There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute

"Before leaping into the arena, read Jack Gibson's book. He has poured into it many years of relevant experience as both business owner and broker." - Michael Haviland, MPA, Ed.D, Denver "I founded and sold two businesses over my career. I wish this book had been available to better prepare me to guide the buyers through the tough questions they needed to ask." - Donald Mathews, Ph.D, Professor of Marketing

## **Buying and Selling a Business**

2013-02-28 Garrett Sutton Buying and Selling a Business reveals key strategies used to sell and acquire business investments. Garrett Sutton, Esq. is a best selling author of numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction. "Buying and Selling a Business" uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. The book also clearly identifies how to understand the tax issues of a business sale, how to use confidentiality agreements to your benefit and how to negotiate your way to a positive result. Robert Kiyosaki, the best selling author of Rich Dad/Poor Dad has this to say about Buying and Selling a Business, "Garrett Sutton's information is priceless for anyone who wants to increase his or her knowledge of the often secret world of the rich, what the rich invest in, and some of the reasons why the rich get richer." Buying and Selling a Business is a timely business book for our times.

## **How to Buy Any Business How to Do It, Step by Step**

2009-03-16 Sterling Cooper This is a step-by-step guide on how to buy any business for yourself, or with your co-workers. Any size of business can be acquired by following the step-by-step guide outlined in the book, by the principals of STERLING COOPER, INC., a consulting firm ( www.sterlingcooper.info ) who have participated in thousands of acquisitions, valuations, appraisals and financings. The book concentrates on the principle of structuring a LEVERAGED BUYOUT (LBO) for the prospective acquisition and guides the reader to a means of accomplishing the purchase in easy to understand, straight forward terminology, with a daily suggested step-by-step program. This is a great handbook for anyone looking to buy a business. Readers may also contact the author directly for initial advice at no

cost. The book is designed both for the first time buyer, with the step by step guidance as to how to buy a business, any business, but it also works well for owner who is interested in making an add-on acquisition and grow his business through acquisitions. The principles are applicable to a small business to run personally or one with hundreds of employees. The book involves some 40 years of acquisition experience and has great stories about real and completed LBO'S ( LEVERAGED BUYOUTS) of some well known companies all done on a shoestring budget, using the assets of the acquired companies as the collateral for the loans to acquire the businesses. The book is written to allow even a relatively inexperienced buyer/business owner, to find and to complete the transaction step-by-step. The SterlingCooper firm is available as a total daily step-by-step coach in the entire process if necessary so that you are not out there all alone, trying to just follow the book, but you have a real coach to accomplish the first acquisition. Initial consultation is at no cost to the reader. The entire process is broken down to easy to follow and organized steps what start with describing how the process of structuring an LBO works, and then guides the reader through the individual steps needed to identify the business to be acquired ( or acquire the business you now work for by yourself or with other employees). Every step of the process is documented day by day to accomplish the first transaction in a period of 60-90 working days as the optimum result! Since the acquisition process is geared to minimize the funds needed from the buyer and concentrates on using the leverageable assets of the acquired company, the buyer will minimize the use of his own funds...that is the whole basis of a properly structured LBO. You heard the term "OTHER PEOPLE'S MONEY"? A properly structured LBO is the best of use of borrowed funds; the bank's! Banks are very interested in financing a properly structured acquisition since they want to lend money! The book also contains a variety of helpful and ready to use forms and agreements that can be easily used to close the deal including a Draft Stock Purchase Agreement. Most valuable is the INFORMATIONAL QUESTIONNAIRE, which provides all the questions to ask relating to the business, its operations and financial statements, and will be the document you can share with your lenders for financing. You will be able to evaluate the entire business, its history of operations and intricacies like a pro, without having to spend tens of thousands of dollars on hiring a battery of professionals to do that job for you. The ability to buy a business, literally any business is now in your hands. Depending on your available free capital there is no limit to the possibilities of what can be acquired. You will enjoy reading about the completed opportunistic acquisition of a divestiture, of a 12,000 employee firm, by a motivated seller, a large publicly traded conglomerate, and even provided a line of credit to help with the acquisition! Do not be misguided by spiteful reviews by a former employee that we have not been able to remove0its hogwash, call instea

#### **Buy Your Own Business With Other People's Money**

2014-10-21 Robert A. Cooke Most entrepreneurs interested in buying a business naturally assume they need large amounts of cash to work a deal. In fact, there are other ways to fund an entrepreneurial venture, particularly through seller financing. This simple, straightforward guide covers every possible source of financing available for wannabe business owners, how to deal with sellers, and how to use asset financing, selling equity, and asset protection. Buy Your Own Business with Other People's Money shows that you don't have to be rich to buy a business; you just need to be creative in financing your new business. For everyone who dreams of owning a business one day, this book has the answers.

