The Mystery of the Missing Diamond

It was a shadowy and stormy night. The downpour was falling heavily, and the breeze was roaring. In the heart of the town, there was a museum, where a invaluable diamond was on show. The diamond was known as the Star of Africa, and it was the greatest and most beautiful diamond in the world. It was guarded by a advanced security mechanism, and a group of weaponized guards. No one could steal it, or so they believed. But an individual did. An individual managed to bypass the security, to evade the guards, to break the pane, and to steal the diamond. And no one noticed them, no one heard them, no one recognized who they were. They left no mark, no clue, no evidence. They faded into the night, with the African Star. And the riddle of the vanished diamond commenced.

The Secret Behind The Forbidden Door

Alice was perpetually fascinated by the timeworn mansion perched at the end of the street. Stories of its reclusive owner, who never ventured out of his isolated abode, had always piqued her curiosity. Whispers circulated about his identity, ranging from a loner to a prodigy or even a madman, depending on the source. Alice yearned to unravel the truth behind these tales and uncover the secrets concealed within the locked door on the second floor. Driven by an irresistible urge to delve into the mansions mysteries, Alice embarked on a reckless escapade. With a heart pounding with a mix of apprehension, she furtively ventured into the mansions grounds, her senses heightened as she approached the restricted door on the second floor. Standing before the threshold, her hand trembling slightly as she reached for the doorknob, Alice braced herself for the revelations that awaited her beyond. With a deep breath, she turned the knob, the door creaking open to unveil a sight that would forever alter her perception of the world.

Explaining a thesis title involves a procedure where you showcase and elucidate your intended research to a group of evaluators. This is a typical practice in many schools where panels are established to screen and review research titles before they are allowed to go ahead with the real research. The defense usually consists of a question-and-answer session aimed at proving the relevance of the research you have picked and determining if you, as a scholar, are actually capable of achieving it.
