Space Battles that Transformed Past

It had been the year 23, and the earth stood at the edge of war. The USA and PRC, the two global powers, were locked in a fierce competition, competing for assets, dominance, and supremacy. They had developed high-tech arms, such as laser weapons, drones, and orbiters, which could strike any location, anytime. They had also clandestinely constructed orbital stations, which can launch atomic weapons, which can annihilate the earth. They were prepared to utilize them, if ever required. But they were alone. There existed a third power, a concealed force, that had monitoring them both, waiting for them, getting ready for them. They were the aliens, and they had arrived to stop them both. They had come come to save the world, or to end it. They had arrived to initiate the space wars which transformed past.
