**An Anglo-Norman Reader** Jane Bliss 2018-02-08 This book is an anthology with a difference. It presents a distinctive variety of Anglo-Norman works, beginning in the twelfth century and ending in the nineteenth, covering a broad range of genres and writers, introduced in a lively and thought-provoking way. Facing-page translations, into accessible and engaging modern English, are provided throughout, bringing these texts to life for a contemporary

audience. The collection offers a selection of fascinating passages, and whole texts, many of which are not anthologised or translated anywhere else. It explores little-known byways of Arthurian legend and stories of real-life crime and punishment; women’s voices tell history, write letters, berate pagans; advice is offered on how to win friends and influence people, how to cure people’s ailments and how to keep clear of the law; and stories from the Bible are retold with commentary, together with guidance on prayer and confession. Each text is introduced and elucidated with notes and full references, and the material is divided into three main sections: Story (a variety of narrative forms), Miscellany (including letters, law and medicine, and other non-fiction), and Religious (saints' lives, sermons, Bible commentary, and prayers). Passages in one genre have been chosen so as to reflect themes or stories that appear in another, so that the book can be enjoyed as a collection or used as a resource to dip into for selected texts. This anthology is essential reading for students and scholars of Anglo-Norman and medieval literature and culture. Wide-ranging and fully referenced, it can be used as a springboard for further study or relished in its own right by readers interested to discover Anglo-Norman literature that was written to amuse, instruct, entertain, or admonish medieval audiences.

*The Violence of Modernity* Debarati Sanyal 2020-03-03 The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism—irony, intertextuality, self-reflexivity, and formalism—to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary "wound culture." In a series of provocative readings, Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of "art for art's sake" and from his more recent incarnation as

the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies—including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre—to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

***Contemporary European Playwrights*** Maria M. Delgado 2020-07-22 Contemporary European Playwrights presents and discusses a range of key writers that have radically reshaped European theatre by finding new ways to express the changing nature of the continent’s society and culture, and whose work is still in dialogue with Europe today. Traversing borders and languages, this volume offers a fresh approach to analyzing plays in production by some of the most widely-performed European playwrights, assessing how their work has revealed new meanings and theatrical possibilities as they move across the continent, building an unprecedented picture of the contemporary European repertoire. Analyzing paintings produced between 1753 and 1781 and the comments of a number of critics who wrote about them, especially Dennis Diderot, Fried discovers a new emphasis in the art of the time, based not on subject matter or style but on values and effects.

**From Song to Book** Sylvia Huot 2019-05-15 As the visual representation of an essentially oral text, Sylvia Huot points out, the medieval illuminated manuscript has a theatrical, performative quality. She perceives the tension between implied oral performance and real visual artifact as a fundamental aspect of thirteenth- and fourteenth-century poetics. In this generously illustrated volume, Huot examines manuscript texts both from the performance-oriented lyric tradition of chanson courtoise, or courtly love lyric, and from the self-consciously literary tradition of Old French narrative poetry. She demonstrates that the evolution of the lyrical romance and dit, narrative poems which incorporate thematic and rhetorical elements of the lyric, was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics. Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries, analyzing organization, page layout, rubrication, and illumination in a series of manuscripts. She then describes the relationship between poetics and manuscript format in specific texts, including works by widely read medieval authors such as Guillaume de Lorris, Jean de Meun, and Guillaume de Machaut, as well as by lesser-known writers including Nicole de Margival and Watriquet de Couvin. Huot focuses on the writers' characteristic modifications of lyric poetics; their use of writing and performance as theme; their treatment of the poet as singer or writer; and of the lady as implied reader or listener; and the ways in which these features of the text were elaborated by scribes and illuminators. Her readings reveal how medieval poets and book-makers conceived their common project, and how they distinguished their respective roles.

Only his classic opponent Detective Ganimard has the brilliance to attempt to foil Arsène’s plans, albeit with mixed results. This first collection of nine Arsène Lupin stories were originally serialised in the magazine Je Sais Tout from 1905 and translated into English in 1910. The final story of the set features Herlock Sholmes. In the original printings, Sholmes was simply an unauthorized Sherlock Holmes, but this appearance annoyed Arthur Conan Doyle; the character’s name was changed to “Herlock Sholmes” for later printings and future stories. Arsène Lupin later went on to feature in over fifty stories by Maurice Leblanc along with many other books, films and plays around the world.

***Language and Symbolic Power*** Pierre Bourdieu 1991-01 "This volume brings together Bourdieu's highly original writings on language and on the relations among language, power, and politics. Bourdieu develops a forceful critique of traditional approaches to language, including the linguistic theories of Saussure and Chomsky and the theory of speech-acts elaborated by Austin and others. He argues that language should he viewed not only as a means of communication but also as a medium of power through which individuals pursue their own interests and display their practical competence."--

*Promise at Dawn* Romain Gary 2017-10-31 A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother’s sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother’s murmur into a child’s ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

**As Nature Made Him** John Colapinto 2013-03-05 NEW YORK TIMES BESTSELLER “We should aspire to Colapinto's stellar journalist example: listening carefully to the circumstances of those who are different rather than demanding that they conform to our own.” —Washington Post The true story about the "twins case" and a riveting exploration of medical arrogance, misguided science, societal confusion, gender differences, and one man's ultimate triumph In 1967, after a twin baby boy suffered a botched circumcision, his family agreed to a radical treatment that would alter his gender. The case would become one of the most famous in modern medicine—and a total failure. The boy's uninjured brother, raised as a boy, provided to the experiment the perfect matched control. As Nature Made Him tells the extraordinary story of David Reimer, who, when finally informed of his medical history, made the decision to live as a male. Writing with uncommon intelligence, insight, and compassion, John Colapinto sets the historical and medical context for the case, exposing the thirty-year-long scientific feud between Dr. John Money and his fellow sex researcher, Dr. Milton Diamond—a rivalry over the nature/nurture debate whose very bitterness finally brought the truth to light. A macabre tale of medical arrogance, it is first and foremost a human drama of one man’s—and one family’s—amazing survival in the face of terrible odds.

**Painted Love** Hollis Clayson 2003-10-30 In this engrossing book, Hollis Clayson provides the first description and analysis of French artistic interest in women prostitutes, examining how the subject was treated in the art of the 1870s and 1880s by such avant-garde painters as Cézanne, Degas, Manet, and Renoir, as well as by the academic and low-brow painters who were their contemporaries. Clayson not only illuminates the imagery of prostitution-with its contradictory connotations of disgust and fascination-but also tackles the issues and problems relevant to women and men in a patriarchal society. She discusses the conspicuous sexual commerce during this era and the resulting public panic about the deterioration of social life and civilized mores. She describes the system that evolved out of regulating prostitutes and the subsequent rise of clandestine prostitutes who escaped police regulation and who were condemned both for blurring social boundaries and for spreading sexual licentiousness among their moral and social superiors. Clayson argues that the subject of covert prostitution was especially attractive to vanguard painters because it exemplified the commercialization and the ambiguity of modern life.

The dawn of modern civilization, argues Jean-Jacques Rousseau in this essential treatise on human nature, was also the beginning of inequality. One of the great thinkers of the Enlightenment, Rousseau based his work in compassion for his fellow man. The great crime of despotism, he believed, was the raising of the cruel above the weak. In this landmark text, he spells out the antidote for man's ills: a compassionate revolution to pull up the fences and restore the balance of mankind.
