Space Battles which Altered Past

It was the time 23, and the globe was at the verge of battle. The U.S. and PRC, the pair of global powers, were locked in a ferocious competition, contending for supplies, dominance, and dominance. They had both engineered high-tech armaments, like lasers, drones, and orbiters, that could strike any place, any moment. They had clandestinely built orbital stations, which could launch nuclear missiles, which can destroy the planet. They were prepared to use these weapons, if at all needed. But they were alone. There was a third power, a secret power, which had been watching them both, waiting for them both, getting ready for them both. They were the ETs, and they had come come to halt them. They had come come to save the globe, or to end it all. They had come to begin the space wars which changed history.
