Cooking with Mother Goose 2020-07-31 Lacey J. Mauritz Cooking with Mother Goose is a one-of-a-kind storybook cookbook that invites parents and their children to discover delicious foods and the beloved nursery rhymes that inspire them? though this book offers so much more. You'll find beautifully illustrated nursery rhymes and tasty, nutritious recipes with photos. Expect to make precious memories, lots of little messes, and build a positive relationship between your little ones, cooking, and food. Cooking with Mother Goose isn't a cookbook simply for parents to help them prepare healthy meals for kids. Nor is it an instructional manual for parents to help teach their children to cook. Instead, it's an adventure in reading classic nursery rhymes through a new lens and bringing them to life by cooking and connecting as a family. Just as reading books aloud together brings a sense of closeness with our children, so does cooking-and playing-with food in the kitchen. Cooking together can strengthen your emotional bond while you read, talk, measure, and make messes over creating a dish. And that teaches important life lessons about food, mealtime, and nourishment of the body and of the family. Not to mention, it creates memories.

The Ladybird Story 2014 Lorraine Johnson "It is not widely known that 2014 marks the centenary of the publication of books in The Ladybird Series by the British commercial printers Wills & Hepworth. From the start of the First World War to the start of the Second they published about 100 cheap and cheerful colour-illustrated children's books for the popular market, but only in 1940 did they fashion Bunnykins Picnic Party which was to be the first of the Ladybird Books that would come to be recognised and bought by most of the British population. Lorraine Johnson and Brian Alderson trace the history of the Ladybird venture from its wobbly beginning through Wills & Hepworth's triumphant management of the series up to its sale in 1972, with further chapters on the last decades at the printworks in Loughborough down to 1999. A comprehensive bibliography of books edited under the Wills & Hepworth imprint gives ample evidence of their catering for children at all stages of development, a central element in the millions of books that they sold. The many illustrations, mostly in colour, give convincing support to the reasons for their popularity."--Wheelers.co.nz
