## After Anna

2015-07-30 Alex Lake The No. 1 ebook bestseller, Sunday Times Top 10 bestseller and USA Today bestseller

### *The Girl in the Red Coat*

2016-02-16 Kate Hamer • An Amazon Best Book of the Year for 2016 • Costa Book Award for First Novel finalist • Dagger Award finalist Newly single mom Beth has one constant, gnawing worry: that her dreamy eight-year-old daughter, Carmel, who has a tendency to wander off, will one day go missing. And then one day, it happens: On a Saturday morning thick with fog, Beth takes Carmel to a local outdoor festival, they get separated in the crowd, and Carmel is gone. Shattered, Beth sets herself on the grim and lonely mission to find her daughter, keeping on relentlessly even as the authorities tell her that Carmel may be gone for good. Carmel, meanwhile, is on a strange and harrowing journey of her own—to a totally unexpected place that requires her to live by her wits, while trying desperately to keep in her head, at all times, a vision of her mother ... Alternating between Beth’s story and Carmel’s, and written in gripping prose that won’t let go, *The Girl in the Red Coat*—like Emma Donoghue’s *Room* and M. L. Stedman’s *The Light Between Oceans*—is an utterly immersive story that’s impossible to put down . . . and impossible to forget. "Kate Hamer’s gripping debut novel immediately recalls the explosion of similarly titled books and movies, from Stieg Larsson’s *The Girl With the Dragon Tattoo* and its sequels, to *The Girl on the Train to Gone Girl* ... "—Michiko Kakutani, *The New York Times* “Keeps the reader turning pages at a frantic clip... What’s most powerful here is not whodunnit, or even why, but how this mother and daughter bear their separation, and the stories they tell themselves to help endure it.” —Celeste Ng (*Everything I Never Told You*) “Compulsively readable...Beautifully written and unpredictable, I had to stop myself racing to the end to find out what happened.” —Rosamund Lupton (Sister) “Both gripping and sensitive — beautifully written, it is a compulsive, aching story full of loss and redemption.” —Lisa Ballantyne (*The Guilty One*) "Hamer’s dark tale of the lost and found is nearly impossible to put down.” —Booklist

### *The Doll Funeral*

2018-07-10 Kate Hamer "On Ruby's thirteenth birthday, a wish she didn't even know she had suddenly comes true: the couple who raised her aren't her parents at all. Her real mother and father are out there somewhere, and Ruby becomes determined to find them. Venturing into the forest with nothing but a suitcase and the company of her only true friend-- the imaginary Shadow Boy-- Ruby discovers a group of siblings who live alone in the woods. The children take her in, and while they offer the closest Ruby's ever had to a family, Ruby begins to suspect that they might need her even more than she needs them. And it's not always clear what's real and what's not-- or who's trying to help her and who might be a threat. Told from shifting timelines, and the alternating perspectives of teenage Ruby; her mother, Anna; and even the Shadow Boy ..."--

### The Guilty One

2013-03-19 Lisa Ballantyne Moving and suspenseful, *Lisa Ballantyne’s The Guilty One* is a psychological thriller about the darkness in each of us. It explores how we are all tied to our pasts, and what it means to be guilty. Solicitor Daniel Hunter is called to defend 11-year-old Sebastian who has been charged with the murder of a young boy on a London playground. While examining Sebastian’s life in order to save it, Daniel can’t help but be transported to his own difficult youth spent in foster care—a time when the one he trusted the most was the one who betrayed him... Emotionally wrought, and with an abundance of twists and turns, *The Guilty One* is a character-driven novel of suspense that explores the true nature of guilt.

### *The Girl in the Red Coat*

2016-01-12 Roma Ligocka When she first saw Schindler's List--to whose premiere in Germany she was invited--Roma Ligocka suddenly realized she was witnessing a part of her own life. She felt instinctively that the little girl in the red coat--the only spot of color in the film--was her. When she had lived in the Krakow ghetto during the Second World War she had worn a strawberry-red coat given to her by her grandmother. Unlike the girl in Spielbeg's film, however, Roma survived the war. Startled by this eerie conjunction of art and reality, Ligocka determined to write the story of her own life, to find out what had become of the little girl, and to measure who she now was. From a harrowing childhood under the Nazis, described with a simplicity and innocence that lends it even greater power, through the trials of living in Communist Poland, to a career in the theater and film (an artistic struggle paralleling that of her cousin, Roman Polanski), Ligocka traces her struggle for self-defiition and happiness. *The Girl in the Red Coat* is a courageous and moving story of survival and triumph.

