The Methuen Drama Book of Suffrage Plays 2013-01-31 Cicely Hamilton The Methuen Drama Book of Suffrage Plays is an anthology of eight exciting pieces written for and by members of the Actresses Franchise League from 1909-13. Immediately playable, they offer strong, varied roles for female casts, while also providing invaluable source material to students and scholars from a wide range of disciplines. Featuring 'How The Vote Was Won' which remains one of the most popular and well known suffrage plays, the volume also includes seven shorter works: 'Lady Geraldine's Speech' (1909), a fantastic, fun piece for actresses. Lady Geraldine hasn't thought through the Suffrage cause and, on a visit to an old school friend meets some charismatic, successful and intelligent women who soon enlighten and encourage her on to the right path! 'Pot and Kettle' (1909), a comic piece in which a young woman returns to her family in great distress having assaulted a suffragette who was sitting near her at a Anti-Suffragist meeting. 'Miss Appleyard's Awakening' about an anti-suffrage campaigner who finds herself in the home of a sympathizer but ends up inadvertently drawing her hostesses' attention to the contradictions in her arguments 'Her Vote' by the actor and playwright Henry Esmond which provides an interesting male viewpoint on the movement, criticizing the young suffragist for wanting to be part of a movement about which she seems to understand little. 'The Anti-Suffragist or The Other Side', a charming, clever monologue about a sheltered young woman who finds herself increasingly involved with her local Anti-Suffrage society and increasingly puzzled by what she learns there. 'The Mother's Meeting', an entertaining monologue that uses a working class character to expose the inconsistencies in the Anti-Suffrage arguments. 'Tradition' was first performed at a matinee for the Woman Suffrage Party held at the Berkeley Theatre in New York City on Saturday 24 January 1913. The plays featured articulate the arguments of the Suffrage Movement through a variety of styles, both comic and serious, and perfectly illustrate the use of drama as a medium for social change and entertainment. Together with illustrations and an introduction charting the history of the Actresses Franchise League and exploring the context and provenance of the plays, this is an excellent resource for both study and performance.

The Methuen Drama Book of Suffrage Plays: Taking the Stage 2018-09-10 The Methuen Drama Book of Suffrage Plays: Taking the Stage features a wide variety of short pieces and one-act plays written by female and male suffragist writers between 1908-1914. Spanning different styles and genres they explore many issues that interested feminist and suffragist campaigners such as: the value of women's work, domestic and economic inequality, visibility in public space, direct action and its consequences, sexual double standards, and the influence of the media on public opinion. Edited and introduced by Dr Naomi Paxton, the anthology is brimming with in-depth knowledge, photographs and contextual information of the period making for an informative and inspirational volume that's perfect for both performance and study.

How the Vote Was Won 2021-05-21 Cicely Hamilton First performed in 1908, How the Vote Was Won is a one act play by actress Cicely Hamilton and Christopher St. John. Set in England during the early 18th century, How the Vote Was Won uses comedy to tell a story in support of women's suffrage. In this one act the English government tells its people that women do not need to worry about having the right to vote because the men will be in charge of taking care of them. This was part of the ridiculous idea held by the United Kingdom, and the world at the time. Women were held under the authority of their husbands, and would be solely supported by them. This allowed them no place in politics and took away their autonomy. The play stars Horace, an anti-suffragist, who is confronted by many of his female relatives demanding that he start supporting them since they have no rights. Many of these women formally held jobs, financially supporting themselves but have quit in protest and support of the movement for women to have voting rights, the same as men. Now, Horace is forced to either support each of these women, practicing what he preaches, or admit to his hypocritical beliefs. Written by two of the most notable champions in literature for women's rights in the United Kingdom, How the Vote Was Won by Cecily Hamilton and Christopher St. John served as a clever and humorous way to address the inequalities women suffered. Today, the work of these two passionate activists still provides an accurate portrayal of the political landscape they lived in. This edition of How the Vote Was Won by Cecily Hamilton and Christopher St. John features an eye-catching new cover design and is presented in a font that is both modern and readable. With these accommodations, this edition is accessible and appealing to contemporary audiences, restoring How the Vote Was Won to modern standards while preserving the clever comedy and impact of the work of Cecily Hamilton and Christopher St. John.

