She had spent her childhood in an ordinary family, living in an unremarkable town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A intriguing package arrived, sent by her grandmother, who had passed away years ago. Within the package lay an timeworn leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. First Love that Never Fades

Anna could never banish from her thoughts her first love, Leo. Their paths had crossed when they were both 16, at an enchanting summer camp. They were inseparable, spending every day exchanging lighthearted banter, exchanging heartfelt thoughts, and sharing stolen kisses. Their bond was solid, and they vowed to stay connected, to wait for each other, and to never let their love fade. But life, as it often does, had other arrangements in store for them. They lost track of each other, they moved on with their lives, and they eventually married other people. Years passed, and the turmoil of life took them in different directions. But fate, it seems, had not forgotten their undeniable connection. At a chance encounter, at a nostalgic reunion, their paths crossed once again. The moment they laid eyes on each other, the flame of their first love rekindled. The same electric spark that had drawn them together years ago was still unmistakable. They felt the same joy that had fueled

their teenage romance, but they also felt the reality of their present. Their hearts yearned for the unwavering devotion they had shared, but their minds grappled with the tangled web of their current lives. They were caught in an emotional battle, torn between the alluring memories of their first love and the complications of their present. They stood at a critical juncture, forced to make a life-altering choice. Would they choose the magnetic pull of their first love, risking the unpredictability that lay ahead, or would they hold onto the security of their current lives, forever wondering what could have been? Only time would tell if their first love would find a way to prevail.
