The Rondians are determined to succeed in their latest Crusade and have recruited the strongest and most lethal magi of the Church's Inquisition to lead the way--and to leave nothing but blood and ruins in their wake. While most of the Rondians have their sights set on gold, one fraction of the Inquisition is set on finding a more important treasure--the Scytale of Corneus. As the source of all magical power, the Scytale is a sure game-changer, and it is imperative that the power-hungry and ruthless Rondians to keep it out of the hands of their enemies if they wish to maintain their growing empire.
