

Houseboy Oyono Full Text Pdf Pdf

Conflict and the black servant in Oyono's "Houseboy" and Gordimer's "July's People"

2015-12-01 Wazha Lopang Scientific Essay from the year 2015 in the subject Literature - Africa, University of Botswana, language: English, abstract: This study intends to compare the portrayal of conflict in Ferdinand Oyono's „Houseboy“ and Nadine Gordimer's „July's People“. Specifically, it looks at how the black servant is forced to balance the loyalty he has for the white employer and for his African roots. The analysis of „Houseboy“ will focus on how conflict is represented between whites and blacks, how it can satirically have a positive influence on others and lastly, how conflict among the blacks can be very destructive. „Houseboy“ shows how conflict can be prompted by stereotypes; how it can be a shield from other pressing concerns and even how conflict itself can provide an outlet for humour. The analysis of „July's People“ will on the other hand focus on how people can live together under pretences that they are at peace with one another when in actual fact they are not; how the black servant can be in conflict with people of other races or their traditions as well as how that servant can be in conflict with fate or destiny. In conclusion it will be shown how „Houseboy“ is more explicit in portraying conflict than „July's People“ due to the events that happened in the two texts. An argument can be made therefore if conflict experienced by black servants during the colonial period was more in the open as opposed to that of apartheid South Africa.

Houseboy

1990 Ferdinand Oyono This book is written in the form of a diary kept by Toundi, an innocent Cameroonian houseboy who is fascinated and awed by the white world, the world of his masters.

Chaka

2013-05-21 Thomas Mofolo Chaka is a genuine masterpiece that represents one of the earliest major contributions of black Africa to the corpus of modern world literature. Mofolos fictionalized life-story account of Chaka (Shaka), translated from Sesotho by D. P. Kunene, begins with the future Zulu king's birth followed by the unwarranted taunts and abuse he receives during childhood and adolescence. The author manipulates events leading to Chaka's status of great Zulu warrior, conqueror, and king to emphasize classic tragedy's psychological themes of ambition and power, cruelty, and ultimate ruin. Mofolos clever nods to the supernatural add symbolic value. Kunene's fine translation renders the dramatic and tragic tensions in Mofolos tale palpable as the richness of the author's own culture is revealed. A substantial introduction by the translator provides valuable context for modern readers.

Slave

2009-04-28 Mende Nazer Mende Nazer lost her childhood at age twelve, when she was sold into slavery. It all began one horrific night in 1993, when Arab raiders swept through her Nuba village, murdering the adults and rounding up thirty-one children, including Mende. Mende was sold to a wealthy Arab family who lived in Sudan's capital city, Khartoum. So began her dark years of enslavement. Her Arab owners called her "Yebit," or "black slave." She called them "master." She was subjected to appalling physical, sexual, and mental abuse. She slept in a shed and ate the family leftovers like a dog. She had no rights, no freedom, and no life of her own. Normally, Mende's story never would have come to light. But seven years after she was seized and sold into slavery, she was sent to work for another master—a diplomat working in the United Kingdom. In London, she managed to make contact with other Sudanese, who took pity on her. In September 2000, she made a dramatic break for freedom. Slave is a story almost beyond belief. It depicts the strength and dignity of the Nuba tribe. It recounts the savage way in which the Nuba and their ancient culture are being destroyed by a secret modern-day trade in slaves. Most of all, it is a remarkable testimony to one young woman's unbreakable spirit and tremendous courage.

The Old Man and the Medal

2013-08-13 Ferdinand Oyono Writing in French in the 1950s, Ferdinand Léopold Oyono (1929–2010) had only a brief literary career, but his anticolonialist novels are considered classics of twentieth-century African literature. Like Oyono's Houseboy, also available from Waveland Press, this novel fiercely satirizes the false pretenses of European colonial rule in Africa. Meka, a village elder, has always been loyal to the white man. It is with pride that he first hears he is to receive a medal. While waiting for the ceremony, however, Meka's pride gives way to skepticism. At the same time, his wife has realized that the medal is being given to her husband as compensation for the sacrifices they have made. The events following the ceremony confirm Meka's new estimation of the white man. Both subtle and oftentimes humorous, this beautifully told story lays bare the hollowness of the mission in Africa. It fuels opportunities for discussing colonial politics around class and race as well as for exploring indigenous Cameroon life and values.