The Methuen Drama Anthology of Testimonial Plays 2014-01-30 Tim Etchells

This diverse anthology features eight contemporary plays founded in testimonies from across the world. Showcasing challenging and provocative works of theatre, the collection also provides a clear insight into the workings of the genre through author interviews, introductions from the companies and performance images which illustrate the process of creating each piece. *Bystander 9/11* by Meron Langsner is an impressionistic but wholly authentic response to the catastrophe as it unfolded and in the days following. *Big Head* by Denise Uyehara is an interrogation of current perceptions of "the enemy now" as seen through the lens of Japanese American internment during World War II. *Urban Theatre Projects' The Fence* is a tale of love, belonging and healing. It is a tender work that looks at the adult lives of five family and friends who spent their childhoods in orphanages, institutions and foster homes in Australia. *Come Out Eli: Christmas 2002 in Hackney, London*, saw the longest siege in British history. Using interviews collected at the time and further material gathered in the aftermath, Alecky Blythe's play explores the impact of the siege on the lives of individuals and the community. *The Travels: members of Forced Entertainment* undertook a series of journeys during one summer, each travelling alone to locations in the UK to complete tasks determined only partially in advance. This began a mapping process and the creation of a landscape of ideas, narratives and bad dreams. *On the Record* by Christine Bacon and Noah Birksted-Breen circumnavigates the globe to bring true stories from six independent journalists, all linked by their determination to shed light on the truth. Created by Paula Cizmar, Catherine Filloux, Gail Kriegel, Carol K. Mack, Ruth Margraff, Anna Deavere Smith and Susan Yankowitz, *Seven* is based on personal interviews with seven women who have triumphed over huge obstacles to catalyse major changes in human rights in their home countries of Russia, Pakistan, Nigeria, Northern Ireland, Afghanistan, Guatemala and Cambodia. *Pajarito Nuevo la Lleva: The Sounds of the Coup* by María José Contreras Lorenzini focuses upon sense memories of witnesses who were children at the time of the 1974 military coup in Chile.

Gogol Three Plays 2014-03-10 Nikolai Gogol This collection contains Gogol's three completed plays *The Government Inspector*, which satirises a corrupt society was regarded by Nabokov as the greatest play in the Russian language and is still widely studied in schools and universities: "I resolved to gather into one heap everything that was bad in Russia which I was aware of at that time, all the injustices being perpetrated in those places, and in those circumstances that especially cried out for justice, and tried to hold them all up to ridicule, at one fell swoop." (Nikolai Gogol) *Marriage* is a comedy about the business of matchmaking and matrimony; *The Gamblers* is an exoriating piece about the excesses of the Moscow aristocracy. "Two and two make five, if not the square root of five, and it all happens quite naturally in Gogol's world... Gogol was a strange creature, but then genius is always strange" (Vladimir Nabokov)

Women's Playwriting and the Women's Movement, 1890-1918 2019-05-13 Anna Farkas The influence of the women's movement has long been a scholarly priority in the study of British women's drama of the late nineteenth and early twentieth centuries, but previous scholarship has largely clustered around two events: the New Woman in the 1890s and the suffrage campaign in the years before the First World War. *Women's Playwriting and the Women's Movement, 1890–1918* is the first designated study of British women's drama from a period of exceptional productivity and innovation for female playwrights. Both the British theatre and women's position within British society underwent fundamental changes in this period, and this book shows how female dramatists carefully negotiated their position in the heated debates about women's rights that occurred at this time, while staking out a place for themselves in an evolving theatrical landscape. Farkas also identifies the women's movement as a key influence on the development of female-authored drama between 1890 and 1918, but argues that scholarly prioritizing of the "radicalism" of work associated with the New Woman and the suffrage campaign has had a distorting effect in the past. Ideal for scholars of British and Victorian theatre, *Women's Playwriting and the Women's Movement, 1890–1918* offers a new perspective which emphasizes the complexity of women playwrights' engagement with first-wave feminism and links it to the diversification of the British theatre in this period.

The Routledge Companion to Literature and Feminism 2023-12-01 Rachel Carroll The Routledge Companion to Literature and Feminism brings unique literary, critical, and historical perspectives to the relationship between women's writing and women's rights in British contexts from the late eighteenth century to the present. Thematically organised around five central concepts—Rights, Networks, Bodies, Production, and Activism—the Companion tracks vital questions and debates, offering fresh perspectives on changing priorities and enduring continuities in relation to women's ongoing struggle for liberty and equality. This groundbreaking collection brings into focus the historical and cultural conditions which have shaped the formation of British literary feminisms, including the legacies of slavery, colonialism, and Empire. From the political novel of the 1790s to early twentieth-century suffrage theatre and contemporary ecofeminism, and from the mid-Victorian antislavery movement to anti-fascist activism in the 1930s and working-class women's writing groups in the 1980s, this book testifies to the diverse and dynamic character of the relationship between literature and feminism. Featuring contributions from leading feminist scholars, the Companion offers new insights into the crucial role played by women's literary production in the evolving history of women's rights discourses, feminist activism, and movements for gender equality. It will appeal to students and scholars in the fields of women's writing, British literature, cultural history, and gender and feminist studies.

