## *Mastering the Fire Service Assessment Center, 2nd Ed*

2018-04-16 Anthony Kastros Bridge the gap between where you are and where you want to be. Do you have the knowledge, skills, and abilities to evaluate behavior, performance, and readiness? Read Mastering the Fire Service Assessment Center to identify what you need to learn and understand how to learn it. There is no way you can read and reflect on the wisdom in these pages and not become a better person and a better firefighter. Why Read This Book? The American fire service is facing a new normal fueled by mass exodus, influx of new generations of firefighters, a lack of hands-on leadership training, sweeping changes in mission, decimated budgets, and the genetics of task-oriented, reactive forefathers. The greatest and perhaps only area that we can affect directly is hands-on, inspiring, realistic, and useful training for our aspiring and incumbent leaders. This book will help you regardless of the fire officer rank you seek. It will help you know where you need to improve, how to develop a specific personal plan to become an excellent officer, and how to do well with whatever assessment center exercises throw at you. NEW MATERIAL in this second edition: --Enjoy reading "Wisdom from the Masters" from 18 fire service luminaries. They provide invaluable insights and challenges you will face as you prepare to promote, whether for the first time as a company officer or up the chain as a chief officer. --Learn lessons from thousands of students from the past 12 years whose feedback will benefit you in this second edition. --Benefit from the many new elements in this book, including relevant articles, additional exercises, and content regarding the dimensions of leadership, management, and emergency operations. The complexities of being a fire officer in the 21st century require an undercurrent of humility while continually pursuing mastery of leading in the modern fire service. Learn how to lead the modern-day firefighter in a modern world, with modern technology, modern fire behavior, and modern sociopolitical and economic challenges. Many firefighters ask themselves if they really want to do this job, but nothing is as professionally rewarding and challenging as leading others in battle to save lives! "This book will give you the greatest probability of success in your assessment center process." —Bobby Halton, editor-in-chief, Fire Engineering magazine

## **Police Assessment Testing**

2010 John L. Coleman Assessment centers continue to be the most accurate and concise testing procedures available for determining the candidate that is better suited for a position and/or advancement. This fourth edition of Police Assessment Testing represents a significant updating of many of the chapters from the previous edition. In terms of organization and topics, this edition is almost identical to the earlier versions with the exception of an additional chapter containing practice exercises for a police assessment center that will benefit a candidate's awareness and application. Traditional managerial polic.

The Journey of a Thousand Miles

He was tired of his life. He was bored, unhappy, and unfulfilled. He had a job he hated, a boss he despised, and a girlfriend he didn't love. He had no passion, no purpose, no meaning. He felt like he was wasting his time, his potential, his existence. He wanted to change, he wanted to escape, he wanted to live. He decided to quit his job, to break up with his girlfriend, to sell his belongings, and to buy a one-way ticket to the other side of the world. He didn't know where he was going, he didn't know what he was doing, he didn't know what he was looking for. He only knew that he had to go, that he had to explore, that he had to discover. He embarked on a journey of a thousand miles, a journey of adventure, of challenge, of learning, of growth, of transformation.
