2018-09-03 Jason A. Cheek Diving into a revolutionary new video game, Jason and his friends are working to move their entire guild to Pro-Gamer status. Unlike the current line of MMORPGs and PVRMMORPG games on the market, FIVRMMORPG introduces a new gaming technology unlike anything experienced before. Choosing a Nightmare start to get ahead of the wave of new players starting the game, Jason finds himself alone in the wilds tasked with saving a group of refugees from goblin invaders. Although he manages to save the survivors that is just the beginning of his trials as he desperately fights to bring them back from the edge of annihilation. Jason is quickly swept up in the adventure as he struggles to build a home for his guildmates and the NPCs that he's saved. As the trouble heats up, he quickly discovers that marauding goblins are the least of his concerns. Warning: This story contains adult situations, foul language, MMORPG-style violence and other fun things. Read at your own risk.

2018-07-10 Thomas Whipple Yanked across the universe to the land of Herst, Vol Adare must learn his place in it. Or carve out one for himself. It is a world of swords and sorcery, slavery and violence. Here actions have consequences and often, might is right. Vol must build his strength to survive against those that wish for his fall. If he fails all he works for could be taken, along with those he comes to care for.

Citadel of Smoke

2018-11-29 Carrie Summers It's okay to have a few inner demons, right? Devon has a problem, and it's not just that her stealth skill is stuck at three. Though that is an issue when it comes to sneaking up on...well, anything. The real problem is that her former guildmate, Owen, is trapped in the demonic plane. Not just his in-game avatar. His mind is lost there too, leaving his real-life body in a coma. The only way to get him back, it seems, is to journey into the underworld and guide him back. Shouldn't be a big deal--as long as she doesn't mind transforming into a demon herself. Stonehaven League Book 4 releases December 4th! Are you ready for a new adventure? Preorder now!

Fortress of Shadows

2018-06-21 Carrie Summers A giant telepathic parrot with a rather foul mouth, a horde of smelly goblins, and a tyrannical demon priestess... Welcome to Devon Walker's "new normal." During her first weeks in the deeply immersive VR game, Relic Online, she's hacked out a home from a choking jungle, gathered a tribe of loyal followers, and earned a wisp stalker who insists she's some kind of champion. But Relic Online isn't some wussy kids' game, and there will be no easy-street cruising for Devon. Like a monk racking up combo points, the system opens a fresh offensive by crippling her most powerful ability. Following through, it strangles the village food supply, sends demons bursting through rifts in the earth, and delivers a final, devastating throat punch by exploiting Devon's worst fear. The players have discovered Devon's home. Now everything changes.

Battle Harem

2018-07-08 Isaac Hooke Trapped in the uninhabitable zone with three machine women. All of them very hot. And very horny. Not to mention deadly. Jason was a little short on creds so he decided to get his mind scanned. It seemed like a good idea at the time: get paid to license a copy of your mind for use in one of the numerous machines that run society. What could go wrong? Turns out, a lot. Jason wakes up in the middle of the radioactive wasteland that was created fifty years ago when aliens destroyed half the Earth. He has no idea why he's here, or what the hell he's supposed to do. Worst of all, he's no longer human: his consciousness has been installed into the AI core of a state-of-the-art war machine, a mech with enough firepower to raze a small city. One would think the military wouldn't want to misplace something like that. Whoops. Hunted by mutated alien bioweapons, Jason travels the wasteland in an attempt to piece together what happened. Along the way he encounters a few abandoned war machines that also have no memory of their mission, machines that can't decide whether they want to join him or kill him. It doesn't help that in VR they all look like super hot women. Sometimes it's tough being a machine. When Jason and his new companions discover what they're truly capable of, however, everything changes. And not necessarily for the better. Warning: This book contains bloodthirsty alien mutants, angry robots, violence, swearing, and a harem full of beautiful machine women.

Creating a synthesis paper requires pulling together data from various sources to show a comprehensive argument on a topic. Here are the steps to write a flawless outline for a synthesis paper:

1. **Choose a Appropriate Subject:** Choose a topic that matches with your interests and the assignment needs.
2. **Carry out Comprehensive Research:** Investigate different sources, including articles, books, and academic journals, to gather information.
3. **Outline Your Format:** Start with an introduction that catches the reader's attention and states your argument – what your essay will debate. After that, plan what each of your body paragraphs will talk about. Be sure to add information from various sources.
4. **Write Paragraphs with Topic Sentences:** Dedicate each paragraph to a unique sub-topic or source. Start with a distinct topic sentence directly linked to your argument. Introduce the source you're combining and plan its key points. Support your claims with proof from the source, employing quotes, paraphrases, or summaries.
5. **Review, Correct, and Check:** Review your paper for any errors or inconsistencies.

Life Lessons from fortress of shadows a litrpg and gamelit~Eva had always been fascinated by the realm of magic, but she never imagined that she would uncover her own

magical heritage. She had spent her childhood in a normal family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A mysterious package arrived, sent by her grandmother, who had departed years ago. Within the package lay an ancient leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the hidden mysteries of her family's magical lineage, and that she was the last descendant of a long line of formidable witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for evil purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be altered from that moment forward.
