The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally issued in 1997, develops a systematic model for the examination and portrayal of casual conversation in English. The writers argue that notwithstanding its sometimes aimless seeming and apparently unstructured material, casual conversation is an extremely structured task and plays a vital role in the social formation of reality. The book goes through real samples of casual conversations including participants diverging in age, gender, ethnicity, and socio-economic class¹². Deriving on perspectives from sociology, linguistics, and critical semiotics, the publication provides readers with the analytical skills to portray the levels of structure and critical interpretive frameworks to elucidate the 'social work' that happens on through chat.
