

detective who specializes in locating missing persons. Much to Steve's chagrin, Willow is determined to participate in the investigation and shadows his every move. Before long, the intrepid pair are entangled in more passion and scandal than either bargained for as mutual desire and the truth about Willow's father and her shadowed past comes eerily to light. AWARDS: RITA Finalist REVIEWS: "A fast-paced tale of love, betrayal, and murder... and delicious romantic tension to keep us turning those pages!" –Romantic Times "A beautiful, heartwarming story with just enough mystery and other-worldly events to keep the story moving at a brisk pace." ~Rendezvous THE HOLLYWOOD NIGHTS, in series order Lovers & Strangers Seduced & Betrayed Passion & Scandal OTHER TITLES by Candace Schuler One Night With You (The Heart of the City, Book 1) The Night Remembers (Heart of the City, Book 2) All Night Long (Heart of the City, Book 3)

Running Against the Devil 2020-01-14 Rick Wilson NEW YORK TIMES BESTSELLER • A savvy guidebook for beating Trump’s tricks, traps, and tweets from a founder of The Lincoln Project, now updated with new material on the historic battle between Trump and Joe Biden—and how the pandemic has changed the race “If you believe America’s future depends on Donald Trump’s political machine being crushed at the polls next year, then Rick Wilson’s Running Against the Devil is a must-read.”—Joe Scarborough, MSNBC Donald Trump is exactly the disaster we feared for America. Hated by a majority of Americans, Trump’s administration is corrupt, inept, and rocked by daily scandals. In the handling of 2020’s coronavirus pandemic, its incompetence has been deadly. Trump can’t win in 2020, right? Wrong. As 2016 proved, Trump can’t win, but Joe Biden can sure as hell lose. Only one thing can save Trump, and that’s a Democratic campaign that runs the race Trump wants Democrats to run instead of the campaign they must run to win in 2020. Wilson combines decades of national political experience and insight in his take-noprisoners analysis, hammering Trump’s destructive and dangerous first term in a case-by-case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump. Like no one else can, Wilson blows the lid off Trump’s 2020 political war machine, showing the exact strategies and tactics Republicans will use against Biden, and how the Democrats can avoid the catastrophes waiting for them if they fall into Trump’s traps. Running Against the Devil is sharply funny, brutally honest, and infused with Wilson’s biting commentary. It’s a vital indictment of Trump, a no-nonsense, no-holds-barred road map to saving America, and the guide to making Donald Trump a one-term president. The stakes are too high to do anything less.

A Hellion Heart 2020-06-15 Claire Marta The thief with the fierce yellow eyes. My biggest mistake was sleeping with her. Now she’s ours to claim.Hired by the Devil himself to finish a job, it will cost me and my brothers our lives if we don’t complete it.When dark and dangerous secrets bleed into our path, claiming our feisty female might come at a steep price.Throw the insanity of Karma into the mix, and none of us might get out alive.This can be read as a standalone\*Contains triggers and for an 18+ audience only. \*

Palestine +100 2022-03-29 Basma Ghalayini Palestine + 100 poses a question to twelve Palestinian writers: what might your country look like in the year 2048 – a century after the tragedies and trauma of what has come to be called the Nakba? How might this event – which, in 1948, saw the expulsion of over 700,000 Palestinian Arabs from their homes – reach across a century of occupation, oppression, and political isolation, to shape the country and its people? Will a lasting peace finally have been reached, or will future technology only amplify the suffering and mistreatment of Palestinians? Covering a range of approaches – from SF noir, to nightmarish dystopia, to high-tech farce – these stories use the blank canvas of the future to reimagine the Palestinian experience today. Along the way, we encounter drone swarms, digital uprisings, time-bending VR, and peace treaties that span parallel universes. Published originally in the United Kingdom by Comma Press in 2019, Palestine +100 reframes science fiction as a place for political justice and the safekeeping of identity.