Sex, Suffrage and the Stage 2018-06-16 Leslie Hill Marking the 100-year anniversary of women's suffrage, Leslie Hill provides a fascinating survey of the history of first wave feminism in British theatre, from the London premiere of Ibsen's *A Doll's House* in 1889 through the militant suffrage movement. Hill's approachable overview explores some of the pivotal ways in which theatre makers both engaged with and influenced feminist discourse on topics such as sexual agency, reproductive rights, marriage equality, financial independence and suffrage. Clear and concise, this is an ideal resource for undergraduate and postgraduate students of theatre and performance

studies taking courses on Women in Theatre and Performance, Staging Feminism, Early Feminist Theatre, Theatre and Suffrage, Gender and Theatre, Political Theatre and Performance Historiography. This text will also appeal to scholars, lecturers, and Literature students.

Desolate Heaven 2013-04-05 Ailis Ni Riain "She's goin' back there. I can tell. She's breakin' her promise. She's breakin' my heart. She said she never would." Sive and Orlaith are twelve and thirteen. Yet despite their age, they are each responsible for the care of their respective parents. When the girls meet on a social day for carers, they forge a relationship that takes them on an epic journey through the twisting backroads of small towns, friendship and love. Desolate Heaven is a story of two young girls burdened with unnatural responsibilities. It is a story of falling in love for the first time and a story about running away. It is a story about growing up too soon and about why love can sometimes be dangerous.

Amusing Ourselves to Death 2005-12-27 Neil Postman What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read Amusing Ourselves to Death, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." —Jonathan Yardley, The Washington Post Book World

Women and Puppetry 2019-05-07 Alissa Mello Women and Puppetry is the first publication dedicated to the study of women in the field of puppetry arts. It includes critical articles and personal accounts that interrogate specific historical moments, cultural contexts, and notions of "woman" on and off stage. Part I, "Critical Perspective," includes historical and contemporary analyses of women's roles in society, gender anxiety revealed through the unmarked puppet body, and sexual expression within oppressive social contexts. Part II, "Local Contexts: Challenges and Transformations," investigates work of female practitioners within specific cultural contexts to illuminate how women are intervening in traditionally male spaces. Each chapter in Part II offers brief accounts of specific social histories, barriers, and gender biases that women have faced, and the opportunities afforded female creative leaders to appropriate, revive, and transform performance traditions. And in Part III, "Women Practitioners Speak," contemporary artists reflect on their experiences as female practitioners within the art of puppet theatre. Representing female writers and practitioners from across the globe, Women and Puppetry offers students and scholars a comprehensive interrogation of the challenges and opportunities that women face in this unique art form.

The False Servant 2022-07-07 Martin Crimp Are you really surprised to discover that a woman might have a mind of her own? When Lelio thinks he can ditch and cash in on the rich woman he has promised to marry, in order to become the husband of an even wealthier 'girl from Paris', he enlists the help of his attractive new friend, the Chevalier. What he doesn't know is that the Chevalier is none other than this same 'girl from Paris' disguised as a man, and that her project is to publicly expose the depths of his sexual cynicism. A self-declared modern Marivaux, Crimp is a pioneer in the exploration of human

feeling, asking in this play not only what do we hide from others, but what are we hiding from ourselves? Martin Crimp's version of Pierre Marivaux's The False Servant received its premiere at the National Theatre, London, in 2004 and was revived at the Orange Tree Theatre, London, in June 2022. 'Marivaux's scepticism, irony and fascination with money and sex make him seem peculiarly modern.' Guardian 'Thrills, chills, and belly laughs - this addictively adult comedy has got the lot.' Revelation or Damnation? Depictions of Violence in Sarah Kane's Theatre 2014-11-01 Lea Jasmin Gutscher With her controversial stage art, the young playwright Sarah Kane broke new dramaturgic ground and made a lasting impression that changed British drama forever. Even though it is part of the canon covering post-war drama, Kane's work has often met with misunderstanding and fierce criticism due to the uncountable representations of atrocities. How can we make sense of Kane's seemingly crude and bleak theatre? Mainly concentrating on the play Cleaved, the author examines the nature of violence in Kane's writing. What purpose does it serve? Is it simply employed for its shock value? Or is it rather used as a metaphor? Kane herself considered her third full-length play as a play about love. In suggesting a figurative reading of the late playwright's texts, the author shows how Kane embraces violence as a metaphor of the various sufferings both love and life perpetrate upon the human being. Locked beneath the revolting cruelties, we can find a vivid theatricality, powerful images, and a unique rhythm and sound of language.

