is a little-understood vehicle for serious public engagement in urgent social justice issues – even though humor offers frames of hope and optimism that can encourage participation in social problems. Moreover, in the midst of a merger of entertainment and news in the contemporary information ecology, and a decline in perceptions of trust in government and traditional media institutions, comedy may be a unique force for change in pressing social justice challenges. Comedians who say something serious about the world while they make us laugh are capable of mobilizing the masses, focusing a critical lens on injustices, and injecting hope and optimism into seemingly hopeless problems. By combining communication and social justice frameworks with contemporary comedy examples, authors Katy Borum Chattoo and Lauren Feldman show us how comedy can help to serve as a vehicle of change. Through rich case studies, audience research, and interviews with comedians and social justice leaders and strategists, **A Comedian and an Activist Walk Into a Bar: The Serious Role of Comedy in Social Justice** explains how comedy – both in the entertainment marketplace and as cultural strategy – can engage audiences with issues such as global poverty, climate change, immigration, and sexual assault, and how activists work with comedy to reach and empower publics in the networked, participatory digital media age.

This Day In Comedy Frank Holder 2019-11-04 On This Day in Comedy is not just an encyclopedia, but a celebration of comedy. In humorous prose the book takes readers through the often-neglected subcultures of comedy in America, acknowledging the inclusiveness of the performers as well as shows and films that made this art form so vital to comics of all backgrounds. It's artistically criminal that a search for Native American or Asian comedy information yields a virtually blank slate. Look for Middle Eastern comics and you'll be provided information on the region's comic book revolution, and search results for Latin comedy are confined to a series of outdated articles. This encyclopedia will offer rare and in some cases never-before-seen photos and obscure facts, making it an indispensable comedy essential.

Getting the Joke Oliver Double 2013-11-07 'This is the kind of book that troubles grey-suited committees of academic peers. It's too enjoyable. But that, given its subject, is just what it ought to be, and it treats that subject seriously . . . There isn't a "dull" page anywhere in the book.' – Professor Peter Thomson, *Studies in Theatre and Performance* Comedy is changing: stand-up comedians routinely sell out stadia, their audience-figures swollen by panel-show appearances and much-followed Twitter feeds. Meanwhile, the smaller clubs are filling up, with audiences as well as aspirants. How can we make sense of it all? This new edition of *Getting the Joke* gives an insider's look at the spectrum of modern comedy, re-examining the world of stand-up in the internet age. Drawing on his acclaimed first edition, Oliver Double focuses in greater detail on the US scene and its comedians (such as David Cross, Sarah Silverman, Louis CK, Demetri Martin and Margaret Cho); the 'DIY' comedy circuit and its celebrated apostles and visionaries, from Josie Long to Stewart Lee; the growing importance of the solo stand-up show; the role played by Twitter (including an interview with the organiser of the world's first comedy gig on Twitter), and the driving force that is the TV guest slot, be it on *Mock the Week* or *Live at the Apollo*. With expanded sections on joke construction, as well as ways to challenge the audience, and a host of new and updated exercises to guide the aspiring comedian, this new edition of *Getting the Joke* is the only book to combine the history of stand-up comedy with an analysis of the elements and methods that go into its creation. Featuring a range of interviews with working comedians – from circuit veterans to new kids on the block – combined with the author's vast experience, this is a must read for any aspiring stand-up comedian.

Comedy Made Easy David Kline Lovett 2015-06-11 This book helps you to write and deliver jokes to attract more money, honey and health into your life. What makes this book unique is that it has 123 joke templates. The templates allow even someone who considers themselves as not funny the ability to easily write and present original funny jokes. This book is much more than simply writing and delivering jokes. When one has the ability to create and present original humor they have the power to create a better world for themselves. Having the gift of humor gives you more: 1. Health 2. Wealth 3. Love It is proven than laughter and humor improves your health, that funny people are more liked and respected. People who are more liked and respected have an easier path to more financial success.