Songs of America 2019-06-11 Jon Meacham NEW YORK TIMES BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw “Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation’s history.”—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From “The Star-Spangled Banner” to “Born in the U.S.A.,” Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women’s suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. Songs of America explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as “My Country, ’Tis of Thee,” “God Bless America,” “Over There,” “We Shall Overcome,” and “Blowin’ in the Wind.” As Quincy Jones says, Meacham and McGraw have “convened a concert in Songs of America,” one that reminds us of who we are, where we’ve been, and what we, at our best, can be.

Human Security 2013-05-03 Mary Kaldor There is a real security gap in the world today. Millions of people in regions like the Middle East or East and Central Africa or Central Asia where new wars are taking place live in daily fear of violence. Moreover new wars are increasingly intertwined with other global risks the spread of disease, vulnerability to natural disasters, poverty and homelessness. Yet our security conceptions, drawn from the dominant experience of World War II and based on the use of conventional military force, do not reduce that insecurity; rather they make it worse. This book is an exploration of this security gap. It makes the case for a new approach to security based on a global conversation- a public debate among civil society groups and individuals as well as states and international institutions. The chapters follow on from Kaldors path breaking analysis of the character of new wars in places like the Balkans or Africa during the 1990s. The first four chapters provide a context; they cover the experience of humanitarian intervention, the nature of American power, the new nationalist and religious movements that are associated with globalization, and how these various aspects of current security dilemmas have played out in the Balkans. The last three chapters are more normative, dealing with the evolution of the idea of global civil society, the relevance of just war theory in a global era, and the concept of human security and what it might mean to implement such a concept. This book will appeal to all those interested in issues of peace and conflict, in particular to students of politics and international relations.

A Little History of the World 2014-10-01 E. H. Gombrich E. H. Gombrich’s Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind’s eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author’s intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

War & Peace 2007 Virginia A. Walter War & peace literature for children and young adults. Detailed annotations are accompanied by full bibliographic information and guidelines on effective use of these materials in the classroom to increase students’ understanding of the issues involved. The strengths and possible educational or program applications for the titles are highlighted.

Sinister Intent 2013-08-01 Karen M. Davis There is no pain as the blade slices her skin. She is only conscious of a warm, sticky sensation dribbling slowly down her neck. Her own blood. . . . For eight years Lexie Rogers has been a uniform cop in Sydney’s red light district, Kings Cross. Having survived a violent knife attack, she’s witnessed far more than most cops her age. Now she’s back at work as the newest member of the Bondi Junction detectives’ office and ready to start again. One of her first jobs is to execute a search warrant at a bikie clubhouse, belonging to one of the two local gangs in the eastern suburbs. What she uncovers begins a chilling investigation into a vicious world where loyalty is deadly and unwavering and can’t be bought. . . . Or can it? Lexie forms an unlikely alliance with one of the bikies, who’s realised his family’s in danger. But what neither of them knows is that Lexie is the one who’s in too deep. She knows too much. And as the stakes get personal, it seems the secret bond she has with a big bad bikie could be the one thing that’ll save her life. . . .Twists and turns galore ... Davis’s real-life cop experience leaps off the page.’ – Katherine Howell, author of Silent Fear ‘Crisp, fast-paced crime.’ - The West Australian

Upsetting the Balance (Worldwar, Book Three) 2002-01-08 Harry Tuttlelove Russia, Communist China, Japan, Nazi Germany, the United States: they began World War II as mortal enemies. But suddenly their only hope for survival—never mind victory—was to unite to stop a mighty foe—one whose frightening technology appeared invincible. Far worse beings than the Nazis were loose. From Warsaw to Moscow to China’s enemy-occupied Forbidden City, the nations of the world had been forced into an uneasy alliance since humanity began its struggle against overwhelming odds. In Germany, where the banshee wail of hostile jets screamed across the land, caches of once-forbidden weapons were unearthed, and unthinkable tactics were employed against the enemy. Brilliantly innovative military strategists confronted challenges unprecedented in the history of warfare. Even as lack of fuel forced people back to horse and carriage, physicists worked feverishly to create the first nuclear bombs—with horrifying results. City after city joined the atomic pyre as the planet erupted in fiery ruins. Yet the crisis continued—on land, sea, and in the air—as humanity writhed in global combat. The tactics of daredevil guerrillas everywhere became increasingly ingenious against a superior foe whose desperate retaliation would grow ever more fearsome. No one had ever put the United States, or the world, in such deadly danger. But if the carnage and annihilation ever stopped, would there be any pieces to pick up?

