Opportunity aptitude questions and answers with explanation for

Nightmare that Never Ends

Sam awoke with a scream, his body drenched in sweat. The same terrifying nightmare had once again haunted his sleep, the one where he was pursued by a ominous figure wielding a gleaming. He glanced at the clock; it was 3:15 am. He tried to soothe his pounding heart, attempting to convince himself that it was merely a product of his subconscious. Yet, deep down, he knew it was far more than that. He knew the elusive figure was existent, and it was moving relentlessly towards him. He had seen it before, in the terrifying news reports, in the detailed police sketches, in the despairing faces of the victims. It was the dreaded serial killer that had been plaguing the city for what seemed like an eternity. And Sam was his next target.
