The Church Year at Home

2021-07-28 Christine E. Curley For parents in today's world, it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways, as well as resources, for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today.

for Children

2015-03-14 Lorraine Gilbert This is the STUDENT WORKBOOK. This STUDENT WORKBOOK is color on the cover and black and white on the interior. It is perfectly functional with a black and white interior. The TEACHER WORKBOOK is available as an eBook or printable PDF @ www.52BibleLessons.com This Bible Curriculum was designed as a time-stamped curriculum to introduce children to the Bible. It is centered on children 6-12 years old. This book can be used as a Sunday School curriculum, weekly church activity, or as a home school curriculum. This book is designed for use by any Christian domination. It starts in Genesis and systematically touches on all 66 books of the Bible, encompassing lessons for major Christian events. It incorporates the Christian Liturgical Calendar, school calendar, and major U.S. holidays because children's lives revolve around school and holidays. It is designed for non-clergy and non-teachers, realizing that most volunteers at church do not have a degree in Divinity and/or Education. Most lessons have a true 5-minute prep. Craft items can be easily found at most larger discount stores. The book has an easy to follow format. The first activity is a "Warm-up" designed to get children focused on the lesson but allows "late comers" a chance to catch up. Then a "Lesson" that is planned for approximately 20 minutes. During this time, children look up verses in their Bible. Encouraging them to really dig into their Bible and learn how it is laid-out. The "Lesson" is followed by a snack. The snack is optional and can be as elaborate or simple as you choose. Ideas for snacks that relate to the lesson are given each week; however, a standard simple snack is a great option. Each lesson is concluded with an activity, game, or craft that relates to the lesson. You will need one Student Workbook for each child in your class. I offer these at a low cost to make them as affordable as possible. By switching to this curriculum, my home church saved over \$1,200.00. You will need a copy of the teacher's eBook. You can purchase the Teacher Workbook here: www.52BibleLessons.com. I recommend that you sign up for the weekly newsletter @ www.52BibleLessons.com. This will give you a
