2000 John D. Lamond 'Unquestionably the best guide to Scotland's finest whiskies.'  
Tim Atkin, Esquire

### *Enterprise as a Carrier of Culture*

2019-05-08 Hirochika Nakamaki This book expands anthropological studies of business enterprise to include comparative and interdisciplinary perspectives. A number of books on business anthropology have been published, but most of them are written by anthropologists alone. By contrast, this book engages interdisciplinary studies, e.g., not only by anthropologists but also management scholars and other social scientists. It is the second volume of studies forwarding anthropological approaches to business administration, Keiei Jinruigaku. This volume focusses on the cultural dimensions of enterprise. Here enterprise is viewed as a medium carrying culture, rather than solely an entity of production and management, as is typical in mainstream studies. The approach is based on Tadao Umesao's definition of culture as a projection of instruments/devices and institutions into the mental/spiritual dimensions of life. Therefore, in our view production and management are among the projections of the cultural aspects of enterprise. This perspective, we believe, constitutes a new frontier in the study of business administration. This book consists of three parts, the first being "religiosity and spirituality", the second "exhibitions, performance and inducement," and the third "history and story." In Part I, Quaker Codes, ex-votos, and spiritual leadership are discussed in relation to management and behavior, and miracles and pilgrimage. Part II describes exhibitions justifying nuclear power industry within power plants in both Japan and England, the exhibition by English families of their porcelain collections, and the performance skills of orchestral maestros. All of these examples indicate that, through the use of narratives and myths, exhibits and performances overtly and covertly induce visitors or audiences to certain viewpoints and emotions. Part III offers examples of histories and stories of enterprise articulated through the branding and consumption of industrial products, and their display in enterprise museums where the essence of culture and heritage is cherished and emphasized, by and for the wider community and the enterprise itself. Conjoined as an interdisciplinary team of Western and Japanese researchers, we apply an anthropological approach to the cultural history of enterprise in both Britain and Japan.

### Subnational Authorities in EU Law

2017-09-29 Michèle Finck This book explores the role and status of local and regional authorities (also referred to as 'subnational authorities' or 'SNAs') in European Union law, and reveals the existence of two parallel yet opposed constitutional imaginations of the supranational legal order. Through a survey of

various areas of EU law, including primary and secondary legislation, case law as well as various soft law instruments, Finck introduces two narratives. These are the 'outsider narrative' and the 'insider narrative' that frame these constitutional imaginations. According to the outsider narrative, the structure of the legal order is bi-centric, composed of the member states and the EU only. This narrative envisages SNAs as outsiders of EU law, whose interactions with Union law are merely of an indirect nature. However, in addition to this well-known account of EU law, a parallel yet distinct narrative can be identified according to which SNAs are insiders that entertain direct relations with the European Union and contribute to the substantive development of EU law. It is illustrated that the coexistence of both narratives has wider implications as it points towards a shift in the structure of the European legal order itself, which is transitioning from bi-centricity to polycentricity.

### Oxford Principles of European Union Law

2018-03-01 Robert Schütze Since the 1957 Rome Treaty, the European Union has changed dramatically - in terms of its composition, scope and depth. Originally established by six Western European States, the EU today has 28 Members and covers almost the entire European continent; and while initially confined to establishing a "common market", the EU has come to influence all areas of political, economic and social life. In parallel with this enormous geographic and thematic expansion, the constitutional and legislative principles underpinning the European Union have constantly evolved. This three-volume study aims to provide an authoritative academic treatment of European Union law. Written by leading scholars and practitioners, each chapter offers a comprehensive and critical assessment of the state of the law. Doctrinal in presentation, each volume nonetheless tries to present a broader historical and comparative perspective. Volume I provides an analysis of the constitutional principles governing the European Union. It covers the history of the EU, the constitutional foundations, the institutional framework, legislative and executive governance, judicial protection, and external relations. Volume II explores the structure of the internal market, while Volume III finally analyses the internal and external substantive policies of the EU.

### *Malt Whisky Yearbook 2017*

2016-10-01 Ingvar Ronde Whisky enthusiasts all over the world look forward to the Malt Whisky Yearbook every autumn. This 12th edition is again fully revised and packed with new and up-to-date information on more than 400 whisky distilleries from all over the world. Finally, with more than 500 colour photographs, Malt Whisky Yearbook 2022 is as much an essential reference guide as a book to read for pleasure.

### **The Indigo Book**

2017-07-11 Christopher Jon Sprigman This public domain book is an open and compatible implementation of the Uniform System of Citation.

### **Governing Markets as Knowledge Commons**

2021-12-16 Erwin Dekker Knowledge commons facilitate voluntary private interactions in markets and societies. These shared pools of knowledge consist of intellectual and legal infrastructures that both enable and constrain private initiatives. This volume brings together theoretical and empirical approaches that develop and apply the Governing Knowledge Commons framework to the evolution of various kinds of shared knowledge structures that underpin exchanges of goods, services, and ideas. Chapters offer vivid and illuminating case studies that illustrate this conceptual framework. How did pooling scientific knowledge enable the Industrial Revolution? How do social networks underpin the credit system enabling the Agra footwear market? How did the market category Scotch whisky emerge and who has access to it? What is the potential of blockchain-ledgers as shared knowledge repositories? This volume demonstrates the importance of shared knowledge in modern society.

### **Peat Smoke and Spirit**

2005-06-06 Andrew Jefford Those who discover malt whisky quickly learn that the malts made on the Isle of Islay are some of the wildest and most characterful in the malt-whisky spectrum. In PEAT SMOKE AND SPIRIT, Islay's fascinating story is uncovered: from its history and stories of the many shipwrecks which litter its shores, to intimate descriptions of the beautiful wildlife, landscape and topography of the island. Interwoven through these different narrative strands comes the story of the whiskies themselves, traced from a distant past of bothies and illegal stills to present-day legality and prosperity. The flavour of each spirit is analysed and the differences between them teased out, as are the stories of the notable men and women who have played such an integral part in their creation. PEAT SMOKE AND SPIRIT is the last word on Islay and its whiskies.

**malt whisky yearbook 2015 pdf pdf** : Knowledge about malt whisky yearbook 2015 pdf pdf. Home, apartment or office is among the most locations where we regularly use to spend time in our life. its look really should cause us feel at home. Occasionally, we might have to slightly customize style, color, or even accessories. We need a fresh thought for it then one of them is malt whisky yearbook 2015 pdf pdf.

malt whisky yearbook 2015 pdf pdf is one of the photos we found on the net from reputable sources. We choose to explore this malt whisky yearbook 2015 pdf pdf picture in this article just because according to data coming from Google search engine, It really is one of the top rated queries keyword on google. And we also consider you arrived here were looking for these details, are not You? From many choices on the web were sure this image could be a perfect guide for you, and we sincerely we do hope you are delighted by what we present. We are very thankful if you leave a opinion or suggestions about this malt whisky yearbook 2015 pdf pdf post. Well apply it for better future reports. If you ally infatuation such a referred **malt whisky yearbook 2015 pdf pdf** books that will pay for you worth, acquire the entirely best seller from us currently from several preferred authors. If you want to entertaining books, lots of novels, tale, jokes, and more fictions collections are after that launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all books collections malt whisky yearbook 2015 pdf pdf that we will agreed offer. It is not almost the costs. Its not quite what you craving currently. This malt whisky yearbook 2015 pdf pdf, as one of the most practicing sellers here will no question be along with the best options to review.
