The book "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally released in 1997, establishes a methodical model for the study and portrayal of casual conversation in English. The authors argue that notwithstanding its occasionally aimless appearance and seemingly unstructured material, casual conversation is an extremely structured task and performs a critical role in the social construction of reality. The work goes through real examples of casual conversations involving participants varying in age, gender, ethnicity, and socio-economic class¹². Drawing on insights from sociology, linguistics, and critical semiotics, the book equips readers with the examinative skills to depict the strata of structure and critical interpretive frameworks to elucidate the 'social work' that happens on through chat.
