Galactic Conflicts which Changed Chronicle

It was the year 2023, and the globe stood at the verge of conflict. The USA and China, the pair of global powers, were entangled in a intense rivalry, vying for assets, dominance, and supremacy. They had created high-tech weapons, such as lasers, unmanned aerial vehicles, and spacecrafts, which could strike any place, anytime. They had also secretly constructed orbital stations, which could fire atomic weapons, that could annihilate the planet. They were both prepared to utilize these weapons, if ever necessary. But they were not the only ones. There was a third force, a secret entity, which had monitoring them both, waiting for them, getting ready for them both. They were ETs, and they had come come to halt them both. They had arrived to save the globe, or to finish it. They had come come to initiate the space wars that transformed history.
