Songs My Mother Sang to Me

1992-07 Patricia Preciado Martin Motivated by a love of her Mexican American heritage, Patricia Preciado Martin set out to document the lives and memories of the women of her mother's and grandmother's eras; for while the role of women in Southwest has begun to be chronicled, that of Hispanic women largely remains obscure. In Songs My Mother Sang to Me, she has preserved the oral histories of many of these women before they have been lost or forgotten. Martin's quest took her to ranches, mining towns, and cities throughout southern Arizona, for she sought to document as varied an experience of the contributions of Mexican American women as possible. The interviews covered family history and genealogy, childhood memories, secular and religious traditions, education, work and leisure, environment and living conditions, rites of passage, and personal values. Each of the ten oral histories reflects not only the spontaneity of the interview and personality of each individual, but also the friendship that grew between Martin and her subjects. Songs My Mother Sang to Me collects voices not often heard and brings to print accounts of social change never previously recorded. These women document more than the details of their own lives; in relating the histories of their ancestors and communities, they add to our knowledge of the culture and contributions of Mexican American people in the Southwest.

Mothers Who Can't Love

2013-10-01 Susan Forward With Mothers Who Can't Love: A Healing Guide for Daughters, Susan Forward, Ph.D., author of the smash #1 bestseller Toxic Parents, offers a powerful look at the devastating impact unloving mothers have on their daughters—and provides clear, effective techniques for overcoming that painful legacy. In more than 35 years as a therapist, Forward has worked with large numbers of women struggling to escape the emotional damage inflicted by the women who raised them. Subjected to years of criticism, competition, role-reversal, smothering control, emotional neglect and abuse, these women are plagued by anxiety and depression, relationship problems, lack of confidence, and difficulties with trust. They doubt their worth, and even their ability to love. Forward examines the Narcissistic Mother, the Competitive Mother, the Overly Enmeshed mother, the Control Freak, Mothers who need Mothering, and mothers who abuse or fail to protect their daughters from abuse. Filled with compelling case histories, Mothers Who Can't Love outlines the self-help techniques Forward has developed to transform the lives of her clients, showing women how to overcome the pain of childhood and how to act in their own best interests. Warm and compassionate, Mothers Who Can't Love offers daughters the emotional support and tools they need to heal themselves and rebuild their confidence and self-respect.

Book of My Mother

2012-04-10 Albert Cohen Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for La France

libre, which later grew into Book of My Mother. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother." From the Trade Paperback edition.

Love You Forever

1986 Robert N. Munsch A young woman holds her newborn son And looks at him lovingly. Softly she sings to him: "I'll love you forever I'll like you for always As long as I'm living My baby you'll be." So begins the story that has touched the hearts of millions worldwide. For the Love of My Mother

2008-08-07 John Rodgers For the Love of My Mother is the tragic and uplifting story of one Irish mother and her son. Born into a life of poverty and detained at the tender age of two for begging in the streets, Bridget Rodgers proceeded to spend the next 30 years of her life locked away in one institution or another. The orphanage came first but after being raped and falling pregnant, she was sent to a home for unmarried mothers where she gave birth, had her son taken away from her and then was sent to one of the infamous Magdalen Laundries. And that really is only the beginning of the story. A truly gripping tale told by the son she thought she'd lost for ever, it is a story of triumphing over poverty, a tale of hope when there seems to be none, and a tribute to a mother's love for her son.

Remembering Mother, Finding Myself

1999-04-01 Patricia Commins The loss of a mother is one of the most traumatic experiences of a woman's life. At any age, a mother's death may leave a daughter with feelings of anger, abandonment and profound sadness that taint the way she views herself, her world and every other relationship around her. In this

breakthrough book, author Patricia Commins, who lost her mother at 26, shows readers that the key to escaping the sorority of sorrow is by understanding their mothers as women and by feeling an ongoing connection with them. From this perspective —outside the parent-child relationship that is so fraught with conflict and complex emotions — women gain key insights into their mothers and themselves. By addressing the psychological and spiritual connection that remains after a mother's death, *Remembering Mother, Finding Myself* offers the essential element that is missing from other books on motherless daughters. The Path of Understanding —a unique experiential process based on journaling, conversations with friends and relatives, and meditative exercises— does not seek to negate the loss a woman feels when her mother dies. It instead gently leads her beyond the grief and pain to a new awareness, freeing her from forever trying to be the perfect daughter. Through her own illuminating experiences and those of other women, Commins shows women how to reconnect their deceased mothers while finding peace and self-acceptance. Included are interviews with dozens of women, including such notables as writers Joyce Maynard and Nancy Friday and psychiatrist Elizabeth Kubler-Ross.

Eva had always been fascinated by the realm of magic, but she never imagined that she would uncover her own magical heritage. She had spent her childhood in a normal family, living in a unremarkable town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A enigmatic package arrived, sent by her grandmother, who had left this world years ago. Within the package lay an aged leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the hidden mysteries of her familys magical lineage, and that she was the last descendant of a long line of mighty witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for evil purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be transformed from that moment forward.
