[¡Quiero ver sangre!](#)

2018-11-26 Raúl Criollo Este libro fue hecho con espíritu guerrero e indomable y con paciencia zen para lograr una compilación total que venciera todas las imprecisiones derrotándolas, buscando los títulos enterrados en cuevas de momias, científicos desquiciados que nos negaban el acceso a información (con prácticas desleales como cobrarnos por copias de cintas, etc.) y el surgimiento insospechado de múltiples títulos, chicos y grandes, de cortometrajes, documentales, cintas con apenas algunos segundos de lucha libre, datos contradictorios de estrenos y semblanzas biográficas, entre una lista de pequeñas batallas que podría extenderse hasta formar una suerte de ensayo de lo insondable en el terreno de la investigación cinematográfica. Pasamos por eso y otro tanto, así que entregamos este trabajo con la certeza de que estamos haciendo justicia al género de luchadores.

## Cinematography

1998 Peter Ettedgui "The cinematographers featured in this book encompass three generations of film-making and represent a diversity of film cultures. What they have in common is the contribution they have made in a universal cinema heritage and the fact that their work has helped to expand - if not revolutionise - the language of film." -- Book Jacket.

## Rethinking Anarchy

2018-12-18 Carlos Taibo This is the first book by Carlos Taibo, a prolific and well-known social theorist in Spain, to be translated into English. Published in it's original language in 2013, Rethinking Anarchy functions as both an introduction to and in-depth interrogation of anarchism as political philosophy and political strategy. Taibo introduces the basic tenets of anarchism while also diving into and unpacking the debates around each of them, producing a book that should appeal to both beginners and readers with extensive knowledge of the book's theme. Topics touched upon include liberal versus direct democracy, the nature of the state and its relationship to capitalism, the role of autonomous and anticapitalist social spaces, and how anarchism relates to feminism, environmentalism, antimilitarism, and other struggles.

## Improving University Reputation Through Academic Digital Branding

2020-11-06 Del Pino, Ariana Daniela As higher education institutions adapt to an increasingly digital world, it is imperative that they adopt technological techniques that allow them to establish a digital presence. Academic e-branding involves managing a university's brand and image to promote and build the reputation of the institution, especially in regards to its student and faculty research and achievements. Without a solid digital presence, higher education institutions may struggle to remain competitive. Improving University Reputation Through Academic Digital Branding is a critical scholarly publication that explores digital branding and its role in establishing the reputation of academic institutions and programs. Featuring a range of topics including digital visibility, social media, and inclusive education, this book is ideal for higher education boards, brand managers, university and college marketers, researchers, academicians, practitioners, administrators, and students.

## Las nuevas dimensiones del espectador

2017 Juan Carlos Domínguez Domingo Critical exploration of relationship between Mexican film and its audiences, focusing on new technologies and cultural policies that have created new forms of access to film consumption and production. Author, anthropologist by formation, proposes establishing conceptual references that encourage greater diversity in film, and that digitalization of film should be essential part of digitalization of society. Edition limited to 200 copies.

## Cinematography: Theory and Practice

2013-05-02 Blain Brown There's more to being a DP than holding a light meter! With this book as your guide, you are on your way to learning not only about the equipment and technology, but also about the concepts and thought processes that will enable you to shoot professionally, efficiently, and with artistic mastery. A leading book in the field, Cinematography has been translated into many languages and is a staple at the world's top film schools. Lavishly produced and illustrated, it covers the entire range of the profession. The book is not just a comprehensive guide to current professional practice; it goes

beyond to explain the theory behind the practice, so you understand how the rules came about and when it's appropriate to break them. In addition, directors will benefit from the book's focus on the body of knowledge they should share with their Director of Photography. Cinematography presents the basics and beyond, employing clear explanations of standard practice together with substantial illustrations and diagrams to reveal the real world of film production. Recognizing that professionals know when to break the rules and when to abide by them, this book discusses many examples of fresh ideas and experiments in cinematography. Covering the most up-to-date information on the film/digital interface, new formats, the latest cranes and camera support and other equipment, it also illustrates the classic tried and true methods.

## Film/Genre

2019-07-25 Rick Altman Film/Genre revises our notions of film genre and connects the roles played by industry critics and audiences in making and re-making genre. Altman reveals the conflicting stakes for which the genre game has been played and recognises that the term 'genre' has different meanings for different groups, basing his new genre theory on the uneasy competitive yet complimentary relationship among genre users and discussing a huge range of films from The Great Train Robbery to Star Wars and from The Jazz Singer to The Player.