Groucho 2001-05-08 Stefan Kanfer This definitive biography of one of the world’s greatest comedians unflinchingly yet affectionately uncovers the man behind the cigar. Here is the amazing career of the man the world recognized as Groucho: the improbable disasters of the vaudeville years; the Marx Brothers, an act so funny W.C. Fields refused to follow it; the unprecedented Broadway success of The Cocoanuts and Animal Crackers; the cinematic triumphs of Duck Soup and A Night at the Opera; and the marvelous come-back career as king of the game show hosts with You Bet Your Life. Here, too, is the man himself: a lonely middle child who aspired to be a doctor; a man who sabotaged three marriages; a father alternately indulgent and cruel. Intelligent and thorough, hilarious and sad, Groucho is a spectacular biography of the century’s most influential comedian.

Templar’s Acre 2021-04-08 Michael Jecks A legend is born.The epic prequel to the Last Templar Mysteries series. The Holy Land, 1291. War has raged here for decades. The Crusader forces have been pushed back again and

again until just one city remains in their control. One city that stands between the past and the future. One city that must be defended at all costs: Acre. Into this battle comes a young boy. Green and scarred, he has never seen combat before. But, fleeing a dark past, he has no choice but to stay. That boy is Baldwin de Furnshill who, one day, will become the Last Templar. This is the story of the siege of Acre, and of the moment Baldwin first charged into battle. This is just the beginning. The rest is history. The epic prequel to the bestselling Last Templar Mysteries series, perfect for fans of Christian Cameron and Ben Kane. Praise for Michael Jecks ‘Marvellously portrayed’ C. J. Sansom ‘Michael Jecks is the master of the medieval whodunnit’ Robert Low ‘The most wickedly plotted medieval mystery novels’ The Times

The Cambridge Companion to the Rolling Stones 2019-09-12 Victor Coelho The first collection of academic essays focused entirely on the musical, historical, cultural and media impact of the Rolling Stones.

The Rise and Fall of a Pop Star

She had a vision. She wished to be a performer. She desired to sing, to groove, to perform, to amuse. She wanted to be celebrated, to be adored, to be revered. She desired to have it all, fame, fortune, glory. She labored diligently, she rehearsed, she auditioned, she impressed. She got a agreement, a record deal, a agent, a producer. She made an album, a hit, a phenomenon. She became a star, a famous person, a phenomenon. She had it all, fans, money, awards. She was on top of the world, she was realizing her goal. But she also had a dark side. She had a hidden truth, a issue, an addiction. She started to spiral out of control, to blunder, to cause scandals. She faced condemnation, backlash, litigations. She gave up her followers, her fortune, her accolades. She tumbled down, she became a laughingstock, a catastrophe. She lost it all, her notoriety, her fortune, her prestige. She was the rise and downfall of a performer.

**observation the devil you know ceasefire series book**,The Peabody Picture Vocabulary Test Fourth Edition (PPVT-4) is a well-respected vocabulary assessment that has been in use for almost half a century. Created by Lloyd M. Dunn and Douglas M. Dunn, the test is made to evaluate vocabulary comprehension for Standard American English. It is swift and effortless to carry out, preserving important time so that concentration can be put on executing intelligent interventions.

The PPVT-4 assessment material covers a extensive range of receptive vocabulary grades, extending from pre-kindergarten through adult age. The evaluation items extensively include words that depict 20 topic domains (e.g., actions, vegetables, tools), parts of speech (nouns, verbs, attributes), and home and school vocabulary.

