It had been the time 2023, and the globe was on the verge of conflict. The USA and China, the pair of world powers, had been locked in a ferocious rivalry, competing for supplies, dominance, and control. They had both developed high-tech weapons, like laser weapons, drones, and spacecrafts, which can hit any location, anytime. They had also clandestinely established orbital stations, that can launch nuclear missiles, that could destroy the planet. They were set to employ these weapons, if ever required. But they were not alone. There existed a 3rd force, a concealed force, which had observing them both, waiting patiently for them, preparing for them. They were aliens, and they had come come to halt them both. They had arrived to rescue the globe, or to end it all. They had come arrived to start the space wars which altered history.