Be a Great Stand-up Logan Murray 2010 Logan Murray has successfully taught the techniques of stand-up comedy to thousands, and in this book he distills his years of experience into the essential skills for a great and enjoyable performance. Drawing on Logan's years of teaching and his own successful stand-up career, with top tips from some of the most well-known people in the business, it is guaranteed to bring a smile to both your face and that of your future audience. **Be a Great Stand-up** includes: Part one - Theory Chapter 1: Where do jokes come from? Chapter 2: Building a joke Chapter 3: Comedy ground rules Chapter 4: What sort of comic are you? Part two - Practical sessions Chapter 5: Unlocking your creativity Chapter 6: Emotional exaggeration Chapter 7: Creating material Chapter 8: Stagecraft Chapter 9: Microphone technique Chapter 10: Hecklers and crowd control Chapter 11: What other comics think Chapter 12: Business Chapter 13: Your first gig Chapter 14: The future ABOUT THE SERIES The Teach Yourself Creative Writing series helps aspiring authors tell their story. Covering a range of genres from science fiction and romantic novels, to illustrated children's books and comedy, this series is packed with advice, exercises and tips for unlocking creativity and improving your writing. And because we know how daunting the blank page can be, we set up the Just Write online community at tyjustwrite.com, for budding authors and successful writers to connect and share.

How I Escaped My Certain Fate Stewart Lee 2010-08-19 Experience how it feels to be the subject of a blasphemy prosecution! Find out why 'wool' is a funny word! See how jokes work, their inner mechanisms revealed, before your astonished face! In 2001, after over a decade in the business, Stewart Lee quit stand-up, disillusioned and drained, and went off to direct a loss-making musical, Jerry

Springer: *The Opera*. Nine years later, *How I Escaped My Certain Fate* details his return to live performance, and the journey that took him from an early retirement to his position as the most critically acclaimed stand-up in Britain, the winner of BAFTAs and British Comedy Awards, and the affirmation of being rated the 41st best stand up ever. Here is Stewart Lee's own account of his remarkable comeback, told through transcripts of the three legendary full-length shows that sealed his reputation. Astonishingly frank and detailed in-depth notes reveal the inspiration and inner workings of his act. With unprecedented access to a leading comedian's creative process, this book tells us just what it was like to write these shows, develop the performance and take them on tour. *How I Escaped My Certain Fate* is everything we have come to expect from Stewart Lee: fiercely intelligent, unsparingly honest and very, very funny.

Be a Great Stand-up Logan Murray 2010-06-25 Logan Murray has successfully taught the techniques of stand-up comedy to thousands, and in this book he distills his years of experience into the essential skills for a great and enjoyable performance. He will help you find your own creative streak and your funny side, build the confidence to deliver, and explain the finer details of stagecraft, from dealing with hecklers to coping with props. There is a full guide to the practicalities, from finding gigs to securing an agent, with plenty of valuable hints, tips and advice. Drawing on Logan's years of teaching and his own successful stand-up career, with top tips from some of the most well-known people in the business, it is guaranteed to bring a smile to both your face and that of your future audience. NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. A Director's Guide to the Art of Stand-up Chris Head 2018-07-12 Stand-up: it's the ultimate solo art form. Yet, behind the scenes, you will increasingly find the shadowy figure of a director. For comics themselves and for those who support them, this is the first book to give the director's perspective on creating and performing stand-up comedy. Drawing on his own experience of directing stand-up alongside speaking to comedians and their directors, Chris Head produces a revealing perspective on the creative process, comic persona, writing stand-up, structuring material and delivering a performance. Directors interviewed include Logan Murray, John Gordillo and Simon McBurney, who between them have directed Eddie Izzard, Michael McIntyre, Milton Jones, Lenny Henry and French & Saunders. With a foreword by BBC arts editor Will Gompertz and contributions from many other interviewees including Oliver Double (author of *Getting the Joke*), this is the only book that goes all the way from one-liners to theatre via comedy club sets and full-length shows. Perfect for stand-ups from newbies to pros, students of comedy, academics studying and teaching stand-up and for directors themselves, *A Director's Guide to the Art of Stand-up* offers hundreds of inspiring practical insights and shows how creating the comedian's highly personal, individual act can be a deeply collaborative process.