## **The Girl in the Red Coat**

2015-02-24 Kate Hamer Shortlisted for the 2015 Costa First Novel Award Shortlisted for the CWA John Creasey (New Blood) Dagger Award 'Mesmerising, compulsive, deliciously dark' LUCY FOLEY Carmel is missing - but doesn't know she's lost. When sensitive, distracted eight-year-old Carmel becomes separated from her mother at a local children's festival, a man claiming to be her estranged grandfather finds her - and takes her. Unable to accept the possibility that her daughter might be gone for good, Beth makes it her mission to find her. But in what she's told is her new family, Carmel has embarked on an extraordinary journey, one that will make her question who she is - and who she might become. 'Keeps the reader turning pages at a frantic clip . . . What's most powerful here is not whodunnit, or even why, but how this mother and daughter bear their separation.' CELESTE NG \*\*Carmel and Beth's story continues in *The Lost Girls* - pre-order now!\*\*

## **Crushed**

2020-04-02 Kate Hamer Phoebe stands on Pulteney Bridge, tights gashed from toe to thigh. The shock of

mangled metal and blood-stained walls flashes through her mind as she tries to cover her face so she won't be recognised. It wouldn't do to be spotted looking like this. She's missing a shoe. She feels sick. Phoebe thought murder and murder happened. Thoughts are just thoughts, they said. Now she knows they were wrong. At home, Phoebe arranges the scissors and knives so they point toward her mother's room. She is exhausted, making sure there's no trace of herself - not a single hair, not even her scent - left anywhere in the house. She must not let her thoughts unravel, because if they do, there's no telling who might be caught in the crossfire, and Phoebe will have to live with the consequences.

## **Exposure**

2016-04-05 Helen Dunmore “An unconventional thriller [and] a page turner . . . As much a surprising love story as it is a tale of spies” (*The New York Times Book Review*). In 1960 London, the Cold War is at its height, and a spy may be a friend or neighbor, colleague or lover. Two colleagues, Giles Holloway and Simon Callington, face a terrible dilemma over a missing top-secret file. At the end of a suburban garden, in the pouring rain, Simon’s wife, Lily, buries a briefcase containing the file deep in the earth. She believes that in doing so she is protecting her family. What she will learn is that no one is immune from betrayal or the devastating consequences of exposure. “Dunmore’s strategy, placing a triangle of past and present loves within a spy novel, yields an unexpected dividend. Even the most ordinary elements of life—the lengths to which a mother will go to protect her children, meeting someone special, what remains unsaid within a marriage—become viscerally exciting.” —*The New Yorker* “Exposure is many things at once—an espionage thriller, a forbidden-love story, an immigrant’s tale . . . A novel you won’t be able to shake.” —*Entertainment Weekly* “One of those books that you read with your heart in your mouth, your mind fully engaged, and with a sense of desolation as you note the dwindling number of pages left before it comes to an end.” —*Chicago Tribune*

## **The Hidden Girls**

2020-12-31 Rebecca Whitney Longlisted for the CWA Gold Dagger 2021 How does the saying go? Just because you’re paranoid, it doesn’t mean they’re not out to get you . . . For Ruth, a new mother recovering from postpartum psychosis, every day is difficult and, after months spent hearing voices in the walls and trusting no one, she’s no longer confident in her own judgement. Neither, it seems, is anyone else. So, when she hears a scream from the local petrol station one night, she initially decides it must be her mind playing tricks again. The police, too, are polite but firm: she must stop calling them every time she thinks she hears something. And her husband is frustrated: he’d hoped Ruth was getting better at last. Ruth can’t quite let it go . . . What if there was a scream? What if it was someone in trouble? Someone who needs Ruth’s help? Exploring the dark and isolating side of motherhood, the question at the heart of Rebecca Whitney’s *The Hidden Girls* is how much you can help someone else when you can’t trust anyone - even yourself . . .