The "new Woman" Revised 1993-01-01 Ellen Wiley Todd In the years between the world wars, Manhattan's Fourteenth Street-Union Square district became a center for commercial, cultural, and political activities, and hence a sensitive barometer of the dramatic social changes of the period. It was here that four urban realist painters--Kenneth Hayes Miller, Reginald Marsh, Raphael Soyer, and Isabel Bishop--placed their images of modern "new women." Bargain stores, cheap movie theaters, pinball arcades, and radical political organizations were the backdrop for the women shoppers, office and store workers, and consumers of mass culture portrayed by these artists. Ellen Wiley Todd deftly interprets the painters' complex images as they were refracted through the gender ideology of the period. This is a work of skillful interdisciplinary scholarship, combining recent insights from feminist art history, gender studies, and social and cultural theory. Drawing on a range of visual and verbal representations as well as biographical and critical texts, Todd balances the historical context surrounding the painters with nuanced analyses of how each artist's image of womanhood contributed to the continual

redefining of the "new woman's" relationships to men, family, work, feminism, and sexuality.

Mrs. Warren's Profession 2019-08-17 George Bernard Shaw Middle-aged Mrs. Warren is a madam, proprietress of a string of successful brothels. Her daughter, Vivie, is a modern young woman, but not so modern that she's not shocked to discover the source of her mother's wealth. The clash of these two strong-willed, but culturally constrained Victorian women, is the spark that ignites the ironic wit of one of George Bernard Shaw's greatest plays, in a withering critique of male domination, sexual hypocrisy, and societal convention.

Electoral Engineering 2004-02-09 Pippa Norris From Kosovo to Kabul, the last decade witnessed growing interest in 'electoral engineering'. Reformers have sought to achieve either greater government accountability through majoritarian arrangements or wider parliamentary diversity through proportional formula. Underlying the normative debates are important claims about the impact and consequences of electoral reform for political representation and voting behavior. The study compares and evaluates two broad schools of thought, each offering contrasting expectations. One popular approach claims that formal rules define electoral incentives facing parties, politicians and citizens. By changing these rules, rational choice institutionalism claims that we have the capacity to shape political behavior. Alternative cultural modernization theories differ in their emphasis on the primary motors driving human behavior, their expectations about the pace of change, and also their assumptions about the ability of formal institutional rules to alter, rather than adapt to, deeply embedded and habitual social norms and patterns of human behavior.

White Women's Rights 1999-02-04 Louise Michele Newman This study reinterprets a crucial period (1870s-1920s) in the history of women's rights, focusing attention on a core contradiction at the heart of early feminist theory. At a time when white elites were concerned with imperialist projects and civilizing missions, progressive white women developed an explicit racial ideology to promote their cause, defending patriarchy for "primitives" while calling for its elimination among the "civilized." By exploring how progressive white women at the turn of the century laid the intellectual groundwork for the feminist social movements that followed, Louise Michele Newman speaks directly to contemporary debates about the effect of race on current feminist scholarship. "White Women's Rights is an important book. It is a fascinating and informative account of the numerous and complex ties which bound feminist thought to the practices and ideas which shaped and gave meaning to America as a racialized society. A compelling read, it moves very gracefully between the general history of the feminist movement and the particular histories of individual women."--Hazel Carby, Yale University

Suffrage and Women's Writing 2019-08-12 June Hannam This volume examines different types of women's creative writing in support of the demand for the parliamentary vote, including autobiographies, memoirs, letters, diaries, novels, and drama. The women's suffrage movement became far more visible in the Edwardian period. Large demonstrations and militant actions such as destruction of property were widely reported in the press and reached a wide audience. Eager to get their message across, suffrage campaigners not only took collective action but also used women's creative talents--whether as artists, musicians, or writers--to win hearts and minds for the cause. Through a close reading of contemporary texts, the chapters in this book reveal the diverse nature of the suffrage movement and its ideas, and the complex relationship between the personal and the political. The contributors also highlight the significance of women's writing as a means to advance the suffrage cause and as a key element of suffrage propaganda. This book was originally published as a special issue of Women's Writing.

