Best Egg Roll, Spring Roll and Dumpling Recipes from Mama Li's Kitchen 2015-02-04 Sarah Spencer From Mama Li's Kitchen to yours. Learn to make delicious egg rolls, spring rolls, and dumplings with Mama Li's best recipes. Mama Li showed me everything I know about cooking Asian foods. One of the fondest memories I have from Mama Li was helping her make dumplings, egg rolls, and spring rolls for a friend's wedding. It was a family affair, and everyone was helping out. We were doing everything from rolling the dough, making the shapes, making the fillings, folding the egg rolls, spring rolls, and dumplings just right, cooking them and finally getting them packed and ready to go. We had made what seem to me to be thousands of them! She had 12 different kinds of filling, and each one had a different shape. It took us two full days to make all these little packets full of goodness. Some she would fry, others would be steamed, and some were just baked in the oven. They were all done from scratch. For those two days, we ate, lived, and laughed dumplings! They were the best that I had ever tasted. It has become a tradition in our family to cook like Mama Li. In this book, you will find a collection of her best recipes for egg rolls, spring rolls, and dumplings...and a few bonus recipes! They are filled with flavors from Asia, delicate and so fragrant. The ingredients are fresh, healthy, and wholesome. They are easy to find. If you happen to be living near an Asian market, don't hesitate to visit and get some of your ingredients there. It will make it even more authentic. In this book, you will find everything you need to know about making delicious, home-made egg rolls, spring rolls, and dumplings, including: - How to make the dough for egg rolls, spring rolls, and dumplings.- How to make fillings.- The basic techniques including rolling, cutting, and folding the dough for egg rolls, spring rolls, and dumplings.- How to stock your pantry with the basic ingredients you will need to make egg rolls, spring rolls, and dumplings.- Five bonus recipes for making the most popular appetizers in Chinese restaurants, including garlic spare ribs and shrimp toasts. Good and Cheap 2015-07-14 Leanne Brown A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.