Comedy FAQs and Answers Dave Schwensen 2012-02-14 This guide to the world of stand-up comedy, written in easy-to-use Q&A format, provides current and potential comedians with the no-nonsense advice they need for every stage of their careers. Schwensen's lively book features interviews with many of the top names in stand-up—Ray Romano, George Carlin, Christopher Titus, Weird Al Yankovic, Margaret Cho—all sharing lessons learned along the way. Additional interviews with club owners, talent executives, publicists, and others provide behind-the-scenes expertise.

The Dark Side of Stand-Up Comedy Patrice A. Oppliger 2020-04-10 This book focuses on the "dark side" of stand-up comedy, initially inspired by speculations surrounding the death of comedian Robin Williams. Contributors, those who study humor as well as those who perform comedy, join together to contemplate the paradoxical relationship between tragedy and comedy and expose over-generalizations about comic performers' troubled childhoods, addictions, and mental illnesses. The book is divided into two sections. First, scholars from a variety of disciplines explore comedians' onstage performances, their offstage lives, and the relationship between the two. The second half of the book focuses on amateur and lesser-known professional comedians who reveal the struggles they face as they attempt to hone successful comedy acts and likable comic personae. The goal of this collection is to move beyond the hackneyed stereotype of the sad clown in order to reveal how stand-up comedy can transform both personal and collective tragedies by providing catharsis through humor.

Make 'em Laugh! Zeke Jarvis 2015-04-07 This lighthearted and eye-opening book explores the role of comedy in cultural and political critiques of American society from the past century. This unprecedented look at the history of satire in America showcases the means by which our society is informed by humor—from the way we examine the news, to how we communicate with each other, to what we seek out for entertainment. From biographical information to critical reception of material and personalities, the book features humorists from both literary and popular culture settings spanning the past 100 years. Through its 180 entries, this comprehensive volume covers a range of artists—individuals such as Joan Rivers, Hunter S. Thompson, and Chris Rock—and topics, including vaudeville, cartoons, and live performances. The content is organized by media and genre to showcase connections between writers and performers. Chapters include an alphabetical listing of humorists grouped by television and film stars, stand-up and performance comics, literary humorists, and humorists in popular print.

Mastering Stand-Up Stephen Rosenfield 2017-11-01 Stephen Rosenfield, founder and director of the American Comedy Institute, the premier comedy school in the United States, has taught literally dozens of major standup comics in North America, and has also pioneered comedy as an academic discipline in many universities, a trend that is rapidly spreading. *Mastering Stand-Up* draws on Rosenfield's own extensive experience (and those of countless stars like Lenny Bruce, Richard Pryor, Chris Rock, Rodney Dangerfield, Louis C.K., Steve Martin, Roseanne, and Johnny Carson) to show the reader—and would-be comic—what works, what doesn't, and why. Forty sharply written chapters cover every conceivable angle of the joke and how to tell it. There are a number of books on comedy and how to do it, but none has the breadth and authority Rosenfield brings to his theme. It's not for nothing that the *New York Times* has described him as "probably the best-known comedy teacher in the country." Rosenfield's book is sure to become the classic text on its subject. And it should help thousands who long to make others laugh to realize their fondest hopes.

The Tao of Comedy Bobbie Oliver 2013-08-26 There are a lot of stand-up comedy books out there. This book is like none of them. It is about the Art of Comedy, the Zen of Comedy, the Tao of Comedy. It is comedy from the soul instead of the head. It is about Ego-less comedy. Don't Act. Be. You don't do standup comedy; it does you.

