Guide eipass teacher uso didattico delle nuove tecnologie...The Mystery of the Missing Diamond

It was a shadowy and stormy night. The rain was falling heavily, and the wind was howling. In the center of the city, there was a gallery, where a precious diamond was on exhibit. The diamond was named the African Star, and it was the largest and most gorgeous diamond in the globe. It was secured by a sophisticated security system, and a team of weaponized guards. No one could steal it, or so they believed. But an individual did. An individual succeeded to get around the security, to evade the sentinels, to shatter the window, and to grab the diamond. And no one saw them, no one listened to them, no one identified who they were. They exited no mark, no hint, no proof. They faded into the night, with the African Star. And the enigma of the lost diamond started.