Neaptide 2021-01-14 Sarah Daniels "Neaptide races from domestic trauma to staff-room banter ... it bursts with provocative ideas and disturbing questions about human relationships. Most important, it shows that the facade of liberalism and emancipation is merely a translucent gloss." Jewish Chronicle Claire is a history teacher at a local school where two teenage girls have come out. Their principal, Bea Grimble, is none too impressed, and aims to have them expelled. Claire, who had been hiding the fact that she is homosexual, speaks up on behalf of the girls: this in spite of the fact that she is fighting her ex-husband Lawrence for custody of their daughter, the precocious and happy Poppy. All around Claire hardened attitudes are challenged – and confirmed – as she must decide whether to try to maintain a position of honesty, and battle hypocrisy, from within the bounds of the law, or without. A modern story of custody battles, sexual identity and gender politics, framed around the ancient myth of Demeter and her daughter Persephone. Neaptide was the winner of the 1982 George Devine Award and became the first play by a living female writer to be performed at the National Theatre, London, in 1986. This Modern Classics edition feature a new introduction by Dr Carina Bartleet.

Modern British Drama on Screen 2013-12-05 R. Barton Palmer This collection of essays offers the first comprehensive treatment of British and American films adapted from modern British plays. Offering insights into the mutually profitable relationship between the newest performance medium and the most ancient. With each chapter written by an expert in the field, Modern British Drama on Screen focuses on key playwrights of the period including George Bernard Shaw, Somerset Maugham, Terence Rattigan, Noel Coward and John Osborne and the most significant British drama of the past century from Pygmalion to The Madness of George III. Most chapters are devoted to single plays and the transformations they underwent in the move from stage to screen. Ideally suited for classroom use, this book offers a semester's worth of introductory material for the study of theater and film in modern Britain, widely acknowledged as a world center of dramatic productions for both the stage and screen.

The Edinburgh Companion to Modernism in Contemporary Theatre 2023-06-30 Adrian Curtin Explores modernism's complex relationship with contemporary theatre. This volume highlights modernism as an impulse that can be carried forward to the present, re-embodied and re-encountered in theatrical performance. It demonstrates how modernist impulses spark contemporary theatre in dynamic ways, continuing the modernist imperative to 'make it new' and to engage meaningfully with the complicated situation of living in the contemporary world. A diverse set of contributions from scholars and theatre practitioners examines the legacy of modernism on the world stage in acts of remembrance, restaging, transmission and slippage. It investigates both well-known and less familiar aspects of modernist theatre history, engaging topics such as the revival of the first Black American musical, feminist and disability-led reinterpretations of canonical modernist plays, the use of modernist-inspired performance practice in contemporary university arts education and the continually contested meaning and importance of the avant-garde. Adrian Curtin is Associate Professor of Drama at the University of Exeter. Nicholas Johnson is Associate Professor of Drama at Trinity College Dublin. Naomi Paxton is Knowledge Exchange Fellow at The Royal Central School of Speech and Drama, University of London. Claire Warden is Professor of Performance and Physical Culture at Loughborough University.

Diana of Dobson's 2003-03-17 Cicely Hamilton Very successful when first performed in London in 1908, Diana of Dobson's introduces its audience to the overworked and underpaid female assistants at Dobson's Drapery Emporium, whose only alternative to their dead-end jobs is the unlikely prospect of marriage. Although Cicely Hamilton calls the play "a romantic comedy," like George Bernard Shaw she also criticizes a social structure in which so-called self-made men profit from the cheap labour of others, and men with good educations, but insufficient inherited money, look for wealthy wives rather than for work. This Broadview edition also includes excerpts from Hamilton's autobiography Life Errant (1935) and Marriage as a Trade (1909), her witty polemic on "the woman question"; historical documents illustrating employment options for women and women's work in the theatre; and reviews of the original production of the play.

It offers a structure within which to approach the creative process, including ideas on finding a starting point, generating material, composition and design; it offers practical ideas for use in rehearsal; and it presents grounding in terminology that will support a confident and informed approach to production. The book features contributions from some of the young performers who have been a part of Junction 25's work to date, as well as key artists and companies that work professionally in devised theatre, including case studies from Quarantine, the Team, Mammalian Diving Reflex, Nic Green and Ontroerend Goed. The work of Junction 25 is used to illustrate the concepts and ideas set out in the book. Ideal for any student faced with the challenge of creating work from scratch, A Beginner's Guide to Devising Theatre offers constructive guidance, which supports the requirements of students taking Drama and Theatre Studies courses. The book includes a foreword by theatre critic Lyn Gardner.