Sick in the Head Judd Apatow 2015-06-16 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE A.V. CLUB • Includes new interviews! From the writer and director of *Knocked Up* and the producer of *Freaks and Geeks* comes a collection of intimate, hilarious conversations with the biggest names in comedy from the past thirty years—including Mel Brooks, Jerry Seinfeld, Jon Stewart,

Sarah Silverman, Harold Ramis, Seth Rogen, Chris Rock, and Lena Dunham. Before becoming one of the most successful filmmakers in Hollywood, Judd Apatow was the original comedy nerd. At fifteen, he took a job washing dishes in a local comedy club—just so he could watch endless stand-up for free. At sixteen, he was hosting a show for his local high school radio station in Syosset, Long Island—a show that consisted of Q&As with his comedy heroes, from Garry Shandling to Jerry Seinfeld. They talked about their careers, the science of a good joke, and their dreams of future glory (turns out, Shandling was interested in having his own TV show one day and Steve Allen had already invented everything). Thirty years later, Apatow is still that same comedy nerd—and he’s still interviewing funny people about why they do what they do. Sick in the Head gathers Apatow’s most memorable and revealing conversations into one hilarious, wide-ranging, and incredibly candid collection that spans not only his career but his entire adult life. Here are the comedy legends who inspired and shaped him, from Mel Brooks to Steve Martin. Here are the contemporaries he grew up with in Hollywood, from Spike Jonze to Sarah Silverman. And here, finally, are the brightest stars in comedy today, many of whom Apatow has been fortunate to work with, from Seth Rogen to Amy Schumer. And along the way, something kind of magical happens: What started as a lifetime’s worth of conversations about comedy becomes something else entirely. It becomes an exploration of creativity, ambition, neediness, generosity, spirituality, and the joy that comes from making people laugh. Loaded with the kind of back-of-the-club stories that comics tell one another when no one else is watching, this fascinating, personal (and borderline-obsessive) book is Judd Apatow’s gift to comedy nerds everywhere. Praise for Sick in the Head “I can’t stop reading it. . . . I don’t want this book to end.”—Jimmy Fallon “An essential for any comedy geek.”—Entertainment Weekly “Fascinating . . . a collection of interviews with many of the great figures of comedy in the latter half of the twentieth century.”—The Washington Post “Open this book anywhere, and you’re bound to find some interesting nugget from someone who has had you in stitches many, many times.”—Janet Maslin, The New York Times “An amazing read, full of insights and connections both creative and interpersonal.”—The New Yorker “Fascinating and revelatory.”—Chicago Tribune “Anyone even remotely interested in comedy or humanity should own this book.”—Will Ferrell

What Are You Laughing At? Dan O’Shannon 2012-07-05 This book presents a comprehensive guide to all the variables that can come into play when we come into contact with comedy.

Ellen DeGeneres Lisa Iannucci-Brinkley 2008-11-30 In 1997 Ellen DeGeneres made television history when she came out to the American public on her nationally syndicated sitcom. In spite of the controversy stirred by this personal revelation, Ellen DeGeneres has gone on to become one of the most popular personalities in Hollywood. With her own highly rated daily talk show, a lucrative ad campaign with American Express, and a successful turn as Oscar host to her credit, she has become one of America’s leading female comedians and won her place a household name. High-profile romances with actresses Anne Heche and fiancée Portia de Rossi, have also made her an unassuming champion for gay and lesbian rights. Ellen DeGeneres’ monumental success, however, belies a painful childhood and uncertain career beginnings. This comprehensive and intriguing biography explores the life events that shaped the hilarious public figure we know today. Complete with a chronology of significant events, illustrations, and a bibliography of print and electronic resources, this detailed biography is ideal for general readers looking to learn more about their favorite star or for those seeking information on groundbreaking members of the gay and lesbian community.

Serious Guide to Joke Writing Sally Holloway 2010 This comprehensive joke writing masterclass has been devised for beginners and experienced joke writers alike. The techniques you will learn can be used again and again to write funny and original material. You hold in your hands the key to unlocking your inner comedy genius.