#### **A Guide to Buying a Business the Right Way**

2017-03-13 Corey Bricker "This book is an absolute MUST READ if you're thinking about buying a business. If you want to buy a business, you have to ask yourself some tough questions and make sure you are not basing your decision on your emotions. After reading this book you will feel more informed and confident in your decisions and you will be armed with the facts that you need to know." You need to protect yourself financially in this type of acquisition. Some basics we cover include: - Discovering your motives for buying a business - EXPERT How To Buy Any Business How To Do It Step By Step Become A Millionaire In 365 Days Pdf Pdf upload Herison k Williamson

opinions & advice from seasoned business brokers - Count the Cost before you get in over your head! - Tips for success when buying a business - Numbers and stuff. What to look for in the financials! - How much money up front? - How long will it take? - Keeping records - Checking the facts - Financing and loans - Seller Financing - Do you have the skills? - The joys of owning a business! - Yes, you can do it! This is just a short list of what you are about to learn in this amazing little guide! First off, a little bit about ourselves: my brother Alex and I came up with an idea to build a "Businesses for Sale" type of website. So we purchased the domain name [www.for-sale-businesses.com](http://www.for-sale-businesses.com). Instead of throwing a website together and hoping it sticks, we thought that if we were going to do this, we wanted to add value by finding out just what buyers of businesses are seeking. I was hesitant at first, but knew we should "do something different." We started to build upon free accounts, learning through trial and error what brokers, sellers, and buyers want. We are still learning. This book is designed to give you, as a buyer, some good "hands on" information when buying a new business. It includes business broker tips and hearing what they have to say about buying a business. The reason why we based this guidebook on broker interviews is because of their vast experience and knowledge when it comes to mergers and acquisitions. This short and easy to read compilation of information is sure to get your feet set on the right path before you invest your life savings and go head long into the purchase of a new or existing business. We are going to teach you right away some of the most important things you absolutely need to know in order to avoid making any major financial mistakes as you begin this process. If this is your first time deciding you want to own and operate a business, this simple guide will give you a framework for success. It is based on interviews with business brokers throughout the United States, ranging from different financial and business expertise. It is my hope and desire that you will think clearly and carefully about these concepts as you consider buying a business. It may save you time and frustration instead of doing it the "hard way." This is intended to help you avoid any pitfalls and unnecessary failures. The brokers and their information are referenced in the appendix. So go ahead and download the book now with one click and enjoy. To your success, Corey

#### **Built to Sell**

2012-12-24 John Warrillow Run your company. Don't let it run you. Most business owners started their company because they wanted more freedom—to work on their own schedules, make the kind of money they deserve, and eventually retire on the fruits of their labor. Unfortunately, according to John Warrillow, most owners find that stepping out of the picture is extremely difficult because their business relies too heavily on their personal involvement. Without them, their company—no matter how big or profitable—is essentially worthless. But the good news is that entrepreneurs can take specific steps—no matter what stage a business is in—to create a valuable, sellable company. Warrillow shows exactly what it takes to create a solid business that can thrive long into the future.

#### **Buy Then Build**

2022-09 Walker Deibel Entrepreneurs have a problem: startups. Almost all startups either fail or never truly reach a sustainable size. Despite the popularity of entrepreneurship, we haven't engineered a better way to start...until now. What if you could skip the startup phase and generate profitable revenue on day one? In BUY THEN BUILD, acquisition entrepreneur Walker Deibel shows you how to begin with a sustainable, profitable company and grow from there. You'll learn how to: Buy an existing company rather than starting from scratch Use ownership as a path to financial independence Spend a fraction of the time raising capital Find great brokers, generate your own "deal flow," and see new listings early Uncover the best opportunities and biggest risks of any company Navigate the acquisition process Become a successful acquisition entrepreneur And more BUY THEN BUILD is your guide to outsmart the startup game, live the entrepreneurial lifestyle, and reap the financial rewards of ownership now.
