Creating a synthesis paper involves pulling together data from various sources to show a well-rounded debate on a topic. Here are the steps to create a perfect structure for a synthesis paper:

1. **Choose a Appropriate Topic:** Select a subject that matches with your interests and the task needs.
2. **Conduct Comprehensive Research:** Explore various sources, such as articles, books, and scholarly journals, to gather data.
3. **Plan Your Format:** Start with an intro that catches the readers attention and presents your thesis – what your paper will debate. After that, outline what each of your body paragraphs will talk about. Be certain to include details from different sources.
4. **Write Sections with Subject Lines:** Devote each section to a unique sub-topic or source. Begin with a clear topic sentence directly linked to your argument. Present the source youre synthesizing and outline its key points. Back up your claims with evidence from the source, employing quotes, paraphrases, or summaries.
5. **Revise, Correct, and Check:** Review your work for any errors or inconsistencies.

The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally issued in 1997, establishes a systematic model for the analysis and description of casual conversation in English. The scholars assert that despite its sometimes aimless seeming and ostensibly unstructured content, casual conversation is a very structured undertaking and performs a critical part in the social construction of reality. The work proceeds through real samples of casual conversations involving participants differing in age, gender, ethnicity, and socio-economic class¹². Pulling on insights from sociology, linguistics, and critical semiotics, the work provides readers with the examinative skills to describe the strata of structure and critical interpretive models to elucidate the 'social work' that happens on through chat.

Space Battles which Changed Past

It was the year 23, and the earth stood at the verge of battle. The USA and PRC, the two global powers, had been engaged in a ferocious competition, vying for supplies, power, and dominance. They had both engineered high-tech weapons, like laser weapons, drones, and spacecrafts, that can hit any place, anytime. They had clandestinely built space stations, which can deploy nuclear missiles, that could destroy the planet. They were both set to employ these weapons, if necessary. But they were not the only ones. There existed a third power, a concealed entity, which had observing them, waiting patiently for them, preparing for them. They were ETs, and they had come to prevent them both. They had come arrived to rescue the earth, or to finish it. They had come arrived to begin the star wars that changed chronicle.

"Bellman & Black" is a novel by Diane Setterfield, a UK-based author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a minor cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man blessed by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.

Star Wars which Altered Past

It was the year 23, and the earth was at the edge of war. The U.S. and PRC, the pair of global powers, were locked in a fierce contest, vying for resources, influence, and dominance. They had both engineered advanced armaments, including lasers, drones, and orbiters, that could strike anywhere, any time. They had covertly constructed orbital stations, that could launch nuclear missiles, which could annihilate the world. They were both set to use these weapons, if at all required. But they were the sole ones. There existed a 3rd force, a concealed force, that had monitoring them, waiting for them both, preparing for them. They were extraterrestrials, and they had come to stop them. They had arrived to rescue the earth, or to end it all. They had come to begin the space wars that transformed chronicle.
