Its a essential component of your college education, often assigned towards the conclusion of a semester. The paper is a vehicle through which educators gauge your comprehension of the course content. Writing a term paper isnt just about summarizing facts. Second, it should have good grammar and style (following MLA, APA, or CMS style). Third, it should be well documented with in-text references (in parentheses) linking their assertions to scholarly articles in the list of references at the end of the paper.