The Strange Bride

1989 Grace Ogot An interpretation of a Luo myth. The people of GotOwaga lead a placid, almost idyllic, life-style until the glamorous and mysterious Nyawir suddenly appears from an unknown world.

Ambiguous Adventure

2012-03-27 Cheikh Hamidou Kane The celebrated classic by a groundbreaking figure in African literature addresses a critical contemporary issue—the collision of Islamic African values and Western culture. Hailed by Chinua Achebe as one of the greatest African novels ever written, this long-unavailable classic tells the tale of young Samba Diallo, a devout pupil in a Koranic school in Senegal whose parents send him to Paris to study philosophy. But unknown to Samba, it is a desperate attempt by his parents to better understand the French colonial forces transforming their traditional way of life. Instead, for Samba, it seems an exciting adventure, and once in France he excels at his new studies and is delighted by his new "marvelous comprehension and total communion" with the Western world. Soon, though, he finds himself torn between the materialistic secularism and isolation of French civilization and the deeper spiritual influences of his homeland. As Samba puts it: "I have become the two." Written in an elegant, lyrical prose, Ambiguous Adventure is a masterful expression of the immigrant experience and the repercussions of colonialism, and a great work of literature about the uneasy relationship between Islamic Africa and the West—a relationship more important today than ever before. From the Trade Paperback edition.

Allah is Not Obligated

2011-06-01 Ahmadou Kourouma ALLAH IS NOT OBLIGED TO BE FAIR ABOUT ALL THE THINGS HE DOES HERE ON EARTH. These are the words of the boy soldier Birahima in the final masterpiece by one of Africa's most celebrated writers, Ahmadou Kourouma. When ten-year-old Birahima's mother dies, he leaves his native village in the Ivory Coast, accompanied by the sorcerer and cook Yacouba, to search for his aunt Mahan. Crossing the border into Liberia, they are seized by rebels and forced into military service. Birahima is given a Kalashnikov, minimal rations of food, a small supply of dope and a tiny wage. Fighting in a chaotic civil war alongside many other boys, Birahima sees death, torture, dismemberment and madness but somehow manages to retain his own sanity. Raw and unforgettable, despairing yet filled with laughter, Allah Is Not Obligated reveals the ways in which children's innocence and youth are compromised by war.

Houseboy

2012-09-24 Ferdinand Oyono Toundi Ondoua, the rural African protagonist of Houseboy, encounters a world of prisms that cast beautiful but unobtainable glimmers, especially for a black youth in colonial Cameroon. Houseboy, written in the form of Toundi's captivating diary and translated from the original French, discloses his awe of the

white world and a web of unpredictable experiences. Early on, he escapes his fathers angry blows by seeking asylum with his benefactor, the local European priest who meets an untimely death. Toundi then becomes the Chief Europeans boythe dog of the King. Toundis attempt to fulfill a dream of advancement and improvement opens his eyes to troubling realities. Gradually, preconceptions of the Europeans come crashing down on him as he struggles with his identity, his place in society, and the changing culture.

So Long a Letter

2012-05-06 Mariama Bâ Written by award-winning African novelist Mariama Bâ and translated from the original French, So Long a Letter has been recognized as one of Africa's 100 Best Books of the 20th Century. The brief narrative, written as an extended letter, is a sequence of reminiscences —some wistful, some bitter—recounted by recently widowed Senegalese schoolteacher Ramatoulaye Fall. Addressed to a lifelong friend, Aissatou, it is a record of Ramatoulaye's emotional struggle for survival after her husband betrayed their marriage by taking a second wife. This semi-autobiographical account is a perceptive testimony to the plight of educated and articulate Muslim women. Angered by the traditions that allow polygyny, they inhabit a social milieu dominated by attitudes and values that deny them status equal to men. Ramatoulaye hopes for a world where the best of old customs and new freedom can be combined. Considered a classic of contemporary African women's literature, So Long a Letter is a must-read for anyone interested in African literature and the passage from colonialism to modernism in a Muslim country. Winner of the prestigious Noma Award for Publishing in Africa.