For anyone who wants to work in film, in television, or in community theater, here's the complete guide to acting funny. Written by Hollywood's top comedy acting coach Packed with practical step-by-step exercises Gives actors at every level an edge at comedy auditions

Dear Girls Ali Wong 2019-10-15 NEW YORK TIMES BESTSELLER • Ali Wong’s heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. “Knife-sharp . . . a genuine pleasure.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special Baby Cobra, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she’s learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong’s letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for Dear Girls “Fierce, feminist, and packed with funny anecdotes.”—Entertainment Weekly “[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . Dear Girls is not so much a real-talk handbook as it is a myth-puncturing manifesto.”—Vogue “[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more. Yes, this book is addressed to Wong’s daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at.”—Bustle

The Comic Event Judith Roof 2018-01-11 The Comic Event approaches comedy as dynamic phenomenon that involves the gathering of elements of performance, signifiers, timings, tones, gestures, previous comic bits, and other self-conscious structures into an “event” that triggers, by virtue of a “cut,” an expected/unexpected resolution. Using examples from mainstream comedy, The Comic Event progresses from the smallest comic moment—jokes, bits—to the more complex caricatures, sketches, sit-coms, parody films, and stand-up routines. Judith Roof builds on side comments from Henri Bergson’s short treatise “Laughter,” Sigmund Freud’s Jokes and Their Relation to the Unconscious, and various observations from Aristotle to establish comedy as a complex, multifaceted practice. In seeing comedy as a gathering event that resolves with a “cut,” Roof characterizes comedy not only by a predictable unpredictability occasioned by a sudden expected/unexpected insight, but also by repetition, seriality, self-consciousness, self-referentiality, and an ouroboric return to a previous cut. This theory of comedy offers a way to understand the operation of a broad array of distinct comic occasions and aspects of performance in multiple contexts.

The Comedians Kliph Nesteroff 2015-11-03 “Funny [and] fascinating . . . If you’re a comedy nerd you’ll love this book.” —Pittsburgh Post-Gazette Named a Best Book of the Year by Kirkus Reviews, National Post, and Splitsider Based on over two hundred original interviews and extensive archival research, this groundbreaking work is a narrative exploration of the way comedians have reflected, shaped, and changed American culture over the past one hundred years. Starting with the vaudeville circuit at the turn of the last century, the book introduces the first stand-up comedian—an emcee who abandoned physical shtick for straight jokes. After the repeal of Prohibition, Mafia-run supper clubs replaced speakeasies, and mobsters replaced vaudeville impresarios as the comedian’s primary employer. In the 1950s, the late-night talk show brought stand-up to a wide public, while Lenny Bruce, Mort Sahl, and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses. From comedy’s part in the civil rights movement and the social upheaval of the late 1960s, to the first comedy clubs of the 1970s and the cocaine-fueled comedy boom of the 1980s, The Comedians culminates with a new era of media-driven celebrity in the twenty-first century. “Entertaining and carefully documented . . . jaw-dropping anecdotes . . . This book is a real treat.” —Merrill Markoe, TheWall Street Journal

Stand-up Comedy in Africa Izuu Nwankwo 2022-03-21 African cultural productions of humour have increased even in the face of myriad economic foibles and social upheavals. For instance, from the 1990s, stand-up comedy emerged across the continent and has maintained a pervasive presence since then. Its specificities are related to contemporary economic and political contexts and are also drawn from its pre-colonial history, that of joking forms and relationships, and orality. Izuu Nwankwo’s fascinating collected volume offers a transnational appraisal of this unique art form spanning different nations of the continent and its diasporas. The book engages variously with jokesters, their materials, the mediums of dissemination, and the cultural value(s) and relevance of their stage work, encompassing the form and content of the practice. Its ruling theoretical perspective comes from theatre and performance, cultural studies, linguistics, and literary studies.