The evaluation provides two equal forms which include various vocabulary words, making sure that the test-taker has not “memorized” the evaluation. One version can be used ahead of intervention to evaluate individuals’ vocabulary knowledge and the other edition can be employed for re-evaluation to measure and record improvement. The PPVT-4 also contains a unique Growth Scale Value (GSV) which is sensitive to small changes over time.

A term paper is a scholarly paper written by students over an academic term, accounting for a large part of a grade. Its a crucial component of your college education, often assigned towards the conclusion of a semester. The paper is a vehicle through which educators gauge your comprehension of the course content. Writing a term paper isnt just about summarizing facts. It requires a combination of organization, deep research, and the art of presenting your findings in a way thats both clear and analytical. This means structuring your arguments logically, citing relevant sources, and critically evaluating the information youve gathered. When grading a term paper, there are three important aspects to consider. First, the paper should be passionately written and captivating to read. Second, it should have good grammar and style (following MLA, APA, or CMS style). Third, it should be well documented with in-text references (in parentheses) linking their assertions to scholarly articles in the list of references at the end of the paper.

The “Cost Management: Measuring, Monitoring, and Motivating Performance” is an all-encompassing manual that offers actionable insights for the second Canadian edition. This invaluable resource, authored by Eldenburg, delves into the intricacies of cost management, shedding light on cost behavior and estimation techniques. It painstakingly explains cost terminology and outlines the different types of cost behavior.

Equipped with established techniques for cost estimation, the manual guides readers through the process of determining future costs. It skillfully utilizes regression analysis in cost estimation, highlighting the benefits and limitations of cost estimates.

Designed to address specific learning objectives, the manual provides linked exercises and problems, ensuring a seamless connection between the textbook and its accompanying guide. It meticulously explains the distinctions between fixed costs, variable costs, and mixed costs, complemented by practical examples from a car rental agency.

The manual examines the impact of outliers on cost function development, providing valuable insights into this critical aspect of cost estimation. This comprehensive guide is available for download or online viewing, offering convenient access to its wealth of knowledge and practical guidance.

The work “Analyzing Casual Conversation” by Suzanne Eggs and Diana Slade, first published in 1997, creates a systematic model for the examination and description of casual conversation in English. The authors contend that despite its occasionally aimless seeming and seemingly unstructured material, casual conversation is a very structured task and plays a critical function in the social formation of reality. The work goes through genuine examples of casual conversations entailing participants diverging in age, gender, ethnicity, and socio-economic class12. Deriving on perspectives from sociology, linguistics, and critical semiotics, the book furnishes readers with the analytic skills to portray the layers of structure and critical interpretive structures to elucidate the ‘social work’ that happens on through chat.

As Jonathan meandered through the town, he couldnt resist observe the slight changes that indicated the shifting of seasons. Flowers adorned the trees, ands a gentle breeze carried the pleasant scent of flowers in full bloom. Nature itself appeared to be whispering secrets, inviting him to join in its eternal dance of growth ands rebirth.

*Fight the devil you know ceasefire series book*,The field of Engineering Economics and Cost Estimation is a essential aspect of any engineering project. It involves current and upcoming economic factors, making it critical to obtain dependable estimates of future costs, benefits, and other economic parameters. Engineers often deal with projects whose scale, complexity, and uncertainty call for sophisticated approaches to planning and budgeting[^2^][1]. Several methods are used for cost estimation, including rough estimates, semi-detailed estimates, or detailed estimates, depending on the needs for the estimates[^1^][2]. Key concepts in this field include overhead costs, cost driver identification, cost allocation methods, capital budgeting, flexible budgeting, zero-based budgeting, budgets, and estimates. Various models are available for developing cost (or benefit) estimates, such as the per-unit model, the segmenting model, cost indexes, the power-sizing model, and learning curve cost estimating. The quality of a cost estimate usually increases as the resources allocated to developing the estimate increase.