"Bellman & Black" is a novel by Diane Setterfield, a UK-based author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a minor cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man blessed by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.

**Life Lessons from the girl in red coat kate hamer**\_\_ On the forgotten outskirts of the galaxy, where stellar dust told tales of ancient civilizations, a lone spacecraft hurtled through the cosmic abyss. Its destination? A celestial library, rumored to hold the solutions to queries whispered by the universe itself. Accompany Captain Elara Nova as she navigates a course through the cosmic sea in search of wisdom that transcends the limits of time and space.

The field of Engineering Economics and Cost Estimation is a crucial aspect of any engineering project. It involves present and future economic factors, making it critical to obtain dependable estimates of future costs, benefits, and other economic parameters. Engineers often deal with projects whose scale, complexity, and uncertainty call for complex approaches to planning and budgeting<sup>[1]</sup>. A number of methods are used for cost estimation, including rough estimates, semi-detailed estimates, or detailed estimates, depending on the needs for the estimates<sup>[2]</sup>. Key concepts in this field include overhead costs, cost driver identification, cost allocation methods, capital budgeting, flexible budgeting, zero-based budgeting, budgets, and estimates. Several models are available for developing cost (or benefit) estimates, such as the per-unit model, the segmenting model, cost indexes, the power-sizing model, and learning curve cost estimating. The quality of a cost estimate usually increases as the resources allocated to developing the estimate increase.

**Life Lessons from the girl in red coat kate hamer**\_\_Edges of the Luminous Bay, where holograms danced on the liquid canvas, a holographer named Spectra captured the essence of transient illusions. As the holograms shimmered, they revealed stories suspended between the realms of reality and illusion.

Chapter 4 of the Holt Chemistry textbook, titled “The Periodic Table”, provides a thorough look of the table of elements and its constituents. The chapter starts with a dialogue on the traits of groups and periods, explaining how the Russian chemist Mendeleev organized elements by their weight in ascending order<sup>1</sup>. It then explores the idea of outer electrons and energy levels of atoms, underscoring the part of these electrons in chemical reactions and changes to atomic structures and molecular structures. The chapter further separates between transition metals and main group elements, elaborating on their features and attributes. It also describes the notion of ionization energy and its tendencies among groups and periodic groups on the periodic table<sup>1</sup>. The chapter discusses atomic and ionic, and how these can be anticipated based on an atom’s position on the periodic table. The concept of electronegativity, which measures an element’s propensity to pull a bonding pair of electrons, is another crucial topic addressed in this chapter<sup>1</sup>. The chapter finishes with a dialogue on the diagonal relationship, metallic character, and boiling point of constituents. In terms of questions, the chapter provides a array of practice questions and test preparation resources to bolster the concepts learned. These questions cover a array of topics, from comprehending the arrangement of constituents to investigating the tendencies in the periodic table.

In the harrowing yet heartwarming true story of \*Mums List\*, a mother battling incurable cancer leaves a treasure trove of life lessons for her husband and two young sons to help them navigate life after she is gone. Kate Greene, a effervescent and caring mother, receives a crushing diagnosis of an incurable illness and knows her time is precious. Determined to leave her husband, St. John, and their two sons, Reef and Finn, with the guidance they need to prosper without her, Kate embarks on a quest to create a collection of advice, encapsulating her understanding and devotion. As Kates health deteriorates, she carefully assembles her list, filling each page with valuable advice on everything from navigating relationships and fulfilling ambitions to facing adversity with courage and discovering happiness in every moment. The list becomes a beacon of hope for St. John, Reef, and Finn, providing them with support and guidance as they face the pain of their impending loss. Through Kates words, they learn to find joy in ordinary moments, to cherish the love they share, and to honor their mothers legacy. Kates list becomes a living testament to her unconditional love for her family, a truth that in the face of adversity, lifes most valuable treasures can endure. \*Mums List\* is a moving and hopeful memoir that honors the lasting strength of love, kinship, and strength. Kate Greenes imprint lives on in her words, motivating others to face adversity with courage.