So, You Want to Be a Comic Book Artist? Philip Amara 2012-09-04 Find success as a comic book artist with this step-by-step guide to creating, publishing, and marketing your very own comics. The secrets to comic book creation are at your fingertips! This comprehensive guide details the steps to becoming a hit comic book maker—from creating compelling characters and illustrations to getting published and marketing a finished product—and is full of insights from world-famous artists from such companies as DC, Marvel, and Dark Horse. In addition to highlighting tips from seasoned pros, inspiring success stories from young artists are sprinkled throughout along with a resource list of potential publishers to help you hit the ground running. So, You Want to Be a Comic Book Artist? also features in-depth chapters on adapting a storyline for video games and movies, using social media to promote a finished product, and self-publishing your own comic. Whether you’re just starting out or have been drawing comics for years, this book will get you where you want to go.

Stand-up Comedy in Theory, or, Abjection in America John Limon 2000-06-23 Stand-Up Comedy in Theory, or, Abjection in America is the first study of stand-up comedy as a form of art. John Limon appreciates and analyzes the specific practice of stand-up itself, moving beyond theories of the joke, of the comic, and of comedy in general to read stand-up through the lens of literary and cultural theory. Limon argues that stand-up is an artform best defined by its fascination with the abject, Julia Kristeva’s term for those aspects of oneself that are obnoxious to one’s sense of identity but that are nevertheless—like blood, feces, or urine—impossible to jettison once and for all. All of a comedian’s life, Limon asserts, is abject in this sense. Limon begins with stand-up comics in the 1950s and 1960s—Lenny Bruce, Carl Reiner, Mel Brooks, Mike Nichols, Elaine May—when the norm of the profession was the Jewish, male, heterosexual comedian. He then moves toward the present with analyses of David Letterman, Richard Pryor, Ellen DeGeneres, and Paula Poundstone. Limon incorporates feminist, race, and queer theories to argue that the “comedification” of America—stand-up comedy’s escape

from its narrow origins—involves the repossession by black, female, queer, and Protestant comedians of what was black, female, queer, yet suburbanizing in Jewish, male, heterosexual comedy. Limon's formal definition of stand-up as abject art thus hinges on his claim that the great American comedians of the 1950s and 1960s located their comedy at the place (which would have been conceived in 1960 as a location between New York City or Chicago and their suburbs) where body is thrown off for the mind and materiality is thrown off for abstraction—at the place, that is, where American abjection has always found its home. As the first study of its kind, *Stand-Up Comedy in Theory, or, Abjection in America* will appeal to a wide audience including those interested in cultural studies, Jewish studies, gender and queer theory.

Why Stand-up Matters Sophie Quirk 2015-11-19 Funny, lively and unpredictable, stand-up comedy is above all a medium to be enjoyed. Popular as a good night out and packing the TV schedules, stand-up permeates British society and culture. Ubiquitous though it is, we are generally reluctant to consider comedy's social consequences. When comedians offend we seem ready to consider the potential for stand-up to do some wider harm, yet we rarely consider the good that it might do. This book looks at the social and political impact of stand-up comedy in both its

positive and negative forms. Drawing on exclusive interviews with comedians such as Stewart Lee, Josie Long, Joe Wilkinson and Mark Thomas, and examples of comic material on everything from revolution, terrorism and homosexuality, to knitting and the inefficiency of the home shower, it explores comedy's role in determining our attitudes and opinions. While revealing the conventions comics use to manage audience response, Sophie Quirk demonstrates how comedy audiences allow themselves to be manipulated, and the potential harm – and real benefits – that may arise from 'just' being funny.

Performance and Identity in Irish Stand-Up Comedy S. Colleary 2015-01-19 One of the cultural phenomena to occur in Ireland in the last two decades has been the highly successful growth of stand-up comedy as a popular entertainment genre. This book examines stand-up comedy from the perspective of the narrated self, through the prism of the fabricated comedy persona, including Tommy Tiernan, Dylan Moran and Maeve Higgins.

Zen and the Art of Stand-Up Comedy Jay Sankey 2012-11-12 In this engaging and disarmingly frank book, comic Jay Sankey spills the beans, explaining not only how to write and perform stand-up comedy, but how to improve and perfect your work. Much more than a how-to manual *Zen and the Art of Stand-Up Comedy* is the most detailed and comprehensive book on the subject to date.
