Economie Soviétique À Un Tournant?

1988 Reiner Weichhardt

The Globalization of NATO

2012-08-25 Mahdi Darius Nazemroaya Spawned by the Cold War, NATO's existence was justified by Soviet threats to Western Europe. That raison d'être is long gone with the collapse of the Soviet Union and the end of the Cold War. Still NATO globalized relentlessly, moving from defensive to offensive under pretexts of humanitarianism, starting with Yugoslavia, then East Africa, Afghanistan, and most recently Libya, acting as an arm of the Pentagon. The danger to global equilibrium is a growing NATO being

expanded further by American and British ambitions into a monster military force of world proportions, way beyond any Atlantic or European alliance. NATO expansion, intrusive military hardware, such as cyber technology/interference and the murderous capacity of drones is threatening North/South peace. The creeping NATO expansion into Asia, the attempt to surround Russia, China and others can only end badly for the billions of human beings involved. The recent mini-US occupation of Australia, the interference in the ASEAN countries by US arms dealers and naval forces, the menacing presence of US aircraft carriers in the Indian Ocean, the South China Sea and the Strait of Malacca should remind historians of just

why the Japanese considered it necessary to attack Pearl Harbor to end the US naval stranglehold imposed upon them. NATO as it expands today is absolutely not what the world of struggling economies and deprived populations require. It is nothing, but a negative force. "I hope this book will be read by very, very many who can turn this morbid fascination with violence into constructive conflict resolution."

◆ Johan GALTUNG, Professor Emeritus of Peace Studies and Sociology at the University of Oslo "Mahdi Darius Nazemroaya's prolific writings give us a comprehensive understanding of the character of the military thrust and it's all out, no holds barred STRATEGIC plans and moves to invade, occupy and plunder the resources of nations, inflict unprecedented barbaric acts on the civil populations. He is one the prescient thinkers and writers in contemporary times who deserves to be read and acted upon by people with a conscience and concern for humanity's future". ◆ VISHNU BHAGWAT, Admiral and Chief

NATO and the Czech and Slovak Republics

2004 Jeffrey Simon Zachary James Brown's pet dog Barney mysteriously disappeared one day when the circus came to town. His behaviour dramatically changed and he became a terror at school. He started calling everyone 'schewpid doughnuts'. He decided to barricade himself in the school library and attacked Father Christmas, pulling off his beard! The teachers were at their wits end. However, in the lead up to the Christmas festivities Mr. Connaught, the deputy headteacher, proves that in the middle of all the chaos that Zachary created, he could be the key to his happiness. children age nine years and upwards.Excerpt:"Through the smudged, tinsel-framed pane of glass in the library door, a barricade of chairs and upturned furniture had appeared. It was a monumental construction and had drained all the architect's energy. His cheeks were flaming red. Blood had rushed to his head and he wasn't thinking clearly. The only thing now which would satisfy his craving for a fight would be the appearance of Wayne Ruddock and his gang and he was determined that this time he would blast them into the heavens, good will to all men, or not! If Barney had been with him, then things might be different."
