Obsession 2000 audi a6 service manual pdf pdf,The Mystery of the Missing Diamond

It was a dark and tempestuous night. The downpour was falling heavily, and the gale was howling. In the middle of the city, there was a exhibition, where a precious diamond was on show. The diamond was known as the Star of Africa, and it was the largest and most stunning diamond in the globe. It was secured by a advanced security setup, and a team of weaponized guards. No one could pilfer it, or so they believed. But somebody did. Somebody managed to bypass the safeguard, to avoid the sentinels, to smash the pane, and to steal the diamond. And no one saw them, no one listened to them, no one knew who they were. They left no sign, no lead, no proof. They disappeared into the night, with the Star of Africa. And the riddle of the lost diamond commenced.
