But when masked men and women storm an ordinary-looking office building in Chinatown, leaving a trail of carnage, Wakeland finds himself caught up in a mystery that won't let him go, as hard as he tries to elude it. The police have a vested interest in finding the shooters, and so does the leader of the Exiles motorcycle gang. Both want Wakeland's help. The deeper he investigates, the more connections he uncovers: to a reclusive millionaire with ties to organized crime, an international security company with a sinister reputation, and a high-ranking police officer who seems to have a personal connection to the case. When the shooters themselves start turning up dead, Wakeland realizes the only way to guarantee his own safety, and that of the people he loves, is by

With a setup like this, anything can go wrong, and does. Skill and luck are needed for Wakeland and Chen to emerge with the killers, the money and their own lives.

Very few games seek to redefine the conventions of roleplaying as does the Mind's Eye Theatre line. There are no tables or dice involved in Mind's Eye Theatre games. Instead, you become a part of the story. You assume the role of your character as soon as you step through the door, enacting every action, movement and gesture. For the purposes of the game, you are your character. The Mind's Eye rules for playing vampires' human pawns.
