Essentials of Economics Paul Krugman 2018

Economics (High School Version) Paul Krugman 2009-03-06 KRUGMAN SURE TO ENLIVEN THE AP* ECONOMICS CLASSROOM The 2008 Nobel Prize winner, Paul Krugman, has become the person Americans most often turn to explain what economic policy means to their lives—and how events in their lives reflect important economic concepts. That ability extends to the AP* high school course, where Krugman and Wells' Economics has proven to be an exceptionally effective textbook. The unique voice that makes Krugman the most widely read economist in the U.S. (and perhaps the world) is evident on every page of Economics. The product of the partnership of coauthors Krugman and Robin Wells, will be available in a new edition for Fall 2009 classes. AP teachers can count on the authors' ability to explain economics concepts, interpret current events, and develop students' understanding with classroom-proven pedagogy.

Economics Paul Krugman 2009-02-28 Offering an accessible and thorough introduction to economics, this text offers real-world examples to bring theory to life. Students and lecturers will benefit from the vast array of supplements, including a companion website with extra material and resources

Economics Paul Krugman 2017-12-12 When it comes to explaining fundamental economic principles by drawing on current economic issues and events, there is no one more effective than Nobel laureate and New York Times columnist Paul Krugman and co-author, Robin Wells. In this best-selling introductory textbook, Krugman and Wells' signature storytelling style and uncanny eye for revealing examples help readers understand how economic concepts play out in our world. This new edition is revised and enhanced throughout, including a much stronger array of superior online tools that are part of a complete, integrated online learning system.
