It was the time 23, and the earth stood at the brink of war. The United States and China, the pair of world powers, were entangled in a fierce contest, competing for supplies, dominance, and supremacy. They had developed advanced armaments, such as lasers, unmanned aerial vehicles, and spacecrafts, that can strike any place, any time. They had also clandestinely built orbital stations, that can deploy atomic weapons, that could annihilate the world. They were both prepared to use them, if needed. But they were alone. There existed a third entity, a secret power, that had observing them, waiting patiently for them, getting ready for them both. They were ETs, and they had arrived to stop them both. They had come to save the earth, or to terminate it all. They had come to initiate the galactic wars which transformed chronicle.
